CLEARING A JUMP at the Brampton fair is Miss Jill Frame mounted on Norabel, one of the Glenspey Farm horses. Glenspey Farm is located on No. 25 highway south of Speyside. Miss Frame is competing in a hunter competition in this picture. The Glenspey stable of 3 horses now has 125 ribbons to its credit with 31 being won this year.

RIBBONS TOTAL 125 IN GLENSPEY STABLE STARTED THREE YEARS AGO

Glenspey Farms, with a stable on No. 25 highway of about 13 horses, now has 125 ribbons to its credit from the many competitions entered including the Royal Winter Fair and London Fair, since the stable was begun three years ago.

Of the 125 ribbons, 31 were won this year under the guidance of the trainer and Miss Jill Frame as one of the riders. Several of the horses have a long list of wins to their credit. Harman Boy, a thoroughbred yearling, won second in Aurora and in Galt in the yearling hunter class; second at the C.N.E. first at London as a thoroughbred yearling and first as a registered Canadian hunter; and first at Brampton as a thoroughbred yearling.

Barpin was first at the C.N.E. in the registered Canadian hunter class and champion of all the others in that division. First at London in the half bred three year hunter class, champion of half bred first in the registered Canadian hunter class and champion of the registered Canadian hunter division, were scored by this Glenspey horse.

Starlight, in the hunter classes, won a first and a third at Weston, fourth at Stouffville and third at the C.N.E.

Glenspey entries won five firsts and two hunter championships at the London fair this year. Barpin, a lovely looking horse considered a leading contender, is entered in this year's competition for the Governor General's class at the Royal Winter fair. In last year's competition, Susan's Filly, another Glenspey horse, came second. Hopes are high for this year's competition in the class that is regarded as one of the top. Barpin has never yet been beaten in competition, always bringing home a first prize ribbon.

JOKE

The old engineer pulled his pet engine up to the water tank and briefed the new fireman. The fireman got up on the tender and brought down the spout all right, but somehow his foot got caught in the chain and he stepped right into the tank.

As he floundered around in the tank, the engineer regarded him with a jaundiced eye.

"Just fill the tank with water, Sonny," he drawled. "No need to stamp the stuff down."

CAMPBELLVILLE

Calgary Stampede Described to W.I.

Miss Jane Reid was hostess to the October meeting of the Campbellville Women's Institute on Wednesday afternoon with Mrs. George Inglis in the chair and opened with a poem, "The Way of Nature."

Thirty ladies answered the roll call, "a suggestion for a community activity" after which all sang the "Auld Lang Syne" and repeated the Mary Stewart Collect.

Mrs. Lloyd Bayley gave the secretary's report and Mrs. A. T. Moore the treasurer's report. Plans were made for a Halloween party to entertain children and grown-ups in the village on Halloween. Plans were also made for a variety sale.

It was decided to show appreciation to the intermediate hard ball team next month.

Mrs. Robert Menzies then took the chair for the community activity and public relations meeting. All joined in singing the "Maple Leaf Forever." Mrs. L. Crawford conducted a contest in which Mrs. William McLaren was declared winner, then she gave a talk on her trip west to the Calgary Stampede. Miss Jane Reid gave current events.

The meeting closed with the Queen and grace was sung before a social half hour.

Q

Is 20 years a long time?

A

It depends on your age.

A man of forty can look forward to many interesting years and in 20 years can build up, within his present means, an income to help him enjoy his later years. At the same time he can provide for the welfare of his family should the unexpected happen to him. Let our representatives show you how a Mutual Life of Canada policy combines the best features of savings, investment and a pension plan at a modest outlay.

"My son has chosen banking"

When a bank manager retired last year, he wrote his General Manager to tell why he was proud his son also had chosen a banking career:

"I shall always recall my banking days with pleasure and I cannot think of any other occupation that gives one a greater opportunity to meet people and form lasting friendships. I have been privileged to serve the bank in three provinces... That my son has chosen banking is also a great satisfaction to me. He is most anxious to make good on his own account."

Any young man on the lookout for an interesting and worthwhile career—for opportunities to grow and get ahead—should take a look at banking. Have a talk with the bank manager in your neighborhood branch. It may well prove an important turning point in your life.
