Acton High School News

By Carolyn Oakes

Friday night at the Town Hall showed that by the great work of the Student Council the 'At Home' was a complete success. Their efforts were certainly not in vain for everyone in attendance seemed to enjoy every minute of it.

One thing the students noticed was that very few parents attended this very important event in the school year. I'm sure that with a little effort, a few more parents could attend the Annual At Home. Let's see more of you out next year.

A great deal of thanks goes to Audrey Wilkinson who was in charge of lunch and decoration. Yvonne Brunelle and Rod Forc'd did a fine job of supervising the cleaning up on Saturday morning. These people are just a few of the many who helped make the At Home a success.

This Friday the film Romeo and Juliet will be shown to the student body. This is an hour and a half movie and will be shown twice. As many of you know, last year Mr. Hansen showed Pride and Prejudice.

We are all looking forward to this break in school work on Friday morning which will be educational on the English Literature course.

Intended for last week

Last Friday night, grade 12 held a tobogganing party at the Three Sisters. Teachers and students had a wonderful time and then returned to Chris Lamb's for refreshments and dancing.

On Tuesday, Grade 13 held a surprise birthday party for Dorothy Worne. The refreshments consisted of doughnuts and pop.

Forum Discusses Credit, Production

Mr. and Mrs. Elmer Coxie entertained the members of the Farm Forum on Monday, January 7th. The discussion was "Should we increase production?" and was discussed by two groups.

At the last meeting, Mr. Coxie was chosen to read an article from a paper or magazine and then give a summary of it at the meeting. This proved to be very interesting.

On Wednesday afternoon, Mrs. Coxie opened her home again for the Busy Bee Institute meeting. The program convenor, Mrs. P. McLean, was sick and unable to give her paper on "Home Economics and Health", so each member contributed an item and a very interesting and helpful meeting resulted. It consisted of impromptu demonstrations, health hints and the following readings: "Budgeting the Budget", "Ode to a Nag", "First Aid Kit Handy", "Treasured Possessions" and "McPherson's Go to Town". The meeting closed with the singing of "When I Grow too Old to Dream" and the Lord's Prayer.

Mrs. Coxie served dainty refreshments at both meetings and a social half hour followed.

The W.M.S. and Ladies' Aid of Nassagaweya Presbyterian Church held their meetings last Thursday in the home of Mrs. W. Kennedy. A copper contest with the Guelph road as the dividing line will be contested for the next three months to raise money for the Ladies' Aid.

Reports were given at the W.M.S. meeting of the 38th annual meeting of the Presbyterian W.M.S. of Guelph Presbyterian of the Presbyterian Church. Mrs. M. Hetzel was the guest speaker and told of some of her experiences in Europe.

Mrs. Kennedy served a dainty lunch and a social hour brought the meetings to a close.

Mr. Grant McMillan met with a painful accident last week. He broke his left arm while working in the bush on his father's farm and has been confined to St. Joseph's Hospital in Hamilton.

Mrs. Stan Robinson, Mrs. J. Dredge, Mrs. M. Hetzel and Mrs. D. Henderson attended the 38th annual meeting of the Guelph Presbyterian W.M.S. of the Presbyterian Church held in Guelph last week.

The members of the Farm Forum gathered in the home of Mr. and Mrs. S. Robinson for their regular meetings. The discussion "Is there enough credit?" was discussed by the two groups present. After listening to the address of Prime Minister Winston Churchill, a short story on the finding of Noah's Ark and the man that found it was told by one of the members.

The playing of a few games of bingo and refreshments was the finish of a pleasant evening.

Here comes a laugh. Boom! It's "Here Comes the Groom".

ation and had mistaken the reading date. After consideration, it was decided to make a rebate of \$177, being half the difference in the readings. This factory peak had not affected the town peak and it was felt some consideration should be given to the industry.

A letter from the H.E.P.C. of Ontario stated that there was an accumulated deficit on street light operation of \$737.71 and a surplus of \$470.00 on waterworks operation at the end of last year. The total deficit of \$266.01 had been collected from the town.

A letter from the Department of Trade and Commerce was received. It stated there were 48 hydrant meters which should have been inspected last year. These are to be changed as soon as possible.

Notice was received of the annual hydro convention, which is being held in Toronto.

Superintendent Lambert was instructed to bill G. R. Muckart for supplies totalling \$14.27, which had been secured for installation in sewerage buildings.

It was decided to request the use of the snow blower on the spring lane, so the truck could be taken to the pump house.

Secretary J. McGeachie brought up the matter of securing a stamping machine for letters and also suggested the moving of the office toilet to the basement. These matters will be considered at a later meeting.

Secretary J. McGeachie reported that the P.U.C. had been successful in a court case in collecting for a broken hydrant on Guelph Street. This hydrant had been broken last year.

Superintendent Lambert was instructed to procure prices on the cost of sewer rods for the cleaning of trunk lines. Approximately 600 feet of these will be necessary to reach from manhole to manhole.

"Tommy" NICOL for MAYOR

I solicit your vote on Monday next. "Nicol for Mayor" should be your text. Be sure to make a special note. And exercise your right to vote.

A Mayor or Reeve I've never been. But council problems I have seen. I'll co-operate with all the rest. And promise to do my level best.

Vote as you wish, but vote.
May the best man win.

Yours truly,
"TOMMY" NICOL

I Appreciate

The kindness and interest that has prompted friends and citizens to urge that I again contest the Mayorality of Acton. I have lived in Acton nearly all my life—it's my home town—and any service I can contribute to its progress and development, I consider a privilege to undertake.

If you, the citizens of Acton, would like to have me represent you as Mayor I will feel honored to comply with your request and give my best attention and service in the interest of the town as a whole. If you decide otherwise I will be glad to do my best as a private citizen to maintain and advance the name and fame of the Town of Acton.

Your vote and influence will be appreciated.

E. Tyler
