

Your Neighbors Are Using . . . Coleman OIL FLOOR FURNACES

In Acton Area Homes

Save With Coleman Automatic OIL Heat!

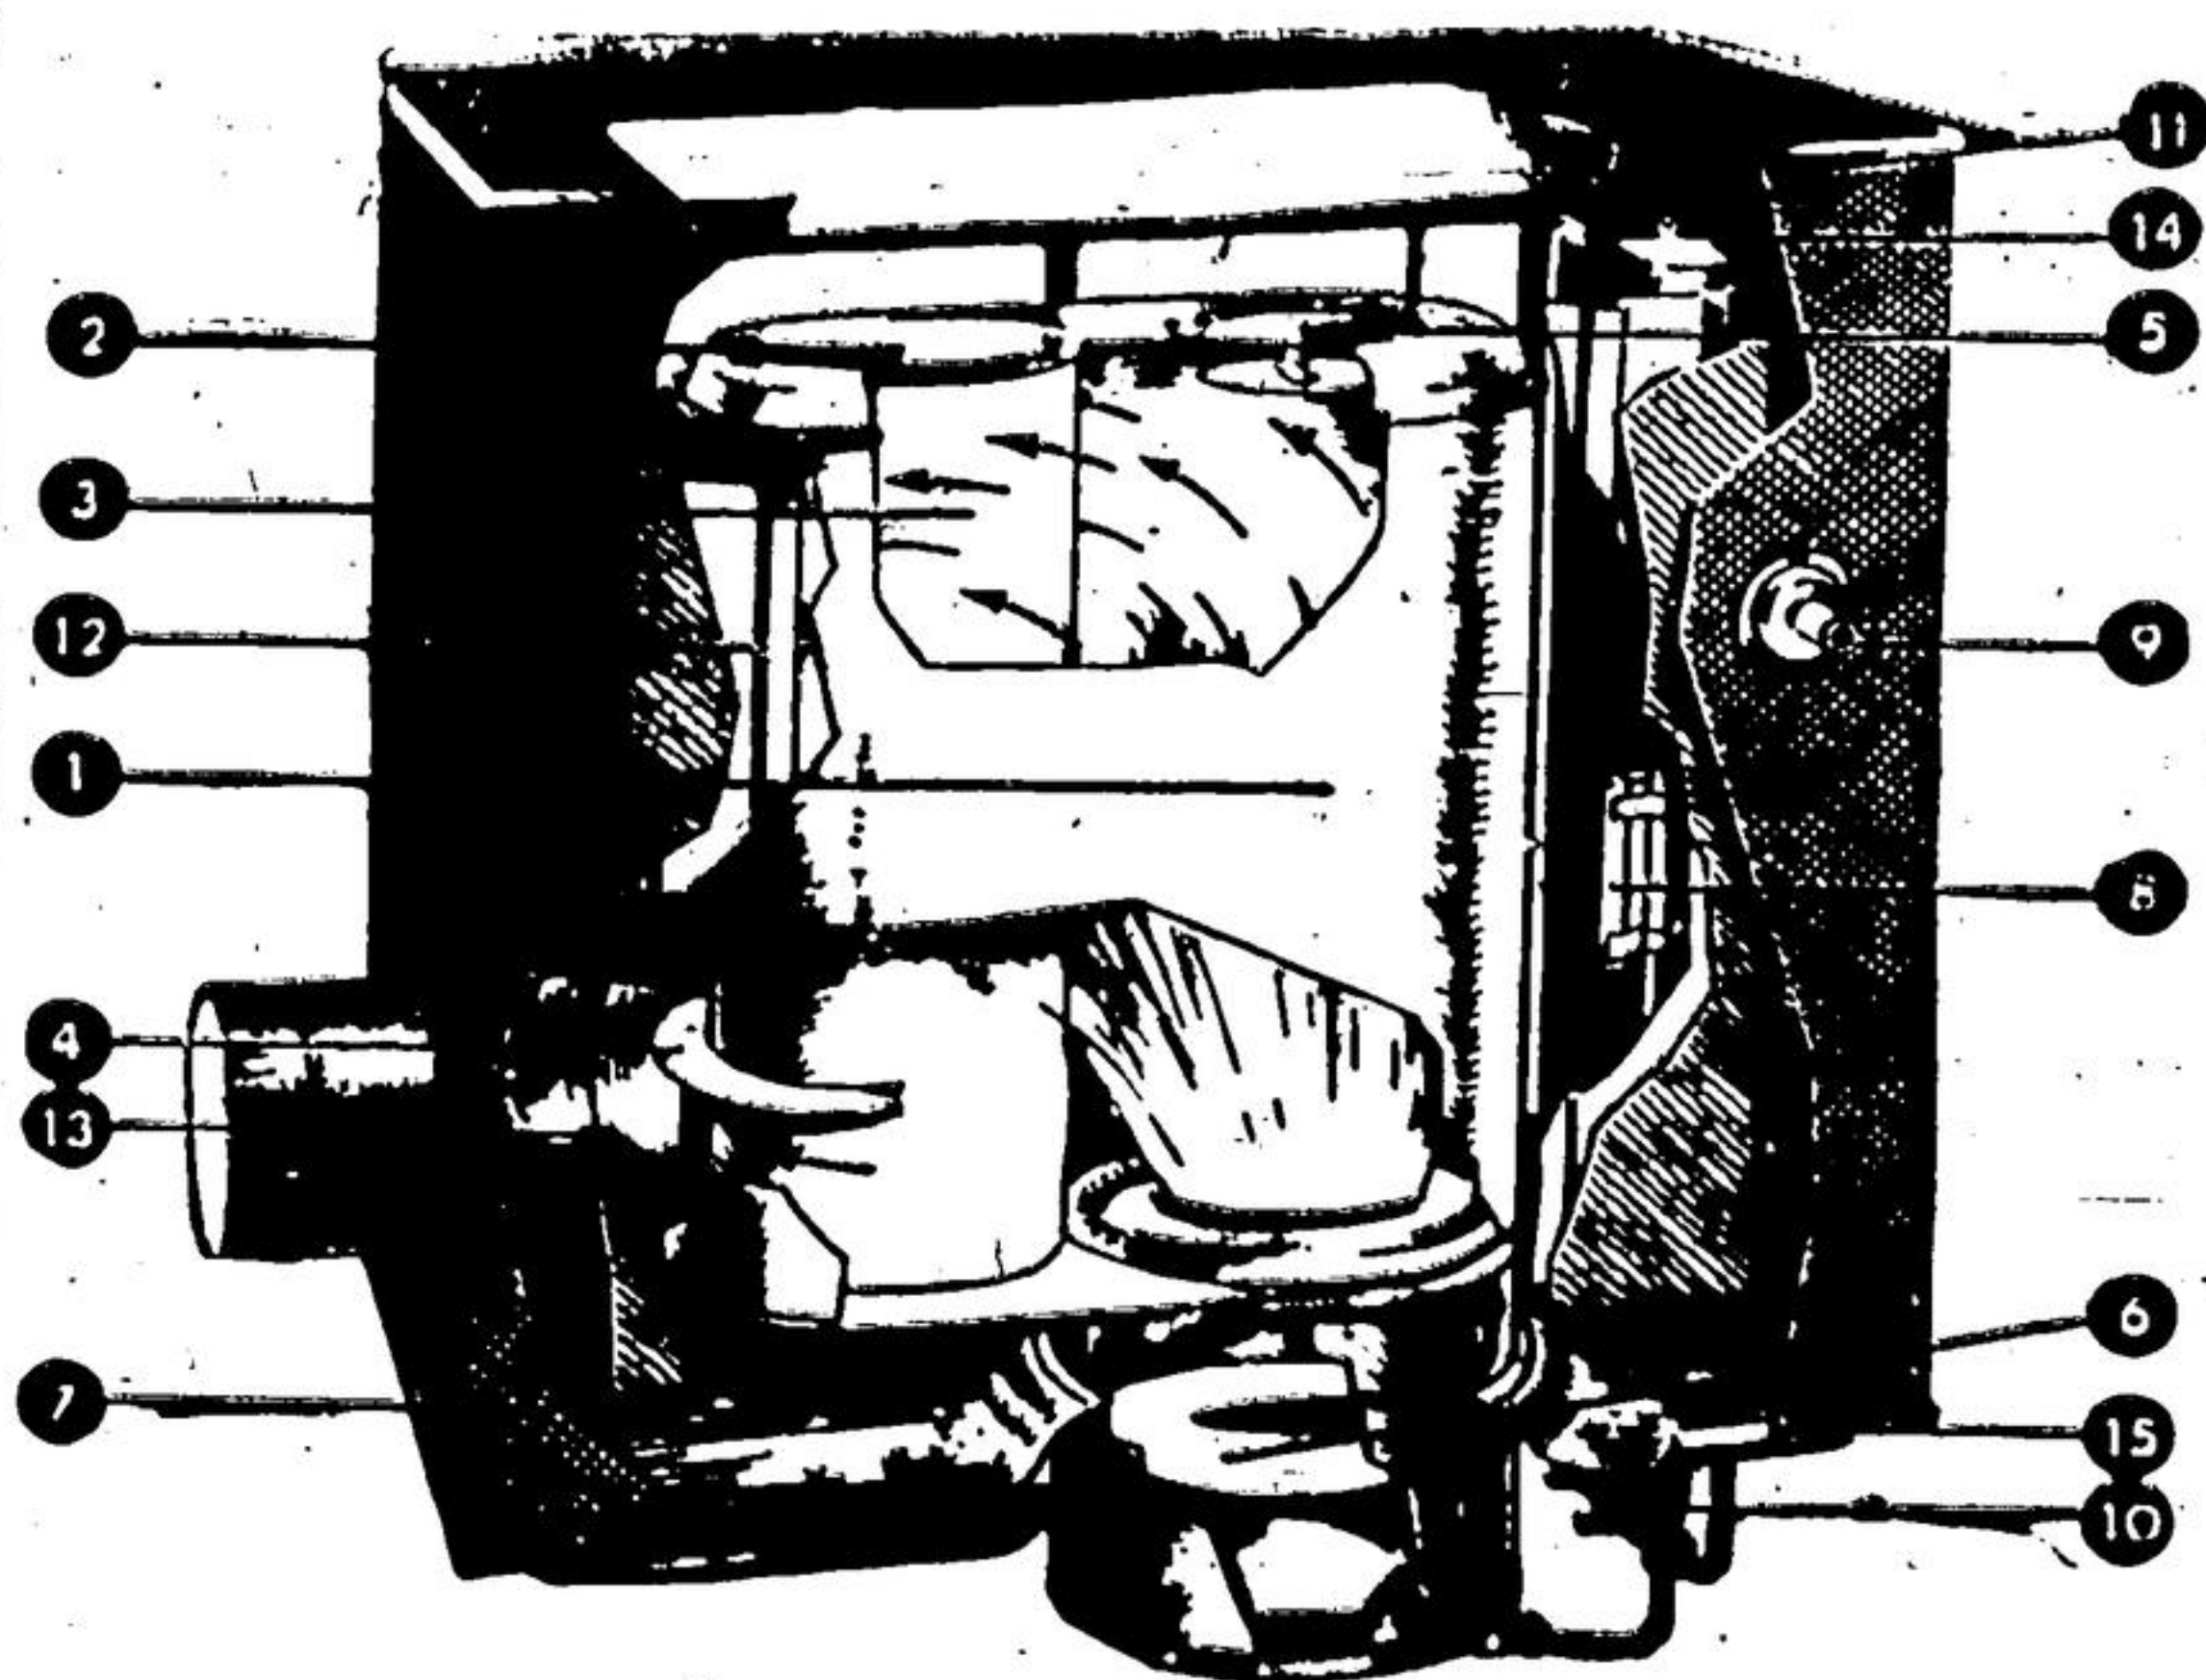

Enjoy the Magic of Warm Floors..
Health Protection for the Family!

HERE IT IS! . . . the fastest growing heating equipment in the world today! . . . the sensational new Coleman Automatic Oil Floor Furnace . . . at HALF THE COST of an average basement furnace, installed with automatic controls!

This amazing Coleman gives you warm floors — cozy corners — even in distant rooms. Powerful warm air circulation (without blowers or electricity) puts warmth in the living zone of each room — keeps heat from packing at ceiling.

Don't wait! . . . See this sensational automatic oil furnace at our show-rooms now! It's perfect for new homes—easily installed in old homes, with or without basements. Complete with automatic controls.

18. Automatic Draft Regulator — Lowers Operating Cost

LET US SHOW YOU HOW IT WORKS

Coleman Makes the Living Zone the "Comfort Zone"

The Coleman provides uniform comfort, pulls the cool air off the floor, warms it, circulation is set into the room — gives a constant change of freshly warmed air 3 to 4 times an hour. TOP
