A large muskrat was seen Tuesday morning by Fairy Lake.

Some of the store windows are already gaily decorated for Christmas.

Bob Rumley suffered a broken nose and broken right arm while playing for the Junior team in Georgetown recently.

A religious film, "Second Chance" was shown at the United church Sunday evening. A good crowd saw the picture, which took over an hour.

With the holiday season not far away, remember to mail, phone or bring in the names of your visitors. Items for the personal or local columns are always welcome.

An error last week in the lists of all town positions filled by acclamation this year necessitates the following correction—school trustees are C. Bradley, C. Heard and T. G. Jones.

Many skids, some of which ended in the ditch, marked the first snowfall of any length in the area this season. Sanding crews were busy over the week-end and since, when freezing rain and snow made driving treacherous. The mill at Rockwood had cars in its ditch during the week-end with others waiting for the sander before attempting the grade.

### Girls' Group Holds Successful Concert

The St. David's Girls' Group held a successful concert in the Sunday School room on Monday evening. Mr. Wilfred Greenlees was chairman for this occasion. The group sang two choruses. Helen Agnew gave a piano solo. Marianna and Lois Greenlees favored with a piano duet.

A play "The Bracelet of Doom" was presented by some members of Milton high school. Everyone took their part well and there were thrills aplenty in the last act. Mrs. A. Moore, leader of the group, thanked all who had helped to make the evening a success. The candy and articles for sale helped to swell the finances which were quite gratifying.

**W.M.S. Meets**  
The November meeting of the Women's Missionary Society was held at the home of Mrs. L. Crawford. Mrs. Elliott opened the meeting with the call to worship. The devotions were taken by Mrs. W. VanSickle and Mrs. W. Roberts. The last chapter of the study book, "Meet the South Americans" was taken by Mrs. J. K. Mahon. This chapter dealt principally with the educational and evangelistic work in this part of the world. The secretary and treasurer gave their respective reports. The welcome and welfare secretary reported six calls made. The Cheer secretary also reported cards sent. The supply secretary gave a report on the sale sent and also read a letter of appreciation received from Mrs. Rusaw of the Birle Indian school. The sale allocation was also read.

A nominating committee was appointed to bring in a slate of the officers for 1953. "King" was the word used in the roll call. The offering was dedicated by singing the Doxology. The meeting was closed with prayer by Mrs. E. Cairns. A social period followed which was enjoyed by all.

One half of an ounce of fuel oil in a diesel locomotive will haul one ton of freight one mile.

## Mackenzie News

Things can be pretty warm in an election campaign as our good friends south of the border showed us recently. But closer to home in Nelson township - it was reported in one newspaper recently that a threat of bodily harm was made on a school trustee seeking re-election. Needless to say, school matters in that township are election issues.

Snow making its appearance with a white blanket reminds us of the blanket of heat provided by coal; the important item at this time of the year. If you haven't got a supply on hand, it would be wise to give us a call.

Careful driving and walking are important as we get our winter habits out for the season. Walk and drive with care.

—Since the only news at the High School this week is examinations and studying for them, there is no "High School News" column. It will be continued after the Christmas exams.

—Aprons, baking, Christmas cards, knitted articles, candy and many other varied items were on sale Saturday afternoon in the United church basement when the Friendly Circle held its bazaar. Tea was enjoyed by the many who helped make the bazaar the financial success it was.
