LOOKING FOR A BUNGALOW?

There is a strong demand for bungalows, on account of the easy living they afford, as well as low heating costs. We have just listed two, that will satisfy your requirements, and your purse.

SEMI-DETACHED, two units, one well tenanted, other now vacant, immediate possession. Built of rough-cast, nice gardens, each contains toilet, water and electricity. Will self separately, but both would make a good investment. Well decorated, and in good state of repair. Four rooms.

ANOTHER DETACHED BUNGALOW, almost new. Owner has improved it considerably. Newer type of construction, solid wood blocks covered with a wash stucco, easily heated. Wash room with toilet, bowl and shower. Five rooms, in nice residential district. Close to both high-

Cheaper and cleaner than coal

Like thousands of Gar Wood owners, Mr. H. R. McLean, 1037 9th St., Brandon, Manitoba, writes enthusiastically about his Gar Wood Unit.

It maintained a steady temperature of 80° in his home, even during a five week period when the outside night temperature never went above 40° below zero. Economical? Amazingly so, Mr. McLean heated his home for the full season with only 625 gallons of fuel oil.

Let us show you equally satisfying records from local homes and from other parts of Canada. For definite economy and for many EXTRA years of trouble-free performance, choose Gar Wood.
