

### Improve Lighting, Vision At Crossing

Road improvements have been made at the Mill St. railway crossing as well as lighting improvements. On recommendation of the Board of Transport Commissioners two trees have been removed from in front of the Dumarch house and one hydro pole removed to give clear vision of the flasher signal that must be moved in to avoid being hit by trucks.

Lighting improvements have been made with the installation of two 300 watt lights in overhead brackets similar to those in down town sections. One has been installed on each side of the tracks and should give ample light for pedestrians.

The trees were removed on Tuesday of this week and traffic was re-routed down Fellows St. and Guelph St. to Church St.

### LIMEHOUSE W.I. Class Meet To Honor Instructress

The W. I. amock class presented Mrs. Horace Bell, their instructress, with a compact when they gathered at the home of Mrs. F. Geary on Monday.

Mr. and Mrs. Thomas Sutton and Tommie are holidaying at Wilcox Lake.

Mr. and Mrs. S. Glaby visited Mrs. Judge in Toronto on Sunday. Mr. and Mrs. Ted Brown and family visited the Bloor's at Malton on Sunday.

Recent visitors: Mr. and Mrs. Goldthorpe and family of Tillsonburg with the E. Clarke's.

Mr. and Mrs. Earl Terry of Brampton, Mr. and Mrs. de Charia of Malton, with the F. T. C. Brown's.

Mr. and Mrs. E. J. Sneath and Mrs. Gros of Toronto with the W. Mitchell's.

Mr. and Mrs. Lowden and family of Windsor with Miss Ivens.

Mrs. Wm. Hall and family spent a week at the Hall cottage here recently.

At a lawn euchre and tea sponsored by the W. A. recently at the home of Miss Ivens on Thursday, prize winners were Mrs. D. Livingston and Miss Elizabeth Leslie. Consolation went to Mrs. Wm. Gordon and Mrs. H. Bailey.

Mr. and Mrs. Ted Morrow and Elane visited with Mrs. Lane and the H. Norton's on Sunday, Elane remaining for her holidays.

## B-Hives Retain Lead Scalp Iroquois, Mohawks

Misning seven key players, out with injuries and on vacation, Acton B-Hives nevertheless were too much for Oshweken Iroquois here Tuesday night as they poured in the goals to win by an overwhelming 16-3 score. It was the B-Hives' eleventh win against one loss and firmly enounced them in first place in the league.

It was strictly no contest after the first quarter when the fast moving B-Hives threw seven past Indian net minder Thomas, who was having a sad night. The Oshweken war-party failed to get one until the second quarter and then it came on a long screened shot.

Ahead 14-1 going into the final chapter, Milt Burrows replaced Norm Young, regular netminder for the B-Hives, with George Beatty. George had 10 shots on him in that canto and stopped eight. The two he missed his mates readily matched.

Joe Gearrie and Junior Beaumont were the top triggermen for the B-Hives, Joe with four goals and three assists and Junior tallying four and earning brackets on two. Zeke McCandless, Walt Alexander and Bob Wilson were two goal men while Paul Landoni and Johnny Halnes potted singletons.

For Oshweken, Thomas connected twice with Crawford sniping the other goal. They had a bad night at the hands of Norm Young, who stymied their best efforts with a neat chore in the nets. He robbed them on two or three occasions when they had men right on his doorstep.

Before the game B-Hive officials were a little alarmed at the prospect of facing the Indians, who have been playing a fast, open brand of lacrosse, with only a small turn-out of players. However, it appears the Iroquois were a little in awe of the B-Hives and their impressive win string, and made only token efforts at breaking up the fast passing Acton offensive which went into high gear from the first whistle.

By the same token the B-Hives must have been reading their own press clippings because they shone like burnished brass in the first half. In the last half the pace slowed down considerably but still Acton dominated the play.

In comparison with other games played here recently, rough stuff was toned down. Only eight penalties were handed out and referees Lou Vipond and Jim Williams, of Mimico, were on top of every play, in marked contrast to the refereeing in evidence here lately. Two fights went into the record books with no decision as first Larry Taillefer and then Zeke McCandless paired off with Jacobs in fist swinging bouts which were speedily brought under control.

No game here this Saturday but Streetsville Thistles are the visitors here on Tuesday night. The Thistles are improving every time out. Last week the strong Burlington Braves just managed to shade the Thistles 7-6 in a rugged encounter.

### POUNGING THE SPORTS BEAT

Eisen's, the Acton entry in the Bramosa District Softball League, have really been enjoying a good season in that circuit. They are nestled close to the top of the loop, second only to O.A.C. Haymakers, and advance into the O.A.S.A. play-downs in the quest of the Intermediate crown.

Although there has been no information from the O.A.S.A. as to who Eisen's will meet in the provincial playdowns, the club feels it may be Heapeier. Heapeier usually does best last year but this year's team is much stronger, especially in the hitting department, where they were anemic last year.

The club has ten wins on the credit side of the ledger against three diminutive losses. Tonight in the local ball yard they have a good chance of adding to the win column when they meet Eden Mills in the final game of the schedule. Crowds have been good for most of the home games but it hasn't stopped the club from running deep in the red financially. Since only a collection is taken up, proceeds haven't been sufficient to take care of mounting expenses.

Still the club isn't going to charge admission to their games at least while they are in league competition. Certainly Eisen's has supplied some of the best softball seen in this town in years and they deserve more consideration from the fans. You can show your support by attending tonight's game with Eden Mills and when they pass the chapeau, don't ignore it.

Old A. Vengeance is just as human as the next guy and he feels the heat just as much, with its accompanying lassitude making him prone to the disease that afflicts most people these days — laziness. The weather is conducive to colds, too, we might mention in the interests of the pill peddling firms. The cold, in case you haven't read about it lately, has been plaguing mankind for two thousand years. Still no cure? Some people recommend you go home, stay in bed for a fortnight and you're sure to be cured but others scoff at this and say the only thing to do is go home and stay in bed for two weeks.

Personally, we prefer the advice of the wag who wants to know why all the fuss about the common cold. Pooh! says he. Anyone afflicted with a cold should go home immediately, step into the refrigerator and stay put until he catches pneumonia. They can cure pneumonia!

One of the coolest spots in town during the heat wave was on the banks of Fairy Lake. Water is high this year, the boats many. Crafts of every description are skimming the water, a good many of them occupied by fishermen from out of town. They come from every direction to pull in the fish, especially the bass which make a delightful aroma in the frying pan.

Injuries have been hampering the lacrosse B-Hives from fielding a complete team in their recent games but it hasn't had any effect on the scores. The B-Hives are still the class of the league, second to none. Tuesday they scalped Oshweken Iroquois 16-3 in spite of being seven men short for their eleventh win. The only loss has been to Dundas, who caught the locals on an "off" night.

On the injury list are Tom Howell and Doug Townsend. Arnie Hazel was just released from the hospital after spending a week convalescing from an eye injury that hemorrhaged. Other members of the team are also on the injury list but they haven't been serious enough to keep them off the active list.

Ron Landoni, the Fergus boy who proved to be quite a marksman with the B-Hives has been snatched by Fergus Thistles of the Senior O.L.A. Landoni scored four goals in his first appearance as a B-Hive and did well for himself in the scoring in subsequent games. Wasn't long until the Thistles approached him with pepsodent smiles and lured him back to Fergus—for a price, of course.

The Landoni in uniform Tuesday was Paul, a brother to Ron. We would advise officials to keep an eye on Joe Gearrie for judging by his recent performance it won't be long until the tall-end Fergus club is beckoning him back. And there's not much you can do when a player decides to go up a bracket.

The Dublin Women's Institute held its regular monthly meeting on Thursday at the home of Mrs. Willard Britton with a good attendance.

The roll call was answered by "A way in, which health radiates charm." Miss Flora Moffat, R.N. of Bella Bella, B.C. was a guest and spoke very interestingly of her work among the Indians there.

Miss Eleada Britton, who is taking the Household Economics course in Toronto gave a talk on Nutrition and Household crafts.

A demonstration of leatherwork was also given which completed a very interesting and instructive afternoon.

A lovely lunch was served by Mrs. Britton assisted by Mrs. Pearl Kennedy and Mrs. C. McIntyre.

### EXECUTORS' CLEARING AUCTION SALE

The undersigned has received instructions from the executors of the estate of the late EMERSON GROSHAW

To sell by auction at the farm lot 29, con. 9, Township of Puslinch, situated on the county road, 1 1/2 miles east of Morriston, on

TUESDAY, JULY 29th, 1952 Commencing at 1 o'clock sharp, the following:

COWS—Shorthorn Cow, milking well, bred March 21; Shorthorn cow, milking well, bred June 20; Shorthorn heifer, milking well; Shorthorn cow, milking well, bred in April; Shorthorn cow, milking well, bred in April; Registered Guernsey heifer, born July 15, '51; Grade Guernsey heifer, ready to breed; Shorthorn heifer, 7 months old; young Shorthorn calf; black heifer, 16 months.

PIGS—York sow, bred in April; 2 young York sows, bred in April; 2 young about 9 months old; about 170 lbs.; Berk sow, ready to breed.

### Girls' Ball Team Play-off Bound

The Acton girls' softball team lost to the Brampton girls on Monday night to the tune of 6-2.

In the first two neither team scored but in the third Brampton scored two runs, one in the fourth and one in the fifth. Acton went scoreless until the seventh when two runs came in. Brampton girls scored twice in the ninth, making the final score 6-2.

The first game of the play-offs is on Monday in Acton park. This is a two out of three series for the Central Ontario Intermediate "C" Ladies' Softball championship.

Do your medium-sized jars and bottles get lost and scattered on your pantry shelf? Punch or drill a hole in the centre of a round tin cookie or candy-box top. Place a thin washer beneath the hole, run a screw through the hole and washer and screw into the shelf. You have a dandy turntable to hold these elusive small items. On these hot summer days drop in for a cool refreshing drink. Heading for the holiday? Stock up on all your needs before you go. We have a good selection of bathing caps, hot weather colognes, sun glasses, sun tan lotions, creams, first aid kits, and all the other essentials.

—of—  
ACTON PEOPLE AND ACTON PLACES THROUGH MANY YEARS  
About 100 years ago when the Grand Trunk line was being constructed through Acton, the station yards for Acton were laid out. The station was planted about midway between Mill and Queen Streets. At the east end were cattle yards and oil sheds and tool house and freight shed, with no passageway to the station except on the railway track itself.  
At the west end there was the big woodshed, with a capacity for three or four thousand cords of wood, with woodracks beside the track, and between them and the track lines the semaphore lines were stretched.  
Then to make matters more inconvenient the water tank was located near Mill St. In the winter there was a glare of ice for ten feet around. Later the tank was moved in to the end of the platform. When the present station supplanted the old shack a fine new tank was constructed. It has since passed away, too.
