

KEEP UP WITH THE TIMES

The news of vital interest to you. The pictures of people you know. This is the field in which only your home town paper specializes. It's the only paper that gives a darn about you and keeps up with the times locally.

DON'T GO AT IT BLINDFOLDED

When you bring your printing problem to our office you are dealing with people you know. The office has been in town serving the town and district for years. If your work isn't right we're here to stand behind it and help you. Serving the district for over 75 years.

# The FREE PRESS and You

WHAT A LIFT ...

Every week the home town paper carries news and pictures. It's your local Television Station at your own leisure in your own home. Your only investment is \$2.50 per year. Just the same as your radio license fee, no equipment to buy or maintain and your home town paper is the only station broadcasting from Acton. If you like it tell your friends or send gift subscriptions.
