He outlined some of the tenets which have to be subscribed to before joining Masonry, H. pointed out that Masonry does no: specify any religion but candidates must have a belief in the existence of a Supreme Being, "Being a Ma son will not make a Christian o anybody, but will help any person Lorne Scots Sunday were Charles to be a better Christian," the speaker said. He stated that any religion holds much for mankind "A good Mason is a good churchgoer and carries the precepts of Masonry into his everyday life and business," the District Deputy con-

Wor Bro. A J Buchanan proposed the toast to the visitors Flames threatening the frame which was responded to by Wor vince of Ontario.

The Junior Warden's toast, proposed by Junior Warden George Damage was limited to one side Wingate, brought the enjoyable meeting to a close.

Town, Six Groups Show Surpluson'52Operations

A surplus of \$3,009 80 on the town operations for 1952 is indicated in the auditor's report submitted for council's approval at the last regular meeting this week. The Waterworks department, hydro electric, library board, planning board, public school board and North Halton high school district also reported surpluses on the past year's operations. Deficits were recorded on the Sewer operations, the Citizens' band and cemetery

Leaver and Hoskin, town auditors, pointed out in the report that the surplus on town operations resulted from an increase in supplementary assessment, fire grant, licenses and permits, interest, fines and a decrease in street light expenditures and welfare. Revenue in recreation and community services went up with expenditures going

Two Fire Alarms Within Half Hour

Before the Acton fire brigade had returned to the fire hall from a fire Monday afternoon, the siren sounded the alarm for a second blaze. Neither of the fires, which were reported within about half an hour of each other, was serious. About 1.30 pm. the alarm was turned in that there was a fire in the referestation area behind Guelph St The flames, which had apparently spread from the railroad tracks, were burning underbrush and had started up the trees Over 400 feet of bose was quickly laid by the firemen from the true to the spreading fire and the dan

ger was soon eliminated The siren sounded a second time as the fire truck was on Bower Ave. returning to the fire half. The Cycling safety is everybody's truck immediately hurried to the Dublin cemetery, where a grass

County Rate Up 3/4 Mill The Christian stewardship sected for Halton County Presbyt erial was guest speaker when the United church W.M.S. held its Road Rate 2.25 Mills

County Council agreed to the recommendations of the finance committee that a by-law be drawn to establish the county mill rate at 5.75 mills, an increase of three-quarters of a mill over last year when they met in regular session on Tuesday of this week. A general increase of operational cost contributed to the increase. Reeve E. F. Ford, Trafalgar, said the estimated expenditures would be \$236,912.92, while revenue was estimated at \$42,325.00, leaving a balance of \$194,587.92 to be raised by general levy or 3.5 mills on the equalized assessment. The road levy is estimated at \$125,092 24 or 2.25 mills. *-

Council approved a revision and played by Mrs. Gordon Aitken, county clerk, the county treasure and to members of the jail staff Sheriff Robertson presented correspondence with the Department of Reform Institutions in this connection He said it was extremely they should have been by the difficult to obtain guards, for the remuneration they were receiving.
