Labmen Finish on Top With 8-2 Win Monday

Baxter Labmen settled comfortably in the security of first place at the end of the regular schedule of the Georgetown Industrial League games last Monday night after they walked off with an 8-2 win over Georgetown Businessmen. The undisputed champions will only rest on their laurels until next Monday night when they meet the third place team, Provincials, in the first game of the semi-final play-offs in Georgetown arena.

Last Monday's game was a cinch, with the score lop-sided at 5-0 at one time. The Baxter men, confident of a win, began to juggle their plays and experiment in formations in a style that was almost practice play at one or two occasions.

"Steamboat" Emerson, the Businessmen's goalie, mixed luck and skill with saves that prevented the score from reaching basketball proportions. Several of his saves appeared very lucky while the Baxter team work and shot skill occasionally lapsed just when the Steamboat was not in a position to defend his net.

Baxter's commanded the play during the game with the only drawback being two injuries. Earl Massee nurses an injured right arm which was struck at the elbow by a high stick and Fyfe, Somen-

vile was hit on the back by a businessman's stick. Neither of these injuries will affect next week's play.

The eight Acton goals were by Masters (2), Stewart, Somerville, Pihla, Allan, Jordan and Everdell. All the regular players were on hand for the game.

Next Monday Smith and Stone, in second place, will play Alliance in fourth. A new system is being inaugurated for the play-offs with the first two periods being played straight time but the third in overtime to prevent stalling. Total goals in two games decided which two teams end in the final play-off. Acton Midgets will tangle with Georgetown Midgets on the same bill.

Baxter's are resolved to carry home the Sheeney Tost trophy on its first trip to Acton, and from their past performance, this season it doesn't seem unlikely.

AID DIGESTION

In the case of indigestion, enemy No. 1 is said to be over-fatigue. So, since hurry and fuss at the beginning of the day are likely to upset the digestion of a person who rises easily, such a person should arise early, get ready slowly and take lots of time for breakfast.

Acton High School News

Acton won the basketball game by a goodly margin last Wednesday. The score was Acton 53, Milton 7. At the halfway mark it was Acton 21, Milton 3. Bob Bruce scored the most points for Acton and other high scorers were Don Dawkins, Don Davidson, Crawford Douglas and Dick Wood. It has been rumored that they will play another game, this time in Milton in the town hall on Friday, March 2. It was also heard that a dance will be held afterwards.

Tuesday morning we were shown a film "Sports Cavalcade" featured by the William Lowmyer Co. The students really enjoyed it and gave it due applause and it is hoped that we will be shown more of these films. Also on Tuesday afternoon there was a half holiday due to a teachers' convention at Leaside Collegiate. Needless to say, the students were very relieved at this unusual event.

The class rooms are filling up again after the recent flu epidemic.

NASSAGAWEYA S.S. No. 7

Ladies' Aid Holds Picnic in Winter

The Ladies' Aid of Nassagaweya Presbyterian Church had a winter picnic last Friday evening in the Sunday School room. Owing to so much sickness there was not as large a crowd as usual, but everyone present took a keen interest in the contests which were varied and amusing. The ladies served refreshments.

The Farm Forum for February 19th met at the home of Mr. and Mrs. A. Pringle. Sickness and fog kept some of the members home; however, a very interesting meeting was reported. The February 20th meeting was held in the home of Mr. and Mrs. F. Hetzel. The discussion was on the formation of an "Egg and Poultry Marketing Board". There was the usual social period at these meetings.

Mr. George Locker was released from the hospital on Monday, where he was treated for a head injury received while at work one day last week.

Mrs. Thomas Morton of Toronto spent the week-end at the home of her parents, Mr. and Mrs. Wm. Dredge.

Miss Dorothy Massey of Milton spent the week-end with her grandparents, Mr. and Mrs. Thos. Kennedy.

Picture Recognized as C. Swackhamer, Resident of Churchill For 90 Years

The last picture published which was found in the Free Press office with no means of identification is definitely of Christopher Swackhamer of Churchill. Several have groped in or phoned to name him while reference to the Churchill United Church book where the picture was published, proves the fact.

First to tell us of his identity was Mrs. Bentley Wilson, a niece of Mr. Swackhamer. His two sons, Arthur Swackhamer and C. B. Swackhamer of R. R. 2, Acton and granddaughter, Mrs. A. Smith also contacted us with the requested information. Mrs. R. M. MacDonald of Acton, also recognized Mr. Swackhamer, who lived for 90 years in Churchill.

Born in 1824, Mr. Swackhamer was the son of United Empire Loyalists. His father was in the battle of Queenston Heights and the family moved later from Queenston to Churchill.

The caption in the church history book under Mr. Swackhamer's picture reads "Who gave a lifetime of service to Churchill." One of the oldest members of the church, he "Carried hod for the plasterers and many other such jobs without remuneration but just to speed the erection of the meeting house."

UNIDENTIFIED
Mrs. Christopher Swackhamer was the first president of the Ladies' Aid which was set up in 1903. Mr. Swackhamer acted as church caretaker until 1905 when falling health forced him to resign. Both husband and wife acted as church treasurer at different times.

Certainly an asset to his community, Mr. Swackhamer's life is worth referring to again. Here again is another gentleman from the Free Press album of old pictures. If anyone recognizes this face in the old-fashioned oval frame, we would be very glad to hear his name.

Additional Agents On Insurance Staff

The County Insurance Committee of Halton County Federation of Agriculture made further progress at their February meeting held in the Court House, Milton, last week, when additional agents were added to the staff. Mr. Milton J. Brown, chairman of the committee and director of the Co-operators Insurance Co., reported increased developments in the Province of Ontario and gave some interesting figures and details showing the financial position of the company.

After the committee had heard the reports on the volume of business and the interest shown by the people of Halton County, they prepared a program of further development for 1951.

Halton now has four agents and one county representative on the staff. Mr. Norman Gilbert, Bronte, will serve Trafalgar Township with Co-operative Insurance. Mr. Norman Bird, Georgetown R.R. 2, a graduate of O.A.C. will now represent Co-operative Auto, Co-op. Life and Hospitalization insurance in Esqueping Township. Mr. Robert Morrison, Freeman R.R. 1 will also be a representative. R. S. Heatherington, county representative, will look after Nassagaweya township for the time being.

FEDERAL LICENSING
Apropos of the controversy over the Alberta government move to take over licensing of the professions, The Financial Post editorially suggests that if governments are to enter this field it should be the federal authority. Argues The Post: "Measles are measles, whether they occur in New Brunswick or British Columbia, and require the same care. Two and two make four in Newfoundland as readily as Ontario. And the same formula can be employed to design a rivet in Manitoba as in Nova Scotia."

"Why shouldn't all doctors, accountants, engineers and other professional workers be licensed on a national basis, have freedom to move around, practise where they like?"

"Canada would benefit from domestic free trade in talent."

OBITUARY Mrs. J. E. Marcellus Dies in Milton Mon.

This community was indeed grieved to learn of the death on Monday morning of Mrs. J. E. Marcellus at her home on James Street, Milton. Mrs. Marcellus had been ill for the past week or so.

Born at Madoc, Ontario, Blanche Dafoe was a daughter of the late Dr. and Mrs. W. A. Dafoe. She received her education at Madoc Public and High Schools and Victoria College. In 1920 she married Mr. J. E. Marcellus. For over 20 years they have been esteemed citizens of Milton where Mr. Marcellus has been principal of the High School.

Besides her husband, one son and three daughters remain to revere the memory of a beloved wife and mother. They are Allan R. Marcellus, Guelph; Mrs. Kenneth Randall, Acton; Mrs. David R. Allison, London and Miss Elizabeth Marcellus, Toronto. One brother and three sisters also remain, Dr. W. A. Dafoe, Toronto; Mrs. S. H. Henry, Toronto; Mrs. W. M. Martin, Toronto and Mrs. A. R. Mondzabal of Madoc. To all the bereaved sympathy of many friends here goes at this time.

Mrs. Marcellus will be missed in the community and church life as well as in the home. She was president of the W.M.S. of the Unified Church and active in the Red Cross and other organizations for community betterment.

The funeral was held yesterday afternoon with a private service at the home in charge of her pastor, Rev. J. L. Blair. Interment was in Evergreen Cemetery, Milton.—Canadian Champion.

QUICK-DRYING BATHMAT
New product to be shown at the British Industries Fair this year is a "waffle" bathmat made from a special type of fabric. A new honeycomb cellular construction gives the advantage of high absorbency and softness, while the large drying area formed by the cells allows the mats to lose moisture quickly.
