BLACKENED DEBRIS is all that remains of the trailer in which William Ferrier lost his life in Milton Monday night during sub-zero weather. The trailer was parked on C.P.R. property in Milton. Firemen were unable to rescue Bill because of the intense flames that enveloped the frame structure. A great bushman, he had been with the C.P.R. as a section hand for about four years. Cause of the fire is thought to be an over-heated stove in the small trailer. -Staff Photo
