HEY THERE MILT! — WHAZA MATTER WITH THE B-HIVES IN THIS SAW-OFF?

With Burlington Braves getting a sparkling performance from Jacobs, the Indian vettinger slashed from the Oshweken wigwam early in the season, Acton B-Hives had no trouble going down to their third defeat of the current round robin boxla series on Tuesday night. The Braves shaded Acton 9-8 for their third win against two defeats and a result must be nestling close to league leading Dundas in the standing.

The loss plummeted Acton down to last place in the four team series with a one-win, three losses record. Two games remain to be played for the B-Hives, however, both of them at home, and they have a chance of finishing near the top if they come through with much needed victories.

Closest game is with Streetsville here Saturday, the Thistles having won one more than Acton. Streetsville started this series off with a two game winning streak at the expense of Acton and Dundas but have fallen off in the latter stages, dropping two to Burlington and another to Dundas.

Tuesday night Dundas invades the local arena for the final game of the round robin. In their previous meeting last Thursday the Hornets had more sting than the honeyemen and they won an 11-7 decision in the valley town.

Braves New "Hot"
Burlington had no easy mark subduing the B-Hives Tuesday and they went on record as saying it was the fine goal tending of Jacobs that enabled them to win. In a game that was nip and tuck the Indian stopped shots that were labeled especially in the last two minutes of the game when Acton put in their bid for the tying goal.

The B-Hives were minus Krapek, Louth, Cleave and Alexander, detained somewhere along the road with car trouble. In their absence, Quinn, a new face from Fergus, pulled up the slack with two goals. He was top man on the totem pole for Acton with Beaumont also putting two. Gerrie, Landoni, Townsend and Howell scored singletons to complete the scoring.

Score was 2-1 for Acton at the end of the first quarter, 4-3 at the end of the first half in Acton's favor. Burlington scored four in the third quarter to two for Acton, going ahead 7-6 and both teams divided four goals in the last period.

For Burlington Evans, Taylor and Dunnett shared the spotlight sniping two goals apiece in what the Burlington Gazette calls a game that was "productive of excellent lacrosse" with a couple of fights thrown in for good measure.

Bantams Play
As a prelude to Tuesday's game, Acton and Burlington Bantams played an exhibition game which resulted in a 3-0 win for Burlington. It was only the second game the Acton kids have played, their first was

here last Friday night when they lost to the same team 9-4. Tom Oakley collected three goals for Acton Friday, Bill Skilling getting the other.

If a team is lined up for opposition by Saturday, the Bantams will play an exhibition before the intermediate game Saturday evening.

ROCKWOOD

Clean, Repaint At School For Opening

School reopened Tuesday. During the holiday season, the local school underwent a general clean-up and repainting both inside and out, thus presenting an improved appearance.

Word has been received of the passing of Mrs. Lorne Walker at Winnipeg last week. The late Mrs. Walker was the former Fanny Lee of Rockwood, whose parents were Mr. and Mrs. Patrick Lee and kept a hotel where Mr. Allan Jackson is now carrying on the barber shop business. Mrs. Walker is the last of the family to pass away. Besides her parents, two brothers, Frank and Herbert, preceded her. In-terment took place Monday morning in St. Joseph's Cemetery, Guelph, on arrival of the morning train from Toronto.

Last Friday evening, under the auspices of St. John's Church, Mr. Dave D. Gray showed a number of films in the Parish Hall in connection with his trip in company with Mrs. Gray out west in July. Some interest was manifest when former young people were seen on the screen, including Rev. and Mrs. Charles Green, their colony, Sask., as well as Miss Victoria Walker, who went with Mr. and Mrs. Gray.

Another well-known person recognized on the screen was Mr. John Garstang of the North West and platform in his uniform. Other interesting features were the Stamped scenes, all well derricks, as well as big tanks, along with scenery of the Rocky Mountains. Long trains entering the tunnels and geysers in Yellowstone National Park.

Between films, four young girls presented brief choruses, as well as piano selections by Patsy and Mary Lloyd.

Sunday morning at St. John's Church, flowers were on the altar and platform in memory of Mrs. Harry Ware, who died in a fatal accident a year ago.

At the United Church Sunday morning, Rev. James Neave conducted the service. Neil and Norman Lambert contributed a duet.

Rev. J. W. and Mrs. Oliver returned home from the week-end from their vacation.

Master Tommy Winlow returned home Saturday evening from his holiday at the Pacific Coast.

Mr. and Mrs. Frank Kelso and family returned home Sunday evening from their trip to Coverdale, N.B.

Mrs. Arnold Maw and little daughter, who spent some time in town went back home with them.

Congratulations to Mr. and Mrs. Harvey Shultz (nee Reba McNabb) and children in their wedding Saturday afternoon in Guelph. Ladies of the Presbyterian Church here provided a supper in the basement of the church. The bride was the recipient of many handsome presents prior to the wedding.

Mr. and Mrs. John Garstang of Saskatchewan were recent visitors with the former's mother, Mrs. Thomas Garstang.

Labor Day passed quietly here. Recent and week-end visitors in town:

Mr. and Mrs. August Young of Guelph.

Mr. and Mrs. Roy Kirvan and baby of Guelph.

Miss Frances Jolliffe, R.N., Welland.

Mrs. H. Edmondson of Hamilton, Miss Bessie Gardiner, who also spent a holiday in the west and part of the western states, in town before returning to her school in Norwich district.

Mr. and Mrs. S. W. Burgess of Courtice spent a few days with Mr. and Mrs. Burgess, also with Mr. and Mrs. Robert Leslie and family.

BRIDE HONORED AT SHOWERS PRIOR TO WEDDING SATURDAY

Several showers and a presentation were held last month for the former June Brown, who last Saturday was married to David Drysdale in Acton United Church.

Friends gathered on Tuesday, August 5 at the home of Mrs. Vic Patrick for a miscellaneous shower. About 25 ladies enjoyed games, and refreshments which included a specially decorated bride's cake.

On Thursday, August 14, about 25 friends and neighbors met at the home of Mrs. J. Drysdale for a surprise shower. Bingo was played, and then the miscellaneous gifts presented. Refreshments ended the evening.

Mrs. Ken Ingles and Mrs. Bob Rowles were joint hostesses at a miscellaneous shower held at the home of Mrs. Ingles on August 19. Games were played and refreshments enjoyed.

A table lamp was presented to the bride-to-be by the employees of the bride-to-be by employees of Force Electric on Wednesday, August 27.
