UN-FROZEN FOODS

WAY UP IN Alaska, within the Arctic Circle, one 70-year-old gardener has found how to get his full quota of home-grown vegetable vitamins. He works gardening wonders by "trapping" the brief summer sun with reflecting aluminum foil barriers, set up behind his vegetables. This Arctic application takes a leaf out of the book of modern builders and others who make use of aluminum's remarkable reflecting and insulating properties. Demand for Canadian aluminum in foil, sheet, rod, tube and other forms today totals one billion pounds a year. When Alcan completes its present expansion programs, supply will be further increased. Aluminum Company of Canada, Ltd. (Alcan).

TOWN LEAGUE PLAY-OFFS START TONIGHT, BLACK'S FINISHES ON TOP

Reg. Black's rampaging hockey-ists chalked up two close wins this week to finish on top of the four team town league, which is due to start play-offs tonight. Mike Cox's club, which was tied for first place last week with Black's, dropped two one goal decisions to finish in third. Doug Dawkin's team, tied for second last week, surprised everyone by finishing in second place on the strength of two wins. Ernie Mark's club stayed in the cellar, however, when they failed to register a win.

Only one game, or two points, separate the teams in the final analysis. It was that close during the schedule but it ironed out conveniently for the play-offs which see the first and third and second and fourth place teams meeting in final goal, two game series.

In the senior division, McPhail's team finished on top after trailing all season. They won two games this week from Duval's team 7-6 and 5-4.

Flash Photos Taken By W.I.'s Speaker

Mrs. Harvey Norton opened her home Thursday evening, February 5, for the February meeting of the W.I. The Institute carol was sung, followed by the Mary Stewart collect. The roll call, "My Hobby," was answered by all present. Minutes of the last meeting and financial reports were given after which the president, Mrs. E. Sanford, introduced the guest speaker, Miss E. Taylor of Acton. Miss Taylor gave a most interesting talk on "Hobbies" in general and photography in particular and spoke of the different meanings of the word as given in dictionaries. She reminded all how refreshing it is to engage in a hobby after the day's work is done. She said, "Owing to shorter working hours, we are enabled to have more leisure for our favorite pastimes than our grandparents or even our parents had." To illustrate the benefit of a hobby, Miss Taylor referred to Winston Churchill and his hobby of painting. So great a man, with the work he has to do, perhaps could not have carried on so well had he not had such a hobby.

Miss Taylor gave a few pointers on photography and had two ladies pose while she took a flash photo and posed herself, while the president tried her luck.

The ladies were indeed sorry Miss Taylor had to rush away to another meeting but hope to have a return visit in the near future. At the close of Miss Taylor's talk, the business of the meeting resumed. A letter from Silverwood W.I. inviting Limehouse W.I. to a meeting in Ballinad Hall was read and as many ladies as can possibly do so will accept the invitation.

Mrs. J. S. Noble reported on flower, fruit and cards sent to sick and shut-ins and a box sent to a family in England. Mrs. S. Kirkpatrick reported on the Hall Board activities and the girls' club. The library board reported the opening of the library in Limehouse Memorial Hall.

It was decided to continue the school gardens under the direction of Mrs. S. Glsby this year. Mrs. Kirkpatrick gave a reading on "Manners" and Mrs. Frank Brown an article on a health chart.

Current events were given by Mrs. J. Rose and in the absence of Miss W. Jones, the motto, "Character, like embroidery, is made stitch by stitch," was read by Mrs. Smethurst, who also read an article on the history of cashmere. A reading given by Mrs. Roughley on polo research was very interesting and heartening. A contest, an article made from a yard of material, was won by Mrs. J. Roughley, who handed in a well made apron. Mrs. A. Benton was a close second.

The meeting closed with God Save the Queen, after which the hostess and her assistants served lunch.

Canada's record for rabies is small whereas in the United States the disease kills an average of 30 humans a year and causes an annual \$5,000,000 loss in livestock.

Acton High School News

By Chris Lamb

At assembly Friday morning, Mr. Robbins showed movies of his trip to Florida. He travelled south through the United States to Florida in the Christmas holidays. The students enjoyed seeing a Christmas season without snow and people swimming on New Year's Day.

The trip to Orangeville High School last Friday evening was well justified when Acton won the final basketball game. Students returned in high spirits and instead of the usual morose discussions of their mistakes, a gay atmosphere prevailed. In spite of the fact that both girls' volleyball games and the first boys' basketball games were taken by Orangeville, there are high hopes for return games and Acton's victory. The scores were: junior girls' volleyball, OHS 14, AHS 13; senior girls' volleyball, OHS 32, AHS 15; high school basketball, OHS 20, AHS 15.

James Dills was guest speaker at assembly Monday morning. His topic was printing and its branch lines of journalism and editing. He showed colored slides of various stages in the production of a newspaper which were taken in the Free Press office. Rod Force thanked Mr. Dills for coming to our school and presenting such an excellent case for the cause of journalism.

Tuesday morning the girls went to the Public School and the boys to room 5 to hear different speakers. Miss M. McCready, principal of Macdonald Institute in Guelph addressed the girls on careers in Home Economics.

Rev. Young from the O.A.C. spoke to the boys on agricultural courses.

A dance will be held at the Y.M.C.A. and the occasion, of course, is Valentine's Day. An issue of the Eye-Opener will be out on Friday. This, too, is in honor of St. Valentine.

Labmen End on Top Prep for Play-offs

Baxter Laboratories' hockey team has ended the loop of scheduled games at the top of the four teams and starts into the finals next Sunday, planning to continue the winning streak.

Last Sunday the locals whizzed a full dozen goals into Burns' transport's net, while the opposition reorted with seven points to near the final score to basketball dimensions. 19 goals in one game kept the players busy.

Stewart, Robinson and McCall scored three each for Acton; Cunningham scored 2 and Zajac scored 1.

Allen led the list with seven assists, while Duval and Zajac were each credited with three.

Baxter's is four points ahead of the second team in the league, Businnesmen, Burns and Smith and Stone follow in that order.

In Sunday's play-offs, Baxter's play Burns again. There are two games in the semi-finals with total goals to count and then two games in the finals, counted the same way. The games are played on consecutive Sundays in Georgetown arena.

Award is the Sheeney Tost trophy, which Baxter would like to take away from Georgetown.

Hail "Quiet Man" As Masterpiece

(Advertisement)

A superb screen masterpiece which skillfully combines a powerful, romantic theme with dynamic and roaring action, Republic's widely heralded John Ford production "Quiet Man," starts a six day engagement at the Roxy Theatre Monday, February 18 in a blaze of magnificent Technicolor as impressive mounting for the talents of its top-ranking stars John Wayne, Maureen O'Hara and Barry Fitzgerald.

The strongly etched characterizations of the cast, which also includes such notable players as Ward Bond, Victor McLaglen, Mildred Natwick, Francis Ford and a group of famous Abbey Theatre players, become an indelible imprint against the authentic background of Ireland where much of the picture was filmed. This is said to be the first American feature motion picture to be filmed on Eire's "suld sod" and the picturesque countryside in color is a moving painting.

The title of this highly entertaining cinema fare signifies a state of wishful thinking rather than denoting a quiet man. It's the story of an Irish-born American who is forced by circumstances to fight every inch of the way to gain a foothold in America. It is only after the tragic death of his opponent in the prize ring that he seeks quietude and peace in his quaint birthplace in Eire.

Contrary to his hopes, the Quiet Man, portrayed by Wayne, finds nothing but turmoil from the moment of his arrival.

In the strong cast of supporting players, important acting contributions are made by two newcomers to the American screen, famous Abbey Theatre players Charles FitzSimons and James L. Linn, brothers of star Maureen O'Hara.

One way and another - from baby bonuses to various types of pensions - two Canadians in every nine are on the Federal government's payroll.

Juniors' League Headed by Palermo

Palermo leads the Junior Farmers' hockey team league with 17 points, following last week's 2-2 tie with Milton. Norval stands second with 14; Milton is close behind with 13 and Acton - still - has 0 points.

In the Palermo-Milton tie, Milton's goals were scored by Devlin and G. Gillies and Palermo's goals by D. Vivian. Penalties went to Pelletier, Tasker and Devlin.

Norval defeated Acton 7 to 1. Three of Acton's four goals were credited to F. Souferville. H. Spitzer copped the other.

Norval scores were Wilson (3); Cunningham (2); Currie (2). Penalties were meted to Storey and Spitzer.

Team standings are as follows:

	P	W	L	T	F	A	Pts
Palermo	11	8	2	1	63	25	17
Norval	11	7	4	0	59	35	14
Milton	11	6	4	1	53	23	13
Acton	11	0	11	0	17	96	0

Only three games remain to be played in the schedule.

Thursday's Games

Black's club shade Cox's 2-1 in nip and tuck affair. Bill Johnston and Ron Clowe scored for the winners with Tom Oakley getting the losers only goal.

In the second game Doug Dawkin's team blanked Ernie Mark's 3-0. Bob Cox was the big gun for the winners with two goals while Bob Wahlman bagged one.

Tuesday's Games

In Tuesday's activity, Dawkin's club came off the floor to edge Mike Cox's team 6-5 in a free scoring tilt. Bob Cox racked up three goals for the winners against his dad with Bob Wahlman, Ken Dods and Wayne Emerson contributing one goal apiece.

For the losers, Paul Coles and Edward Melodie scored two apiece while Tom Oakley got a singleton. George Oakes marked up two assists.

In the second game Reg. Black's gang edged the Marksmen 1-0 to finish on top of the heap.

FINAL STANDING

	P	W	L	T	Pts
Black	9	5	2	2	12
Dawkins	8	4	3	2	10
Cox	8	2	3	4	8
Marks	8	2	5	2	6

Play-off Games

Thursday - 7:00: Dawkins vs. Marks; 8:00: Cox vs. Black; Tuesday - 7:00: Cox vs. Black; 8:00: Marks vs. Dawkins.

SENIOR DIVISION

	P	W	L	T	Pts
McPhail	7	4	3	0	8
Duval	7	3	4	0	8

Midgets Win Series Meet Elora in Finals

Acton Midgets came through with a convincing win over Bridgeport at Waterloo Monday night as they started to hit their form. The win eliminated Bridgeport from the play-offs and sent Acton into the group finals against Elora. First game of the series will be played in Acton on Friday night with the return game in Elora on Monday.

The Bantams meanwhile played to a tie with Bridgeport on Tuesday in Waterloo and must replay the game. If Acton wins the team will play Elora in the finals with the first game possibly on Friday night, tee permitting.

Mild weather last Friday forced the cancellation of the three games scheduled to be played.
