## Bantam Ball Team County Champions

Their sixth straight win last night netted the Acton Bantam ball team the Halton group championships. Clarkson was defeated by the junior tanners on their home diamond 10-5 in the second game of a best of three series.

Although Clarkson was rated high at the beginning of the season, Wednesday night's Acton hitting spree climaxed a schedule of games in which the Acton team has improved steadily under the good coaching of Harry Lawson.

Acton won with 13 hits and 10 runs to Clarkson's 5 hits and 5 runs. Heading the hitting spree in the nine-inning game were Lawson and Morton.

The boys are now awaiting word from the O.B.A. of the place and date of the next game.

Acton line-up: Heatley 2b, Footitt lf, Morton p and 3b, Skilling ss, Sirrs rf, Lawson lb, Coon cf, Cunningham p and 3b, Holmes c, Cunningham pitched for five innings and Morton finished off the game.

The Clarkson battery was Padgett, Flemingington, pitchers and Izatt, catcher.

## LADDER COMPETITION TO DETERMINE CHAMPS OF BEARDMORE TENNIS CLUB

Tennis "Ladders", to be climbed in singles games by senior and intermediate members of the tennis section of the Beardmore Recreation Club, will determine the men's and women's club champions at the conclusion of the play-offs.

Players are all listed and may challenge any one of the three players listed above him, or two players in the case of the first eight names on both the men's and women's lists. If the challenger wins, he moves up the ladder to the spot held by his opponent, who moves down, causing those immediately below him to move, too. Players keep challenging to climb the ladder.

For the purpose of competition, weeks will commence Fridays. Organizers expect that the games will last through September. At the end of the competition there will be a play-off series of the top eight in each list.

## Baxter Labs Lets Addition Tender

The tender for the 30 by 48 foot cement block addition to Baxter Laboratories was awarded to J. B. Mackenzie and Son last week, and work is expected to begin this week. The addition, at the southeast corner facing the lane, is to house the water processing equipment for distilling, softening and demineralizing and a repair shop.

There will be no change in processing but the construction of the addition and rearrangement of equipment in the main building will provide greater plant efficiency. After the addition is completed, work will begin on changes inside the main building. Construction will necessitate rebuilding the coal bin.

No more equipment will be purchased, and no more employees hired as a result of the change, it was reported this week.

## Streetsville Girls Defeated By 9-1

The Acton girls racked up another baseball win on Monday, August 27 on their home diamond when the Streetsville aggregation visited. Final score was Acton 9, Streetsville 1.

Acton began with a spurt which gave promise of another overpowering game like last week's, when the final score was 21-3. Joan Somerville, May Laing, Grace Cross and May Spiers all scored runs in the first inning, but runs levelled off to a steady jog of scoring that won the game with two in the third, one in the fifth and one in the sixth.

Streetsville's one was credited to Royle in the third.

Acton line-up: Joan Somerville, Joan Palmer, May Laing, Grace Cross, May Spiers, Betty McIntyre, Ivy Ritchie, Jean Harris, Beryl Jordan, Eleada Britton and Irene Douglas.

Streetsville — Royle, Tardoff, Trimble, Glover, Coates, Bridgen, Beelvos, Wheeler, Sinclair.

Last night (Wednesday) in Streetsville, the two girls' teams tied 9-9 in a six inning contest. The Acton battery was Joan Somerville catcher, Ivy Ritchie pitcher for the first three innings and then Grace Cross.

A game with Oakville will likely be played on Tuesday.

## SULPHUR PRIORITY

Britain's defense industries will be able to maintain full output under new schemes for the allocation of sulphur and sulphuric acid, which came into force on May 1st.

## County Approves Equal Assessment

(Continued from Page One)

Council approved a resolution sponsored by Reeve George Currie and Reeve Edgar Ellenton, that the county purchase 400 acres of bush land from Mr. Britton at a cost not to exceed \$8,500, and that the county reimburse Nassau Township for expenses incurred repairing the flooded portions of the road.

Reeve Ellenton told members that something would have to be done with the road immediately, and if it were not repaired before winter the road would have to be closed, and residents of the area would seek to have the beaver removed.

J. E. Whitlock reminded council of a resolution sponsored by the Halton Conservation Commission asking council to retain the beaver and take over the land as a reserve. He stated this project was an excellent illustration of water conservation. "These little beaver have proved they have done a better job than we could," Mr. Whitlock also said there were about 1,000 acres in this district not suitable for agriculture.

All members were agreed that water conservation and land erosion were of prime importance to all in the county. They felt those beaver should be kept at any cost, as considerable water was held back to help farmers all along the stream.

Reeve Howard Litchfield announced the members' annual fishing trip was scheduled for the week-end of September 21 and asked all members to enjoy the outing.

Council endorsed a request from Sheriff Robertson who informed council they could now increase the cost of living bonus to \$25 a month to jail employees, according to regulations as set down by the Provincial government. Employees were receiving a \$15 cost of living bonus and the new increase is to be retroactive to July 1.

Warden K. Y. Dick performed an enjoyable duty when he warmly welcomed two new members to council. They were Reeve Alfred Jennings, representing the 10th municipality in Halton, the newly incorporated village of Bronte; and Robert Shannon, as Deputy Reeve of Burlington who replaces W. G. Haswell, recently resigned from that office.

A resolution sponsored by the united counties of Leeds and Grenville seeking to have the 10 per cent. sales tax removed when municipalities were purchasing fire fighting equipment was endorsed by council.

Council turned down a suggestion that the county advertise in a city newspaper that is sponsoring a Royal Edition during the visit of the young Royal couple. Members felt that when individual municipalities were seeking space it was duplicating ratepayers' expenses should the county enter into this type of advertising.

Weeds on public property was again given a blast when Mr. Currie argued the county had no right to enforce the by-law to the fullest extent when provincial highways and railroads did nothing to eliminate the weed conditions found there.

Accounts approved and ordered to be paid included: Finance committee, \$5,163.10; Halton Home for the Aged, building accounts, \$28,573.29; county buildings, \$127.99; printing and education, \$252.06; county roads, \$55,743.61; assessment \$24.48; agriculture and reforestation \$738.17; hospitals \$4,023.10.

Council adjourned to meet on October 9th.

IN 4241 B.C.

The earliest dated event in history is 4241 B.C., the year in which the Egyptian calendar was established.

## DEPARTMENT OF AGRICULTURE RELEASES DISTRICT FALL FAIR DATES

Dates of fairs have been announced by the Agricultural Societies Branch of the Department of Agriculture and those of nearby centres are as follows:

Aberfoyle—September 18, 19.  
Acton—September 21, 22.  
Arthur—September 25, 26.  
Barrie—September 24-26.  
Bolton—September 28, 29.  
Bracebridge—September 13-15.  
Brampton—October 4-6.  
Caledon—September 28, 29.  
Elmira—August 31-Sept. 3.  
Erin—October 6, 8.  
Fergus—Sept. 14, 15 or Sept. 21, 22.  
Georgetown—Sept. 14, 15.  
Hanover—Sept. 12, 13.  
Kincardine—September 13, 14.  
Leamington—September 24-29.  
Lindsay—September 18-22.  
London (Western Fair)—Sept. 10-15.  
Markham—October 4-6.  
Milton—September 28, 29.

New Hamburg—September 14, 15.  
Orangeville—September 18, 19.  
Palsley—September 10, 11.  
Peterborough—August 20-25.  
Richmond Hill—May 24.  
Ridgeway—August 21-23.  
Streetville—September 21, 22.  
Teeswater—October 2, 3.  
Waterdown—September 25, 26.  
Woodbridge—October 6, 8.  
Woodstock—August 23-25.  
The Royal Winter Fair, Toronto, will be held from November 15 to 21.

## LETTER PERFECT

Away from home on a visit, a woman kept receiving from her husband and daughters such bright accounts of their doings that she began to wonder if she were misled at all. Then a letter from her ten-year old son removed all doubt. "Dear Mom," he wrote, "This is the biggest house I ever saw since you went away."—The Reader's Digest.

## TAXES ON CARS

In addition to about \$340 federal taxes on a \$2,000 car, in some provinces Canadians pay provincial and municipal taxes.

## Bantams Take First Of Play-off Series

Acton Bantams came through with a win on Saturday in their best of three series with Clarkson, winning 10-7.

The second game was in Clarkson Wednesday and if necessary a third game will be played in Acton next Saturday.

Clarkson fought hard to stave off defeat but the pitching of John Cunningham was just too much.

Clarkson	AB	R	H	PO	A	E
Izatt, c	5	1	0	11	1	0
