CARDS OF THANKS

Ernie Lawson would like to thank all his friends and neighbors for remembering him while in Guelph General Hospital.

Mrs. John Black Sr. would like to thank her friends and neighbors for cards and boxes of fruit sent to her while in St. Joseph's Hospital, Guelph. This kindness was indeed appreciated.

The family of the late John J. Henderson sincerely appreciate the kindness and helpfulness which was shown during his illness, and floral tributes and expressions of sympathy that were shown in so many ways at the time of the passing of a beloved father.

I would like to express my sincere thanks for the many kind acts shown to me before going to the hospital, during my stay there, and since returning home. The lovely cards, fruit and flowers and enquiries brought cheer and were greatly appreciated and will always be remembered.

Mrs. S. Cordner

Q Is 20 years a long time?

A It depends on your age.

A man of forty can look forward to many interesting years and in 20 years can build up, within his present means, an income to help him enjoy his later years. At the same time he can provide for the welfare of his family should the unexpected happen to him. Let our representatives show you how a Mutual Life of Canada policy combines the best features of savings, investment and a pension plan at a modest outlay.
