

### REG. BLACK'S TEAM SURGES TO TOP OF TOWN LEAGUE'S JUNIOR DIVISION

The week's activity in the town league saw Reg. Black's club mark up two wins and climb to the head of the four team junior division, closely pursued by Ernie Marks' and Mike Coxe's teams, who are tied for second place.

Reg. Black's club opened last Thursday's action with a 5-3 win over Doug Dawkins' team. Sinclair Johnston, Baxter, Currie and Martin Marks led the winners with a goal apiece, while Martin Marks also racked up an assist. For the losers, Ernie Lawson turned in a two goal performance, with Bob Wahlman scoring the first goal and Wayne Emerson getting an assist.

In the nightcap, Mike Coxe's team and Ernie Marks' battled to a three all draw. Ron Sinclair bagged all three goals for Coxe's club, while Wayne Emerson sniped a pair and Don Wiles a single for Marks.

The senior division of the town

league got in a practice in preparation for their league opening the following Tuesday.

**Tuesday's Games**

Doug Dawkins' team came through with a well deserved 3-1 win over Mike Coxe's club to start off proceedings on Tuesday night this week. Ken Dodds fired a pair of goals for the winners and Bob Wahlman potted the other. Ed McMullen banged in the losers' only goal from Ron Sinclair's rebound.

The second game was a nip and tuck affair that saw Reg. Black's team shade Ernie Marks' (managed by George Hollinger), 2-1. Martin Marks was the big factor in upsetting his dad's team, scoring a goal and setting up one for Ron Clow. Bill Johnston assisted on his goal. Wayne Emerson tallied the loser's goal.

**Senior Division**

The senior division of the league marks its opening with Will Duval's team chalking up a 7-3 decision over the team managed by Kerwin McPhail.

Bob Rumley and Orville Dodds put the spark in the Duval attack with two goals apiece while Bill Coon, Merv Dodds and Johnny Rocher each added singles.

For the losers, Jerry White, Don Deforest and Fred Gordon each bagged a goal.

This past week the weather has been such as to keep us around home and also gives us a chance to look around and discover those minor repairs and alterations long cast aside.

We have at the present time a good supply of lumber and building materials to fit almost every need.

Don't forget to also include a new Moffat range in your new kitchen. We now have on display a very smart buy we think for \$240.00.

Drop in and look around, we may have just what you want.

### POUNDRING THE SPORTS BEAT

with A. Vengeance

IN CASE you're interested in viewing some of the results of the Minor Sports Club's hockey program, we suggest you drop down to the arena on Friday night. Action's minor hockey teams, bantam, midget and juvenile, play host to Elora's entries with the first game getting away at 7 p.m.

This will be the second home appearance for the local clubs who haven't been too successful on their jaunts out of town. Monday night in Elmira, for example, the bantams were shut out by Elmira and so were the midgets. The midgets lost 1-0.

Last Friday night, here, Fergus won all three games by edging the bantams 4-3, shading the midgets 4-2 and clubbing the juveniles 7-2. The bantams had the better part of play and with a little more finish around the net would have given Fergus a good beating. The midgets, however, were puck shy. They wanted no part of the puck unless it was in the Fergus end and then everybody wanted a piece of it. Ted Footitt fired both Action goals and along with Paul Lawson was the best player Action had on the ice.

In the juvenile game, Fergus put up a stiff defense. They had a better coached club and deserved the win.

Personally we couldn't see the presence of Milton boys on the juveniles, with one exception, made any difference in the Action team. We're all in favour of having a good team but it seems to us that several boys who play in the town league's senior division have as much hockey ability as the imports. There are some "beefs" among the Action players that they aren't getting a proper chance to play and there seems to be some justification for it.

**LAST WEEK** we mentioned that Elmira Polar Bears were the cream of the crop in the Intermediate league that Milton and Georgetown play in and there was little likelihood of anyone defeating them this season. Our apologies to the Georgetown Raiders. Although only a poor fifth in the standings, the Raiders broke the 22 game winning streak of the Bears last Saturday night with a 6-4 overtime win.

Jubilant Georgetown fans expecting to see a repeat of Saturday's performance, poured into the arena on Tuesday night for the game against Milton. They emerged in much lower spirits. Milton walloped the Raiders 12-2 and were going away doing it.

Fans don't know what to expect from either team. Milton had the same trouble the previous week when they took on Newmarket. By the results of previous games, the average Joe would expect Milton to take the game with a three goal margin. But the Spitfires turned on all their guns and waltzed to a 12-2 victory.
