Plan Schedule For Lawn Bowling Club

Tuesday, January 6 was a momentous day in the annals of District No. 9 of the Provincial Lawn Bowling Association of Ontario. The Streetsville club was host to 25 gentlemen, representing 10 of the 13 lawn bowling clubs in the district at a special meeting; called by the District Chairman, to dis-We decided a definition for discuss the possibility of scheduling Inter-Club games during the coming 1953 season.

The plan which evolved calls for each of the 13 clubs, in turn, to act as host on one Tuesday night during the summer to a men's triples entry from each of the other 12 clubs. Thus representatives from every-chib-will-visit-every other club in the district once during the season. At the same time every club will be afforded contact each week with representatives of all the other clubs. A schedule will be drawn up in time for distribution at the annual spring meeting of the district which will be called at the end of February.

It was the general feeling that where possible, a beginner or junior be included in each entry and that the personnel of the entries should be varied each week to afford as many members as possible the pleasure of "visiting" With the experience which will

be gleaned from this year's sched
