Acton's Early Days

We are pleased to announce that we now have approximately 25 copies of Acton's Early Days available at a price of \$5.00 each.

This well-bound book of nearly 300 pages has not been available for the past five or six years. We were able, however, by reprinting some pages to make a limited number of copies of Acton's Recollections available and just received these copies from the book binders last Friday. Orders will be filled as received while the 25 copies last. When these are sold no more copies will be available and we have had these copies bound in an effort to meet the requests of those who were not able to secure copies previous-

Mail orders should be accompanied by cash or chaque. Mailing is included in the price. We suggest that, you place your order early to avoid disappointment. Copies make very fine gifts for Christmas or any other occasion.

Thanks a Lot...

For the splendid support accorded the Acton Rotary Club by the Business Men of Acton in the advertising and the citizens of Town and District for patronage in their first annual Peanut Day.

To Acton Citizens' Band who gave their services, the Planters Peanut Co. and everyone who contributed in any way to make this event the biggest financial success the club has had in years.

You were all wonderful and it was only through the co-operation of all that so much was done in so short a time to assist Acton and district Crippled Children. We will do our best to play our part in carrying on this work which secured such a fine boost.

Thank You Everyone
