HOPE FOR BETTER CLUB: PROSPECTS BRIGHT AS RAMS STAGE PRACTICE

"I think we're going to have a better club than last year's," Sid Eisen remarked as he watched the first practice of the Intermediate lacrosse Rams last week.

He had reason to be optimistic. One of several new faces trying out for the team whipped a shot backhand into the net to finish off a play that started from the far end of the rink. It made his observation look good.

About 15 players were out in full equipment to try out for a spot on the team. Joe Gerrie, in his first official duties as playing coach, had them paired into two squads and they went at it full tilt.

Norm Young, the sensational young netminder with the B-Hives last year, was in one net and practice goalie George Beatty in the other.

"That kid hasn't lost his eye yet," a spectator observed as Young stopped an assault on his doorstep. Interest, of course, was centered on the new faces. "I don't know if we can keep these fellows," said Marc Laferriere, secretary of the club, "but I hope so. We haven't got just one club in contention with this year, but two," he added. He was referring to the fact that Streetsville and Georgetown were also seeking players.

Five of the hopefuls out drew from Huntville and they looked pretty sharp. They were Lewis, Bill and Cliff Bennett, Chuck Murr

POUNDRING THE SPORTS BEAT

with A. Vengeance

FIRST HOME GAME OF THE 1939 lacrosse season will be Saturday night June 6 at 8.30 p.m.

The Rams will open the season earlier—May 26—at Dundas but don't show in Acton until the 6th of June. The Oshweken Six Nation Indians will be the visitors here that night.

Seven teams are entered in the group, three of them new clubs. As was anticipated last week, Burlington and Georgetown have dropped out but Georgetown, Sarnia and Wallaceburg have filed entries to bring the group up to seven teams. Make-up of the group will be as follows:

Streetsville, Dundas, Oshweken, Acton, Wallaceburg, Georgetown and Sarnia.

You can close your mouth now and suppress that surprised look. It's true, we said Wallaceburg and Sarnia. A mere jaunt in this atomic age probably no more than 175 miles as the crow flies. Before you utter any obscene words we'll explain, as it was told to us, why these two teams from the southern tip of southern Ontario will play in this neck of the woods.

It's for the good of lacrosse!

Those two teams were isolated at the extreme edge of the lacrosse circuit with one to play but themselves, which they do every year by the way for the Hiram Walker cup. Anxious to preserve the sport in that section of the province the O.L.A. asked this grouping to help lacrosse by taking them into the fold.

Naturally, in view of the expense involved in making a trip to either centre, the clubs in this section of Ontario were hesitant. However, the manner in which Sarnia at Wallaceburg, a delegate at the meeting where this took place had a proviso. He offered any visiting club a \$100 guarantee if they would make the trip with no return game necessary. Those games would be four pointers.

STREETSVILLE AND Dundas accepted the offer but Acton, Oshweken and Georgetown declined the \$100 guarantee. They would rather have Sarnia and Wallaceburg play return games, figuring they might be quite an attraction in the home stamping grounds.

Wallaceburg, you'll remember, captured the O.L.A. Intermediate "B" crown last year, defeating Streetsville in final series that went the full allowance of games. "What kind of lacrosse do you play down there," the Wallaceburg delegate was asked. "Well, we had a hard time with Streetsville last year," replied the manager. Those words were the final acceptance and the clubs were voted in.

Consequently, the Rams will be playing a 24 game schedule with four of them long hops. Georgetown, in case you're interested, will open the season at Oshweken on May 29, returning to Georgetown for the first home game on Friday, June 5, the night before Acton opens at home.

All games will start at 8.45 except those in Acton and Sarnia, which get underway at 8.30. The Rams will have Saturday home dates again this year. It proved to be a popular night last season and the executive feel it warrants continuation.

MEANWHILE the Rams have been holding extensive practices at the arena on Tuesday nights. Seventeen men were out trying for spots on the team this Tuesday and several looked like good prospects.

The three Bennett brothers from Huntville, Revis, Bill and Cliff, and Chuck Murr and Harold Avery from the same town, fit right in. New faces from Brampton were bolstered by last year's stalwarts, Brunski, Krapek, Howell, Taillefer, Kentner, Hazel and Norm Young, who was considered the best netminder in the circuit last year.

To this point, none of the Ferguson contingent has shown up but they are expected to be there next week. They'll have a hard time getting a position if they don't hurry. There's no end of players looking for a berth on the Rams.

Elect Executive Of Mission Circle

The annual meeting of the Baptist Mission Circle was held Wednesday, April 26, at the home of Mrs. Henry Cripps, with Mrs. Charles Landsborough, president, in charge.

The secretary read the minutes of the last annual meeting and of the March and April meetings. The treasurer's report was given by Mrs. Lorne Garner and the members were pleased to learn that the allotment had been exceeded. Discussion of the various committee reports followed. Mrs. H. Cripps and Mrs. J. Chapman were named conveners of the birthday party.

Mrs. Hugh Reid presided for the election of officers. Mrs. G. Wagner gave the report of the nominating committee, which follows: president, Mrs. H. Helwig; vice-president, Mrs. J. W. Chapman; secretary, Mrs. Charles Landsborough; treasurer, Mrs. Lorne Garner; Link and Visitor, Mrs. Lyla McCutcheon; sick box, Mrs. G. Wagner; birthday box, Mrs. W. Morris; pianist, Mrs. Lloyd Bulmer; sewing, Mrs. H. Cripps; social conveners, Mrs. W. Garner, Mrs. H. Dyc; cards Mrs. J. W. Chapman, Mrs. Lloyd Bulmer.

The new president expressed her thanks to the group and asked for whole-hearted co-operation from each member.

Mrs. J. Chapman conducted the devotional period. Mrs. W. Gordon read the scripture lesson and Mrs. Chapman spoke briefly on the topic, "Be ye doers of the word and not hearers only."

Mrs. Fred West gave an interesting report of the Missionary Fair held at the First Baptist church, Guelph, in conjunction with the centenary celebration of that church. Mrs. Wm. Garner closed the meeting with prayer.

Lunch was served by the committee and a social hour followed. Mrs. Landsborough thanked the hostess for her hospitality.

Acton High School News

By Chris Lamb

At a staff meeting last Wednesday, it was decided there would be no May exams for the Upper School. Term tests during a regular period may be given in some subjects but there will not be a formal set of examinations. This will give more time to finish courses that are not yet complete and review the year's work in others. In any case, grade 13 will be finished school, after writing departmentals, on June 19.

In the other grades, students with exemptions in every subject will be finished June 4, and the final examination will be over a week and a few days later.

A small delegation of athletes from our school is planning to attend the Play Day in Guelph at the O.A.C. There will be a dinner and dance after a busy day of athletic events.

\$1,000 Loan Helps Defray Storm Cost

An extra loan of \$1,000 was extended to the Municipal Telephone System, to help defray the expenses of the disastrous ice storm last winter, by Erin township council at their meeting on May 4 at Hillsburgh. Reeve Albert Wheeler presided with all the members present.

The borrowing of \$15,000 by debentures for the use of the Erin Township Municipal Telephone System was authorized subject to the approval of the Ontario Municipal Board.

Clawing to doubt as to the legality of the annual meeting held on February 18, council appointed Richard Bryan, Neil E. McKinnon and Earl Moore as commissioners to the Statute of the term. Public liability and public damage insurance was placed with the General Accident Co. on township roads and town hall at a premium of \$321.19 with limits of \$25,000, \$30,000 and \$5,000.

George Scott was paid \$500 for use of car for committee inspecting roads.

A grant of \$35.00 was given to the Acton Agricultural Society by the Erin Agricultural Society. Mrs. D. Gray was paid \$10.00 on account for the collection of arrears of taxes.

The Road and Bridge committee appointed at the April meeting for the purpose of inspecting township roads and bridges, made the following recommendations: East Div. construction Lot 2, Con. 10, grading cross road 10, Con. 10; North Div. grading Lot 26, Con. 9, grading Lot 26, Con. 10 and construction 22 sidewalk, Con. 10; West Div. construction Lot 24, Con. 3, grading Lot 18, Con. 4, grading Lot 27, Con. 5; South Div. construction Lot 3, Con. 3, grading Lots 8-9, Con. 3; boundary lines—Esquimaux bdy.
