Halton Institutes Meet in Milton

The semi-annual meeting of the District Board of Halton Women's Institutes was held recently in St. Paul's Sunday School Room, Milton, with representatives from 15 branches and the executive present. Several matters of importance were dealt with, which included ways and means of financing the A.C.W.W. meeting in 1953 when the Ontario Women's Institutes will be hostess to these delegates from all over the world.

It was decided to set aside a fund that all branches wishing to contribute towards a gift for the new "Halton Home for the Aged" might pool this money and have it earmarked from the Halton Women's Institutes.

The 1952 District Annual is to be held in Knox Church, Acton, with Dublin W.I. as hostess Institute.

A very pleasant diversion from business was the presentation to Mrs. Clarke, formerly Miss Ruth Hunt, our Home Economist, of a large cake plate in the popular cornflower pattern from the Halton W.I.

All delegates were asked to take a full report of this meeting back to their branches, after which the meeting closed with the National Anthem, to meet again early in April.

Fashion Hint

What more delightful extravagance could a lady want! Long, long fur with the soft sweep of a Persian's tail, for Indian summer days. Well, it's only a fashion hint... and we certainly don't take all the hints we get.
