BALLINAFAD Corp. R. Edmunds Killed in Korea

The community was shocked with the sad news that Corporal Ronald Edmunds had been killed serving with the Korean forces. He was a son of Mr. and Mrs. Edmunds of Ballinafad. A brother, Allan, is still in Korea, who was also in the last war. The sympathy of the community goes out to the bereaved family.

Mr. Joe Allen is, we are sorry to know, not improving as fast as his many friends would like to see. He returned to the hospital Sunday for further treatment.

Mr. and Mrs. May have bought a store at Markdale and have taken possession.

The W.A. was invited to Orton on Friday to join with several other Societies in the 50th anniversary of their church. Two car loads went and had a very nice meeting. Each Society was responsible for one number. Mrs. Gibb sang for this Society. The guest speaker was Miss Ada Currey.

Council approved of grading on Elgin St. and agreed to supply tile drain, if required for this section which is being improved by Beardmore & Co.

Instructions were issued Town Foreman Kirkness regarding the clearing of silt and debris from the Hartmore creek. It was expected Regina Bros. would be here this week to do this work of cleaning up following sewer installations.

The Road Committee and Foreman Kirkness were to make a survey of the streets and prepare a detailed program of work to be done.

The Municipal Board gave approval of the debenture issue of \$75,000 for completion of sewers and the disposal system.

A letter from the "Banks" with branches in Acton informed Council the interest rate would be increased from 4 to 4 1/2 per cent.

The Town Solicitor informed Council the action against Herbert Dron was to be heard in Court on June 21st. This is an action regarding collection of sewer rental.

A letter from the Ontario Traffic Conference asked Acton to send a representative to the annual convention held in St. Catharines this month. If the program was of interest to Acton members the Road Committee were to arrange to attend the convention.

The form of tender for paving on Mill and Main Streets was received from Engineer Anderson. These forms had been sent to tenders who were interested in the work and tenders were to be received by Friday June 8th. The Clerk was instructed to contact the engineer regarding changes in specifications.

Council heard of deprivations at the park particularly the practice of taking the picnic tables and putting them in the pond. The matter was to have the attention of the Parks Committee.

The heavy electrical storm gave a brief interruption of Council proceedings but an improvised light was secured and Council adjourned before midnight.

Reeve Hargrave, Deputy Reeve Stewart and Councillors Greer, Wood, Taylor, Fryer, Wisock and Thompson were present at this meeting and Mayor Tyler presided.

Oaks Top Acton In Floodlight Fantasy

Acton Intermediates put the wrong ingredients in a nine-inning floodlight game at Oakville last night and as a result emerged on the short end of a 14-7 score. The Acton club produced hits and had pretty fair pitching from corpulent Mel Jordan, but the less said about fielding the better.

Eight costly errors enabled the Oaks to coast after a stirring comeback by the Acton club had wiped out a 7-0 first inning lead. With accounts squared up the game took on a new complexion but came the fifth and the Oaks scored three to go ahead and stay. They wrapped it up in the eighth with three additional runs.

It was Acton's third loss against the Oaks to coast after a stirring comeback by the Acton club had wiped out a 7-0 first inning lead. With accounts squared up the game took on a new complexion but came the fifth and the Oaks scored three to go ahead and stay. They wrapped it up in the eighth with three additional runs.

His nomination for the mound last night, Mel Jordan, allowed 11 hits as he went the distance with five of them in the disastrous first inning. Acton out-hit the Oaks by clubbing twelve safeties, three of them doubles and found Frankie May's offerings no puzzle. In spite of Normie Morton in the line-up put plenty of sparks in their bats. Morton smashed two singles and just missed putting one out of the park in the seventh. Kereluk made a circus catch of the drive on the fence to spoil the bid.

The locals were without "Happy" Lawson and Lorne Masters in the infield and probably made a big difference. However, Al Yarnell wasn't confident of victory until well into the ninth frame realizing Acton's propensity to break into a rally at any convenient time. He kept another pitcher warming up the length of the game after Acton wiped out the big seven run deficit that occurred in the first inning.

It was one of those games where brilliant plays were executed as well as "bummers". Owen Masales in spite of a bad night in the field, appeared one of the hottest grounders of the night to make up for a bobbly he made in the first. Langway made a lovely pop to home from deep centre when Masales attempted home on Gib Jordan's single to catch the runner. Harry Herd, the Oaks aerobic first baseman, sent a ball at first when the Oak infield threw awry. Otherwise, the score in no way indicated the game.

To Enlarge Grounds Add New Building

Plans for expansion of the Halton Agricultural Society were announced this week by President A. Dixon. The society has purchased extra land and will be enlarging the fair grounds.

Work is expected to start next week on a new cement block agricultural hall which is to be 36 feet by 100 feet. An aluminum roof will be put on the building.

WILD AND WOOLY, WIDE AWAKE GEORGETOWN TOPPED IN 10-9 TAKE

It took Acton Intermediates ten innings to edge an equally weak Georgetown club 10-9 here last Saturday in a wild and woolly affair that saw "everyone" make an error but the umpire. Behind most of the game, the Acton club became an unusually wide-awake unit in the final frames, tied it up and sent "Dude" Landsay home with the winning run in the tenth on a long fly from the bat of Mel Jordan. It was Acton's second win against the same number of losses.

Most of the route it was a question of which club could pull the most "home-head" plays. Georgetown was elected by virtue of eight bobbles to Acton's seven but it was that close, it could have gone either way.

The bright spot on the Acton team was the showing of "Happy" Lawson at short. The little short stop fielded flawlessly and put new life in the infield. He and Owen Masales should team up to form a smooth unit at second base.

The locals used three pitchers to crush the Georgetown bats. Sam Snyder made his first start this year but he was relieved by Chiel Shultis in the fourth. Shultis went okay until the seventh when a flock of Acton errors made an infield change necessary. Don Ryder finished the game, allowing only two hits. He was the winning pitcher.

Georgetown started Glen Gibb on the mound and he had Acton baffled until the seventh. However, in the eighth, Chappelle relieved him and was charged with the loss. Chappelle was no puzzle to the Acton batters.

Masters and Masales paced the ten but onslaught for Acton, each collecting two safeties. "Happy" Lawson contributed a double. Patterson and Ritchie each garnered two hit for Georgetown.
