Adult Education Popular
 The Milton Community Night School opened on Tuesday evening last week with most of the classes filled to capacity. Altogether slightly over 450 students have registered. Approximately two thirds are rural and the balance from such urban centres as Milton, Acton, Burlington and Georgetown.

All class rooms at the Milton High School are being utilized, and in addition three rooms at the Milton Public School, one room in the Town Hall, the L.O.O.F. Hall, the hall in the Farmers' Building, and the Sunday School rooms at the United and Presbyterian Churches. The staff of twenty-five teachers were all on deck and the program outlined. While a few snags were apparent here and there on opening night, these have been ironed out, and everything now points to another very successful season for Halton's second effort in adult education in the form of a Community Night School.

Mastitis Control Program Planned
 An interesting experiment in Mastitis Control was undertaken this past year in the one Dairy Herd Improvement Group in Peel County. Samples of milk were drawn by the supervisor from each quarter of every cow in the Peel group. Such samples were then taken to the Ontario Veterinary College, where examination revealed that 18% of the quarters were infected with Mastitis.

Treatment was recommended and second examination made 6 months later reveals that the incidence of disease has been reduced to 5%. This pilot experiment has been so successful that there is a strong likelihood that the 78 dairymen enrolled in Halton's three Dairy Herd Improvement Groups are likely to have an opportunity to sign up for a similar type of program.

This program is somewhat similar to the service which Dr. Mitchell of the Halton Health Unit has been offering to Halton herds supplying milk to the urban centres of the County. As indicated in a previous issue, Halton herd owners who have availed themselves of Dr. Mitchell's services are highly delighted with the results secured.

The Old Law of Supply and Demand
 The Livestock and Meat Trade reported issued weekly by the Marketing Service of the Canada Department of Agriculture provides a fund of interesting information. To-night (Thursday, November 29) we took the trouble to summarize the weekly hog marketings for Canada from January 18th, 1951 to November 17th, 1951—the weekly Toronto price dressed weight for Grade A's and the hog marketings for the same periods a year ago.

With few exceptions the weekly hog marketings were lower for the first seven months of 1951 than they were a year ago. On July 28th this year we had marketed a total of 2,676,693 hogs in contrast to 2,805,520 for the same period in 1950, or a decline of 128,827 hogs marketed.

Since the end of July, however, the trend has been in the opposite direction and on November 17th

Knox Choir Holds Tea, Sale in Store
 Quite a number of ladies and even a few men patronized the successful tea and candy sale held in the newly remodelled home and store of Miss K. Rozzell on the afternoon and evening of Wednesday, November 28.

The event was sponsored by the choir of Knox Church, who provided a musical program for entertainment. Mrs. Alex Mann rendered several instrumental solos at the piano during the afternoon and at night recorded music was enjoyed between several vocal numbers.

Included among the various artists were the following, Mrs. H. L. Binnie, Mrs. Kirby, Williams, Mrs. Gordon Bowen, Mrs. John Davidson, Inez McLellan, Ken Mann, Crawford Douglas and Clarence Coles.

Mrs. Clarence Coles played a piano solo and Ted Hansen accompanied the vocalists. The program was arranged by Miss Isabel Anderson and during the evening, Inez McLellan, the president, was the master of ceremonies.

Mrs. Fred Anderson was in charge of the tea, assisted by Mrs. Herb Price, Mrs. Alex Mann, Mrs. Harry Qitberin, Mrs. Clarke Armstrong and Inez McLellan.

Mrs. John Davidson was responsible for the candy table and Ken Mann and Clarence Coles were her assistants.

CAR WASH-IN TUBES
 You can wash your car from a tube now, reports The Financial Post. Packaged in a two-inch tube is five cubic centigrams of concentrated liquid detergent, enough to wash your car three times, a U.S. company claims. Effective in soft or hard water, you squeeze tube contents into pail, fill with water under pressure and go to work. Product is said to give a self-drying, non-streaking, spotless wash, noninjurious to any car finish.

Back in 1765, when Canadian horses numbered 13,488, or one to every five inhabitants, Governor Vaudreuil became alarmed and said there were so many horses that young men were losing the art of walking.

Your vote and influence is respectfully solicited for
Alf. Fryer
 for Acton Council
 1952
 Voting Day December 10 - 9 a.m.-6 p.m.

If my two years on Council is valuable and I can be of further service to the ratepayers of Acton on the Municipal Council of 1952, your Vote and Influence will be appreciated for
Ray THOMPSON

a Little buys a Lot of telephone service

 It's one of today's best buys—growing in value all the time.
 For one thing—its cost hasn't gone up as much as most other things you buy. Your telephone is one item that takes less of your budget than it used to.
 Again—it's bigger value than ever because now you can talk to more people as you could ten years ago—and more families are getting telephones every day.
 In addition—we've been able to keep on steadily improving the quality of this traditionally friendly and helpful service.
 If you haven't yet got service—we want you to know we're working at it. You can be sure your place on the list is being protected and your telephone will be installed just as quickly as possible.

Actonites Inspect So-Ed at Hamilton

Special guests at one meeting in a series being held by the So-ed group of Hamilton Y.M.C.A. were several from the Acton Y.M.C.A. Last Thursday evening, November 29th, the group toured the crafts facilities of the city Y, which included classes in leather, art, photography, modern dancing and square dancing, participated in different discussion groups and then joined in the social part of the evening which comprised dancing and refreshments.

Other special guests were delegates from the Toronto West End Y and the St. Catharines Y. Those attending were Mel. Blaw, Carolyn Oakes, Betty Kirkness, Ken Adamson, Joan and Bob Rowles, Helen Somerville, Don Clayton, Shirley Fryer, Jackie Watkins and Mr. and Mrs. Cliff Sutton.
