NEWS FROM ALL DIRECTIONS

Classes Cease
Classes in Basic English and Citizenship ended in an informal party for the 1950-51 season at Burlington. Seven members of the class were granted certificates. Refreshments were served and entertainment followed.

Shocking Wire
When Oakville firemen responded to a call last week they found no fire. The lady of the house got a severe shock from a frayed wire when she turned on a light switch. Another member of the household became alarmed and alarmed the town.

Flower Show
Erin's Horticultural Society held the season's opening flower show with a good number of entries. Points are given at these shows and totalled in the fall with prizes for the greatest number of points.

Building Battle
Burlington wants a new municipal building. But a move to engage architects at the estimated cost of \$2,400 was opposed when another councillor thought the people should be informed of how much money the building, if erected, would earn and how much it would cost. Cost of the building is estimated at \$200,000.

Commendable Athletes
Oakville-Trafalgar high school athletes finished well up in the standing of the annual COSSA

track and field championship held in Hamilton, the Oakville-Trafalgar Journal reports. The athletes piled up 41 points.

Thieves Leave Catch
Thieves left behind a \$1,000 cargo when they abandoned a truck in Burlington after being frightened. The truck had been stolen from a Toronto man who was questioned about the truck and released.

Birthday Opens Park
Flood-hit Victoria Park was opened on Victoria Day with a softball tournament on the entertainment card. Luther won the tourney over Belfontain, Hillsburgh and Erin.

Planning Camp
Oakville Cubs are planning to get back to nature when they take a three day camp on the Brecken farm north of Bronte. Campfire sessions are on the program.

Milton Car in Trenton
Police recovered the car of Nelson Pickett, less than 12 hours after it was stolen from in front of the Legion Hall in Milton. The car was recovered in Trenton with all contents except the cigarette lighter.

Ancient Heirloom
Wayne Lewington, five-month-old son of Mr. and Mrs. S. Lewington, Milton, was christened, garbed in a 100-year-old, hand embroidered cape. A family heirloom it has been handed down for several generations.

TENDERS FOR COAL AND COKE
Federal Buildings - Province of Ontario

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Coal" will be received until 3 p.m. E.D.S.T., Thursday, June 21, 1951, for the supply of coal and coke for the Dominion Building, throughout the Province of Ontario.

Forms of tender with specifications and conditions attached can be obtained from the Chief of Purchasing and Stores, Department of Public Works, Ottawa, and the District Architect, 36 Adelaide St. East, Toronto, Ont.

Tenders should be made on the forms supplied by the Department and in accordance with departmental specifications and conditions attached thereto.

The Department reserves the right to demand from any successful tenderer, before awarding the order, a security deposit in the form of a certified cheque on a chartered bank in Canada, made payable to the order of the Honourable the Minister of Public Works equal to 10 per cent of the amount of the tender; or Bearer Bonds of the Dominion of Canada or of the Canadian National Railway Company and its constituent companies, unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque if required to make up an odd amount.

Such security will serve as a guarantee for the proper fulfilment of the contract.

ROBERT FORTIER
Acting Secretary
Dept. of Public Works
Ottawa, May 28, 1951. 6-44-2

British Columbia's whale catch - 314 - in the 1950 season was the biggest since 1936.

T.B. Association Formed in Milton

The first annual meeting of the Halton County Tuberculosis and Health Association was held at the Milton Inn on Monday evening, May 20th.

E. J. O'Brien, Executive Secretary of the Ontario Tuberculosis Association was present and explained to the meeting the necessity of having a county wide organization to support the Halton County Health Unit.

Since 1945, the Christmas Seal Campaign has been carried on by the Lions Club of Oakville with very gratifying results due to the need for expansion throughout the county, the club felt a county organization should be formed.

Mr. O'Brien explained committees should be set up, to take care of rehabilitation of patients coming out of sanatoria, and that thus on Tuberculosis should be shown to various groups and organizations, under the heading of Education. He said that extension work could include pre-employment X-rays, tuberculosis testing of young school children and mass survey work. He also discussed the part the press could play in making the public conscious of the work being done and the results of the X-ray clinics.

The Association will sponsor all admission X-rays done at the Oakville-Trafalgar Memorial Hospital and the Milton Private Hospital that are not covered by other plans or organizations.

All monies raised by the Halton County Christmas Seal Fund will be used within the county for the prevention and treatment of tuberculosis.

The following were appointed to the Committee:

D. H. Stevens, Oakville, president; R. S. Heatherington, Campbellville, Vice President; S. B. O'Brien, Oakville, treasurer; M. E. Lunn, Oakville, secretary; Amos Mason, Acton; G. C. Goyland, Milton; Walter C. Birch, Georgetown; Dr. James Mather, M.O.H., Medical Advisory Committee; W. H. Edwards, Oakville, special names. An appointment from Burlington is yet to be made.

CANADIAN CHEMIST TOLES

The H. H. Brand... of the Department of Chemical Engineering... of the Royal Institution... of the British Empire...

MODERN FARMING DEPENDS UPON POWER EQUIPMENT

The ability of Canadian farmers to "deliver the goods" is due in a very large degree to their skill and eagerness in adapting modern mechanized equipment to their operations.

Now, more than ever before, farmers are looking to machines to help them overcome the scarcity and high cost of farm labor, to get the work done quickly and at low operating cost, and to maintain and increase production.

Through continuous research and engineering Massey-Harris has developed new and improved tractors, combines and power machines which prove helpful to users in establishing more efficient farm operation.
