Respected Citizen, Mrs. Sinclair Dies

A wave of sadness swept over this community on Sunday when a well-known and highly respected resident, in the person of Edith Ince Sinclair, beloved wife of the late D. J. Sinclair, passed away suddenly at her home on Sunday, June 8, in her 61st year.

Mrs. Sinclair was born at Carleton Place, the daughter of the late John W. Burt and Janet McKinnon. She was united in marriage to David John Sinclair 32 years ago.

The late Mrs. Sinclair was a faithful member of Ballinafad United Church, was a kind and loving mother and a good neighbor who will be missed by all who knew her.

The funeral was held from her late residence, lot 2, concession 8, Erin Township, on Wednesday, June 4. Her pastor, Mr. Wm. A. Gibb, assisted by Rev. A. O. W. Foreman, conducted a short service at the home, followed by a service at the church. During the service a duet "Home Sweet Home" was rendered by Mrs. Stanley Sinclair and Mrs. Norman Sinclair. Interment was in Erin Cemetery. Her husband predeceased her five years ago.

She leaves to mourn her loss, a son, Ernest, a daughter, Jean; also two sisters and four brothers, Mrs. D. F. Sovereign (Annie) and Mrs. Peter Cole (Minnie), both of Burlington; Laurence and Clifford Burt of Georgetown; Chester and Goldwin Burt of Hillsburgh.

The pallbearers were: Edgar Bingham, Norman McLaughlin, Hugh Reid, Earl Sovereign, Lloyd Burt and Wilfred Burt.

Among the floral tributes was a pillow from the family; wreaths, sprays and baskets from the following: Mr. and Mrs. D. F. Sovereign and family; Mr. and Mrs. Peter Cole and Alice; Mr. and Mrs. Laurence Burt and family; Mr. and Mrs. Clifford Burt and Bert; Mr. Goldwin Burt; Bingham family; Reid family; Mr. and Mrs. Elmer McEwen; Mr. and Mrs. Henry Isley; Mr. and Mrs. George Edwards; Mr. and Mrs. Archie McEwen and family; Mr. and Mrs. Archie Lawr; Lorraine Mullin; Elenda Britton; Olive Musselle; Bob McGill; Dr. and Mrs. Clifford Reid; Miss Ada Crampton; Mission Circle; Neighbors; Junior Farmers and Junior Institute; Ballinafad Hockey Club.

The flower bearers were Dorothy Warne, Wilma Kirkwood, Mildred Parkinson, Smith R. Griffin, Merwin Hillard, Bob McGill, Grant Wright, A. D. McEwen, Lloyd Marshall, Henry Hills.

The beautiful floral tributes and the circle of friends who gathered at the funeral bore testimony to the high esteem in which Mrs. Sinclair was held.

The sympathy of the community goes out to the family and relatives.

MINING BOOM

Largely as a result of the uranium boom in the Athabaska area, Saskatchewan established new records in both claim staking and mining licenses last year, reports The Financial Post.

A total of 2,000 claims were staked in Saskatchewan's northlands in 1951 which was almost double the previous record of 1,100 set during the calendar year 1936 when the Athabaska gold rush was under way.

Township Assists With Cemeteries

Erin Township Council met at Hillsburgh, June 2, with all members present and Reeve Albert Wheeler presiding.

Council placed an order for Weed Spray for 50 miles of road and a rush spray for 5 miles with the Canadian Industries Ltd and an order for Weed Spray for 50 miles of road with the Green Cross Company.

A resolution was passed that "Whereas the Treasurer has received a grant of \$100.00 from Wellington County for the purpose of cleaning up and beautifying the Ballinafad Cemetery, that the Township donate an equal amount and the Treasurer be authorized to pay the said grants to the Trustees of the cemetery with the understanding that the Trustees keep the cemetery in repair in the future."

Council decided the Township would co-operate with the County in the repairing and cleaning up of the McMillan Cemetery Lot 17, 9th Line, provided those interested co-operate. Goldwin Burt was appointed to supervise the work.

Erin Agricultural Society was given a grant of \$250.00 and Acton Agricultural Society \$25.00 for the year 1952.

SUNDAY, JUNE 15th

Only old-time golfers still call a golf course a "links." A links, or linksland, is a stretch of sandy soil deposited by the ocean. The word's origin, as applied to golf, is St. Andrews' Old Course, shrine of the game. St. Andrews is not a made course. It was always there—on the natural linksland that fringes the Scottish coast.

Something New in Batteries

THE IONITE

IONITE BATTERIES are different. Basically different. The difference is in the electrolyte—the liquid solution that activates the battery. Conventional batteries employ a water solution of sulphuric acid.

IONITE BATTERIES employ a water solution of Ionite—a patented blending of a number of rare minerals possessing, in themselves, remarkable ionization properties. In Ionite batteries only a very small amount of sulphuric acid is added, for its non-freezing properties.

IONITE BATTERIES are expertly, sturdily built. Plates, separators, cases—everything that goes into your battery is the very best. Good construction—plus Ionite—guarantees you a quality and length of service such as you have never before believed possible.
