

Durham Installed Artificial Ice

(Continued from Page Two)

Operating a natural ice plant is less costly than the operation of an artificial ice plant and add to that the necessity of paying players to put up the old hockey fight. It comes rather costly unless heavy rates can be counted on. Gravenhurst went in debt to the extent of about \$300 last season and because of it they couldn't find anyone interested in getting on the executive this year. Powsassan is reporting the same difficulty.

Milton is fortunate in having an artificial ice plant privately owned, being taken over by the late Fred Armstrong. His executors are now anxious to sell the plant to the town at a give-away price because it's an expensive personal investment. An unconfirmed report from Georgetown says the town hasn't had to pay the debentures on their installation; the arena carrying them.

How much is \$25,000? It's 119 rows of quarters side by side, the full length of the 70 ft. arena, almost two miles or four times around the track! It's 33 quarters for every man, woman and child in Acton.

Pedestrians remember: Unless you carry a light, it's harder for a motorist to see you at night than it is for you to see him.

Area Subdividing H.S. Cost Mooted

A by-law to designate an area of sub-division control in Esqueping Township was forwarded to the Department of Planning and Development for their approval following the regular meeting of Esqueping Township Council on Monday, February 2. Under certain circumstances, land may not be conveyed unless it is in a registered plan of sub-division.

A motion was passed stating that Council favored the Ontario Municipal Board making an order changing the amount to be paid by the various municipalities in the North Halton High School district as set out in an order dated December 27, 1951 and making the charges as on the equalized assessment of the five municipalities. This was in accord with an amicable agreement reached by the Townships of Esqueping and Nassagaweya and the towns of Milton, Acton and Georgetown. LeRoy Dale, solicitor for Esqueping, was authorized to sign the necessary consent on behalf of the township. The salary of the road superintendent was adjusted and township employees given a 15 cent per hour increase, as of March 1.

F. J. Shortill was appointed fence viewer for Esqueping. Membership fee of \$10 was paid to Ontario Rural Municipalities and the reeve and deputy-reeve

were appointed delegates to the convention in Toronto this month. The road superintendent was to advertise for tenders to supply, crush and deliver approximately 15,000 cubic yards of gravel on township roads.

Wilfred Bird and George Leslie were appointed township representatives to Esqueping Community Hall Board; John Bird to represent Esqueping Agricultural Society; Denny Charis, Federation of Agriculture; Howson Ruddlell, Junior Farmers; Mrs. Claude Pickett, Ashgrove Women's Institute; Mrs. Walter Lawson, Stewarttown Women's Institute.

George Currie and Wm. Schenk were appointed members of Norval Athletic Club, as council's representatives on the board of management.

The following accounts and fox claims were passed for payment: Ontario Hospital, Woodstock \$45.00; Roland Haines 17.50; Municipal World Ltd. 25.62; Georgetown Herald 3.58; Bell Telephone Co. 12.95; I. M. Bennett 24.25; Postmaster, Georgetown, box rent 2.60; A. W. Benton 7.00.

Fox claims were presented as follows: C. F. Davies, Georgetown \$5.00; Wm. Sheppard, Acton, \$28.00; C. S. Balley, Georgetown 2, \$50.00; Mervin Nessel, Acton, \$30.00; R. Lockhurst, Georgetown, \$10.00; H. Bennett, Glen Williams, \$5.00; Gordon Shoebridge, Georgetown 2, \$10.00; Harold Campbell, Georgetown 1, \$5.00; Clifford Stover, Milton, \$10.00; Ken. L. Allen, Acton, \$10.00; Grant Stark, Milton 5, \$5.00.

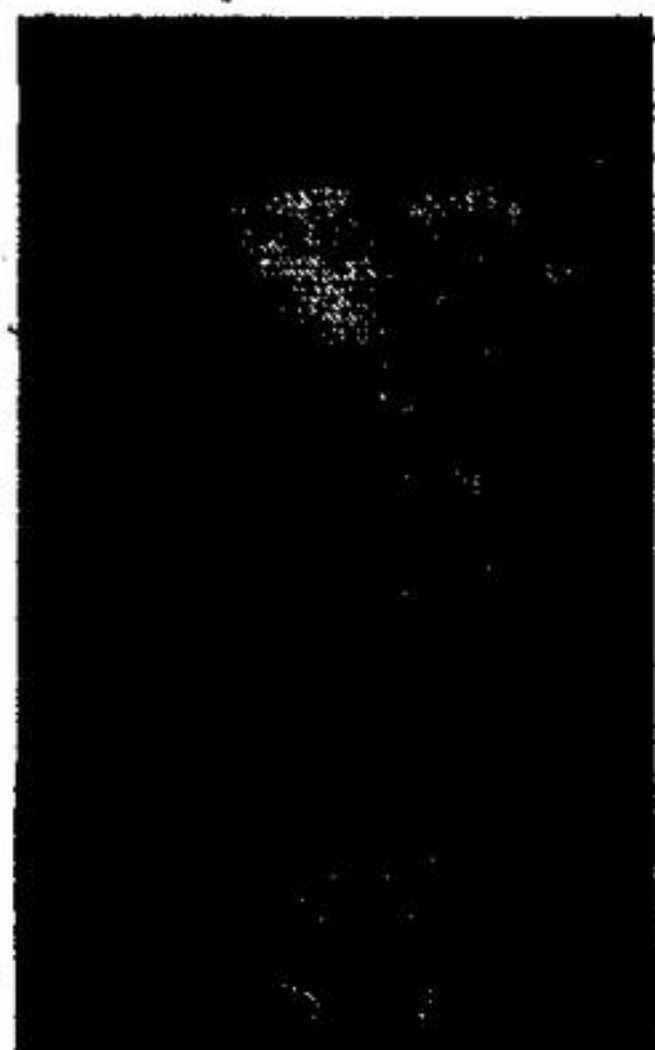

Appoint H. Ghent Schools' Director

The Ontario Folk School Council has announced the appointment of Harold D. Ghent as director of Folk Schools in Ontario from the first of January to the end of March. Harold Ghent is a former president of the United Farm Young People of Ontario and one of the original New Canada Movement who pioneered Farm Radio Forum. He has been long associated with Folk School activity in Ontario.

Mr. Ghent, now 38, farmed at Mount Forest, Ontario, until he joined the Canadian Army serving in Canada, England, Italy, North Africa, France, Belgium, Germany and Holland. Upon discharge from the Army, Harold took a co-operative Administration and Management course and became manager of the Newmarket Co-operative from March 1946 to December 1951 and then manager of the Teeswater Co-op until quite recently.

Since his return from Overseas he has served continuously on the board of the Co-Op Union of Ontario both as president and a director.

Married to a Peace River school teacher, Harold is father of five children. His varied experience, knowledge of farm problems, and genuine interest in human beings admirably fit him for the important post of Director of Folk Schools in Ontario.

HAROLD D. GHENT

Wm. Gibb, Georgetown, \$5.00; Jas. Roe, Georgetown, \$5.00; Leslie Norton, Glen Williams, \$5.00; Wilmer Watkins, Acton 3, \$10.00; William Thomson, Milton 3, \$5.00; George Barber, Georgetown, \$10.00. Total of 46 foxes \$230.00.

JOKER

"My good friends," boomed the political speaker, "I'm pleased to see this dense crowd here tonight." "Well," said a voice from the back of the hall, "don't be too pleased. We ain't all dense."
