Machengie News

That first fall of snow on Monday and late Sunday night certainly—surprised—a—lot—ofpeople. With cars running in the ditch in wholesale lots, it presents a strong reminder to drive more carefully with snow

on the ground. The first snow and the absence of leaves on most of the trees also provides a strong reminder that now is a good time to instal a practical combination door that serves in all seasons. The doors are screened and glazed in all sizes and priced at \$17.50. The hardware, hinges and locks are also in our stock. Drop in today and make use of the Indian summer that is supposed to follow the first snow, by installing a combination
