 IN REVIEW

MY COUSIN RACHAEL
 by Daphne du Maurier

This reviewer read My Cousin Rachael four days ago and is still puzzling out what happened! But don't let that deter anyone from reading this amazing book whose mysteries are a prime part of its strong attraction.

Many will remember seeing the moving picture "Rebecca" or reading that book by Miss Du Maurier. Rachael is the same type of almost filmy woman—present very, very much were in essence rather physical appearance. We have no idea what Rachael looked like, other than that she was small — and powerful.

Never underestimate the power of a woman, they say... Rachael proves it.

This is not just a story of a woman; it's not her story, but in the first person singular of a young English landowner. His attitude, and the fact that the book is now kind of mystery story—or old, perhaps; at least, different!—will assure that this book will appeal to male readers as well.

Rachael is certainly a fascinating character. But certainly in that essence. She's one man's will stay up late to read about, and not forget for quite a while.

And this appreciation of Rachael is all of course, an appreciation of Daphne du Maurier's brilliant skill.

Beyond a doubt confusing the whole review for prospective readers, we wonder if perhaps Rachael was quite ordinary, and all her innuendoes really belong to the English landowner who falls in love with her... there can be no conclusion.

Radio Personality Aids Dairy Farmers

Don Fairbairn, well known radio personality on Canadian networks, has joined the Farmers of Canada as executive assistant to Publicity Director O. J. W. Shugg. Formerly radio director of E. W. Reynolds Ltd., Advertising, Mr. Fairbairn brings to his new post a wide experience in both the fields of agriculture and publicity.

Born and raised on the home farm in the Niagara Peninsula, he attended Beamsville High School, Hamilton Normal and the Ontario Agricultural College before entering the field of radio as a farm commentator, writer and producer in 1935. In 1939 he joined the CBC Farm Broadcast Department as the first commentator, hired by the first supervisor of that department, O. J. W. Shugg. Thirteen years later, the two men again find themselves closely associated.

Don Fairbairn served with the RCAF in both Canada and Europe, first as a radar mechanic and later as a public relations officer. On his return to Canada, he was producer in charge of rehabilitation programs for the CFB and then sales representative in Commercial Division before resigning in 1947 to resume a microphone career as writer and commentator.

When Andy Clark, the originator of Neighbourly News died in 1948, Mr. Fairbairn succeeded him and is now Sunday morning visitor in thousands of Ontario and Quebec homes. He also directs Dairy Farmers of Canada, "Down Dairy Lane," heard every Thursday on the radio.

WHEN DID YOU LAST THINK ABOUT A LOAN FOR FARM IMPROVEMENT?

During the past few years thousands of farmers across Canada have made good use of Farm Improvement Loans. They have increased both the value of their farms and their own incomes. Probably there have been times when you thought about applying for such a loan yourself. But when did you last check up on the idea? Conditions and your prospects may have changed since then.

The majority of Farm Improvement Loans have been made to help farmers buy machinery of one kind or another. But there are many other good purposes for a loan, such as the improvement of farm houses and outbuildings, or the installation of electricity, drainage and water systems. Again, these loans can cover the purchase of livestock and the planting of fruit trees.

The cost of a Farm Improvement Loan is reasonable too—5 per cent a year—and it is repaid in instalments especially suited to the seasonal nature of your income as a farmer.

Why not think the idea over again, now? Then, if you feel there is something in the FIL plan for you, drop into the Acton branch of the Bank of Montreal and have a word with Gordon Oder, the manager. You'll find him very helpful.

The Canadian Pacific Railway covers some 17,000 miles, compared with 13,100 for the Atchafalaya, Tappan and Santa Fe, biggest American carrier.

BELFOUNTAIN HOME OF COUPLE MARRIED RECENTLY IN ORTON

St. John's United Church, Orton, was lovely with colorful arrangements of mauve and white lilies, tulips and spiraea for the wedding Saturday afternoon of Florence Jeanne McEachern, daughter of the late Mr. and Mrs. John McEachern, Orton and George Alexander Wilson, son of Mr. and Mrs. Fred Wilson, Erin. Rev. Eric Currie solemnized the four o'clock ceremony assisted by O.A.C. Padre W. A. Young.

Given in marriage by Mr. Elias Cheyne, the bride wore a white lace over slipper satin gown which extended into a short train. A feather headpiece held her veil of tulle illusion trimmed with satin bows.

The maid of honor, Miss Doris Bruce, and the bridesmaids, Miss Mary Wilson, sister of the groom and Mrs. Harry McMillan were in identical gowns of white lace over mauve taffeta. They wore matching bonnets and carried cascades of orchid carnations.

As flower girl, little Olive Plummer wore a white lace over mauve taffeta frock, a miniature of the other attendants' gowns. She carried a basket of mauve sweet peas.

Fred Wilson performed the duties of best man for his brother and the ushers were the bride's brother, Jack McEachern of Orton and Harry McMillan of Belfountain. Miss Marguerite Thompson played the wedding music and William Courtney was soloist.

A reception for 125 guests followed in Atson Hall, decorated for the occasion with mauve and white streamers, lilies and white bells. wearing a rose crepe trimmed with lilies gown and corsage of white gardenias. The groom's mother assisted in a blue sheer gown with a corsage of yellow roses.

Eight friends of the bride, Misses Helen and Jean Collier, Dianne and Marilyn Churcher, Ruth and Beth Marshall, Shirley Barrett and Marion Akeas, served the dinner.

Before leaving on a wedding trip north, the bride donned a navy blue ensemble trimmed with white and white gardenia corsage. On their return, Mr. and Mrs. Wilson will live on the groom's farm at Belfountain.

Poet's Corner

There once was a meek Poet's Corner That for lack of more verse was a mourner. She cried, and she called on All rhymers in Halton To send in their lines and not scorn her!

Urging Extra Care ON THE WEEK-END!

Holiday week-ends are periods of extra hazard and added congestion on the highway. These conditions will continue to result in accidents unless offset by patience, forethought and alertness on the part of all highway users.

Thousands of visiting tourists and children on vacation add to already crowded highways. The need for extra care is obvious. A traffic death is a needless death.

You risk your life when you drive too fast for conditions—fail to stay in your own traffic lane—or fail to obey signs and regulations designed for your protection—or, when on foot, you fail to take necessary precautions.

Enjoy your week-end. Make it safe—one you will remember, happily.
