Miss Louise Reith Speaks To W.M.S.
 Members of the missionary groups of the other churches in Acton were guests of the Senior Auxiliary W.M.S. of Knox Presbyterian Church on Thursday afternoon, October 11th, at the autumn Thankoffering meeting.
 The worship service of Thanksgiving was led by Mrs. F. S. Blow, assisted by Mrs. R. H. Armstrong and Mrs. F. Anderson.
 Mrs. John Davidson contributed a solo, with Miss Ethel Franklin at the console of the organ.
 Mrs. H. L. Bonnie, Life Member, ship secretary of the Auxiliary presented to Mrs. R. H. Armstrong, a W.M.S. Life Membership certificate a gift of Miss H. Wallace, who, in turn presented the accompanying pin, a gift of Miss M. Garvin.
 Mrs. A. J. Buchanan introduced the speaker, Miss Louise Reith of Toronto, Literature Secretary of the council executive. Miss Reith, in her address, followed the theme of "Thanksgiving" and paid tribute to many persons who had, through the year, in our own land, remained steadfast in the faith.
 The president of the Auxiliary, Mrs. H. Mainprize, presided.

SPORT NEWS
ACTON LOSES FIRST GAME BY 8-7
RETURN MATCH HERE SATURDAY

Acton Bantams lost the first game in the best of three final series with Simcoe Saturday in the Simcoe Waterworks Park. Simcoe scored the winning run in the last inning to earn an 8-7 victory in a hard fought nine innings of ball.
 Cunningham for Acton pitched good ball all the way for Acton allowing nine scattered hits. Eight errors for the Acton club cost most of the runs. King on the mound for Simcoe was a one man team for five innings claiming 13 strikeouts in that stretch. He weakened in the sixth when Acton scored three times and was pulled in the seventh after giving up another 3 runs. Pond and Cunningham were the top hitters each having three. These two evenly matched teams got together in Acton Park on Saturday, October 20 for the second game of the championship series.

Halton T.B. Ass'n. Endows New Ward

D. H. Stevens, chairman of the Halton Tuberculosis and Health Association, presented Dr. H. T. Ewart, Medical Superintendent of the Mountain Sanatorium, Hamilton, with a cheque for \$1,000 to endow a ward in the new Holbrook Pavilion in the name of the county association, at a meeting in Hawthorne Lodge on Monday of this week.

Dr. Ewart pointed out that the pavilion is modernly equipped and will accommodate 64 children with room on the second floor for 42 nurses. It is expected to officially open in November.

The Mountain Sanatorium is the largest institution of its kind in the British Empire, the doctor said, having accommodation for 750 patients. At present there are 14 patients from Halton County hospitalized there.

Various forms of educational programs are carried on by 13 full time teachers and 8 part-time. It is possible to secure your matriculation, university degrees, household economics, sewing, leather work, journalism, salesmanship, business courses or almost anything you might want. Dr. Ewart emphasized.

Dr. Ewart stressed that it would be impossible for the Sanatorium to carry on without the help of voluntary workers and urged the meeting to try to educate the public to this fact.

Dr. W. D. S. Jamieson of the Department of Health, Tuberculosis Division, also attended the meeting and gave details of the mass chest x-ray survey which is to be conducted in Halton County next year. It is planned to have the mobile unit visit both urban and rural areas in the county to give free x-rays. He said the public should be urged to have a yearly chest x-ray.

In spite of the fact there are fewer deaths now from TB, there are just as many active cases found of this infectious disease, as more cases were discovered in 1950 than there were in 1948.

Final plans were made for the Christmas Seal Campaign which opens in November. The funds from this campaign will be used to help defray expenses of the mass survey, for pre-employment x-rays and tuberculin testing of children and to purchase comforts for needy patients from the county. The doctor urged the people of Halton County to contribute to this worthy cause and thus take an active part in the voluntary effort.

Baptist Mission Fall Thankoffering

The Fall Thankoffering service of the Baptist Mission Circle was held Tuesday evening, October 16, with the president, Mrs. Stanley Cripps, in charge. A welcome was extended the ladies of Hillsburgh and Georgetown Circles and the Presbyterian and United Churches from town.

Mrs. Charles Landsborough led the devotional and Mrs. Gordon Mitchell read the scripture lesson. Mrs. D. Dunk and Mrs. J. Chapman led in prayer for Home and Foreign Missions.

Miss Shirley Thompson sang very beautifully "My Task" and "The Love of God" with Miss Ethel Franklin at the piano. Mrs. Loyal McCutcheon introduced the speaker, Miss Edith MacLean of McMaster University, Hamilton. She told in a most interesting way of her work on Summer Fields in the Cochrane area and of the very great need for Mission workers in that district. This area "is" being developed but the need for churches is very urgent. It seemed hard to realize that even in our own province there are so many children who have no opportunity for Christian teaching and who have never attended Sunday School. She urged our constant prayers and financial support for the work in bringing the gospel to the people so near at hand.

Mrs. Chapman thanked the speaker on behalf of the group. Mrs. McCutcheon closed the meeting with prayer. A delicious lunch was served and a pleasant time of fellowship enjoyed.

Wiener Roast By Knox Church Y.P.

A most enjoyable evening of fellowship, games and food was enjoyed by Knox Church Y.P.S. on October 16th at their fellowship meeting which was in the form of a wiener roast. After meeting at the church, all members proceeded to the farm of Mr. and Mrs. J. Moore of Speyside, where a brightly burning bonfire was waiting.

A Virginia Reel started off the evening and when everyone had some breath back, several games were enjoyed with some members nose-diving down the hillside. Mr. Moore produced a porcupine which he had shot and it was examined by the members, who had a lively respect for the sharpness of its quills. Hot dogs, coffee and apples were then served and a very noisy sing-song was enjoyed. The worship part of the meeting then began with Jane Elliott reading the scripture and James Grear led in prayer. All sang "Blest be the tie that binds" and the meeting was closed by repeating the Mizpah benediction.

Everton Group Guests At C.G.I.T.

On Monday evening, the C.G.I.T. group of the United Church entertained the ladies of the congregation in the Sunday School room. Miss Muriel Burns acted as chairman and welcomed the ladies. After a few opening remarks by Mrs. West, the leader, Ena Jennings took charge of the devotional period.

Betty Mae Lambert gave a reading "The Quest for Jewels", which was followed by a quartette of girls, Ena Jennings, Carol Fetterley, Nancy Lambert and Georgina Ploster, singing "My Mother's Old Bible". A group of girls from Everton were guests of the evening. Mrs. T. P. Smith, their leader, introduced them and Ilean Parker told of the club project work. Joy Smith described the projects on display and Jean Pettie read the Club Story from their record book. Mrs. Parker, a former C.G.I.T. leader, and Alice Fountain, were also present. From this Everton Institute Project Club, Joy Smith and Ilean Parker have been chosen to represent Wellington County on Friday afternoon at the O.A.C. at an Institute Project Rally.

Carol Fetterley gave us a humorous reading-entitled "C. G. I. T. helps me become a failure in typing", after which Elaine Hutnagel played a delightful piano solo. The whole C.G.I.T. group put on a stunt skit of "Scene in a school-room".

The most enjoyable part of the evening came when Miss Grindley showed her movie pictures of her trip to England, Scotland and Ireland. These were colorful, informative and most timely during this year of the Festival of Britain and the Royal Tour of Canada. After the movies, a hymn was sung, followed by the Benediction. A dainty lunch was served and a very enjoyable evening came to a close when the ladies were invited to inspect the handwork done by the Sunday School children during the summer months.

WARNING!

As a result of the fire caused by young children playing with matches in the lumber piles at Ajax Engineers, Notice is hereby given that all trespassers of the property of Ajax Engineers will be prosecuted according to law.

AJAX ENGINEERS

You are cordially invited to attend the

Anniversary Services Of Acton United Church

SUNDAY, OCTOBER 28th, 1951

Acton Jr. Farmers Plan Meetings

The Acton Junior Farmers held their regular meeting at R. L. Davidson's. There was a good attendance with the respective presidents in the chair.

The boys' meeting was opened by Mrs. W. H. Clayton, who presented a plan and mower for winter storage. The usual business was dealt with. The boys had a discussion on the different prices of grains. This had to be sent in.

The girls' meeting was highlighted by a talk on First Aid by Miss Emslie. She told of the treatment in case of scalds, burns, bruises and so forth. She was the guest speaker. Plans were drawn up for a sewing club with Mrs. Frank Brown as leader. They plan to hold these meetings at different homes throughout the season.

Plans were drawn up for a euchre and dance in October and November at the joint meeting and also the amateur entertainment in November. Ralph McKeown put on a comedy radio program with several taking part. Lunch was served and an enjoyable time spent.

PRESENTATIONS MADE TO MRS. CLAYTON BEFORE LEAVING FOR TORONTO

Mrs. W. H. Clayton, who is leaving Acton shortly to make her home in Toronto, was presented with a beautiful cup and saucer by the Altar Society of St. Joseph's Church on Sunday morning. The presentation was made in the hall following Mass. Mrs. Clayton, who has been an active member and worker in the society during her 15 years in Acton, will be greatly missed by the association. On Tuesday afternoon friends held a farewell tea at the home of Mrs. E. M. Schroeder and presented Mrs. Clayton with a Royal Doulton figure prior to her removal to Toronto.

\$1,000 CHEQUE was presented to Dr. H. T. Ewart at a meeting of the Halton County Tuberculosis and Health Association at Hawthorne Lodge on Monday evening. Chairman D. H. Stevens, Oakville, is seen handing the cheque to Dr. Ewart, Medical Superintendent of the Mountain Sanatorium. Mrs. M. E. Lunau, secretary, looks on. —Staff Photo

A FARM IMPROVEMENT LOAN FOR THE KITCHEN STOVE?

There's more to Farm Improvement loans than tractors or combine points out Gordon Oder, manager of the Bank of Montreal at Acton. They're designed to help the farmer—and his wife—make the best out of their home as well as their land. For you can get a Farm Improvement Loan to cover the installation of water and electric systems, to improve your plumbing and put in stoves, washing machines and heating or lighting appliances. Even the building of tourist cabins and summer cottages, which provide a farm family with valuable extra revenue during the vacation season, may be financed through an F.I.L. If you feel that a low-cost Farm Improvement Loan could benefit your farm, or better your living conditions, make a point of calling on Mr. Oder next time you're in town. Talk over your plans with him, in confidence, so that you can work out together how the B of M can best help you with financing your farm improvement.
