**Esqueusing Concurrs  
in Area Decision**

Esqueusing township council passed a motion to "concur in the action of the Minister, Department of Planning and Development, in defining the Township of Esqueusing as a planning area" at its meeting on May 21. Reeve George Leslie presided at the meeting with deputy-reeve Wilfred Bird, Councillors Walter Linham and Wm. Schenk present.

The reeve and clerk were authorized to sign the deed conveying land in the village of Norval, which Esqueusing school area No. 1 had conveyed to them in February, 1947 back to Esqueusing school area No. 1.

A 25 foot flagpole was purchased. It is to be erected at the Municipal Building.

The road superintendent was empowered to purchase fill from Robt. Lane, as soon as the quotation of 25c per yard was confirmed in writing.

**FARM NEWS**

From Halton's Farm Lands

By J. E. Whitlock

**DON JOHNSON TOP LIVESTOCK JUDGE**

Sixty-six Halton Junior Farmers defied the elements and participated in the annual Junior Farmer Livestock Judging Competition on May 30th. With J. E. Whitlock and Art Bennett in charge, the young men visited the farms of Dr. Wm. James, Stanley May, Johnson Neelands, M. C. Beaty, Wm. G. Booth and J. H. Willmott, where they judged classes of Aberdeen Angus, Percherons, Holsteins, Jerseys, Guernseys, and Hampshire Sheep. Owing to the outbreak of Hog Cholera in Ontario, the classes of Swine were deleted from the program and a class of hog carcasses substituted. In all, the 66 competitors judged a total of 9 classes, and in the afternoon at the Milton High School gave oral reasons for their placings on one class each of beef cattle, dairy cattle, horses, sheep, and hog carcasses.

The official judges were as follows: Sheep—J. H. Willmott, Milton; Horses—R. G. Bennett, Ontario Dept. of Agriculture, Toronto; Beef Cattle—Finlay Stewart, Canada Dept. of Agriculture, Toronto; Hog Carcasses—Leslie McMillan, Canada Dept. of Agriculture, Toronto; Dairy Cattle—Harold Baker, Ont. Dept. of Agriculture, former Assistant Agricultural Representative in Wentworth County but since transferred to Huron County.

The winners were also honored by having as a guest, Dr. E. Leyland, President of the Kingsway Kiwanis, who followed their program throughout the day and also brought greetings from his fellow club members, who annually donate a number of Short Course Scholarships to Halton Juniors.

Don Johnson, of Milton, duplicated his achievement at the Halton Seed Fair and Bacon Show last March, by again topping the competition and thereby won the Norval Challenge Trophy, which is awarded to the Champion judge.

The Hamilton Spectator 550 Special, which is awarded to the top junior on the basis of judging ability, Club work, executive and leadership and Junior Farmer activities, was awarded to Howson Ruddle, of the Norval Club. Ross Pearen made the presentation on Saturday evening last on behalf of the donors.

The Palermo Junior Farmers' Trophy, which is awarded to the Coach of the winning team, was won by John C. Willmott, the members of his winning team being Don and Paul Johnson, and Paul Ford.

Other trophies were awarded as follows:

The Donald Robertson Trophy (High Man in Horses)—John W. Pickett.

The Duncan Campbell Trophy (High Man in Beef Cattle)—Norman Bird.

The Baronston Trophy (High Man in Dairy Cattle)—Harold Lawrence.

The Mason Knitting Co. Trophy (High Man in Sheep)—John C. Willmott.

The Thos. Blakelock Trophy (High Man in Swine)—Don Johnson.

Bank of Nova Scotia Trophy—(Inter-Township teams of 3) was won by Don Lawson, Gordon Graham and Norman Bird, representing Esqueusing Township.

The Dr. R. K. Anderson Trophy, for the high aggregate score of six members from any one Club was again won by the Norval Club—Their Club representatives being Fraser McNabb, Gordon Graham, Barry Archer, Bill Wilson, Earl Wilson and John Currie.

The C.N.E. Shield for the high novice of the day was won by Walter Wilson, of Ashgrove.

The Kingsway Kiwanis Special to the runner up to the Trip Winner was Alex. Buchanan.

The boys' competition was divided into three divisions, and here the top contestants were as follows:

Juniors (16 years and under)—Norman Bird, Georgetown;

Intermediates (17 to 21 years)—Gordon Graham, Norval.

Seniors (22 to 25 years)—Don Johnson.

**NO HOG CHOLERA IN HALTON**

Toronto newspapers to the contrary, there has not been as yet an outbreak of hog cholera in Halton. This statement was confirmed early last week by Dr. Morgan of the Health of Animals Branch of the Canada Department of Agriculture. The outbreak attributed to their County was stated to be in the Campbellville area. Investigation reveals that while the farm in question is on a Campbellville rural route, it is located some two or three miles within the County of Wentworth.

At the end of last week, additional outbreaks were reported in three or four more counties. This can only be interpreted to mean that the disease is not yet under control. Local swine men would therefore be well advised to take every precaution where they visit and whom they invite into their respective hog pens.

Present restrictions do not prevent the marketing of live hogs or breeding stock anywhere in Ontario west of the Hastings County boundary. As a matter of fact, it is our understanding that under permit from the Health of Animals Branch breeding stock may be shipped to United States.

**100 JUNIOR HOMEMAKERS PARTICIPATE**

Barbara Cunningham, of Ashgrove, was the 1953 winner of the Halton District W.I. Special at the Junior Homemakers Achievement Day held in the Milton Town Hall, on Saturday last.

Mrs. Mabel Borgstrom, Acting Home Economist, assisted by Miss Frances Lampman, Mrs. Montgomery and Miss Robertson, was in charge of the day's program, which brought together no less than ninety-eight Junior Homemakers who had completed the project "The Milky Way."

A similar number completed the unit "Sleeping Garments," the achievement day for which was held last January.

A great deal of the credit for the success of the Junior Homemaker program in Halton must go to the Club Leaders, who were as follows: Acton—Mrs. E. Storey, Mrs. F. Brown; Ash—Marie Marshall, Anne Pelletier; Ashgrove—Mrs. W. Bird, Mrs. C. Wilson; Ballinfad—Mrs. Fred Mack, Mrs. Robert McEnery; Hornby West—Mrs. L. May; Mrs. G. Sinclair; Hornby East—Mrs. D. Downs; Mrs. F. Chisholm; Limehouse—Mrs. S. Kirkpatrick; Mrs. E. Sanford; Lowville—Mrs. Roy Coulter; Mrs. V. McArthur; Omagh—Mrs. H. Robertson, Miss Ellen Chapman; Palermo—Miss Lorna Lawrence; Scotch Block—Mrs. Robt. Irving; Mrs. Doug. Irving; Nelson—Mrs. Donald Peer, Mrs. C. Colling; Norval—Mrs. H. McLaughlin; Mrs. J. L. Ellerby District W. I. President for Halton, made the presentation of the W.I. Special to Barbara Cunningham, who will be the Halton representative to accompany the delegation of Ontario Juniors to the 4 Club Congress in Chicago later in the year.

The runner-up here was Ruth Wilson, Norval, who thereby wins the Kingsway Kiwanis Scholarship of a free Short Course at the Ontario Agricultural College next winter.

The Milton Town Hall was a veritable beehive of industry throughout the day and here the girls exhibited their record books; tempting custards, and participated in Club demonstrations, as well as presenting some very attractive Club displays.

Each Club Member participating in the Achievement Day was presented with an 1847 Rogers Bros Silver Spoon, to add to her hope chest.

County Honor Pins (indicative of 6 completed units of Club work) were also presented to Inez Rae, Margaret Ballm, Barbara Tasker, Marie and Donna Marshall.

The Bank of Toronto Trophy, emblematic of the winning Club team, was awarded to the Nelson Club whose members are Joan McCarron, Helen Vivian and Ruth Featherstone.

When we paid a brief visit to the Town Hall during the day's program we were impressed not only by the quality of work on exhibit, the interesting displays and excellent demonstrations, but even more by the young people themselves. It was an inspiration to look into their faces—they are indeed a real credit to their respective homes, and to this County—it augurs well for the future—homes in their Dominion where these young ladies will play the leading roles.

**Hamilton Minister Heads Conference**

At the first session of the 1953 Hamilton Conference of the United Church of Canada, held at McMaster University on Wednesday, June 2, the Rev. Norman Rawson, minister of the Centenary United Church, Hamilton, was elected president in succession to the Rev. Dr. E. M. Aitken of First United.

Mr. Rawson's first sermon as a 16-year-old student, contained everything he knew, but that must have been something because the little church at Green Bay was crowded out the following Sunday.

The congregation soon realized that he was just a boy with but little resources, so they proceeded to supply him with sermons by the great masters of the pulpit—and he improved on them. He improved enough to follow through into the ministry and now as newly elected President of Conference, he desired publicly to acknowledge his indebtedness to Manitoulin. It was the tolerance, love and understanding of an immature boy by the people of that island that had made his ministry possible, he said.

After his formal induction, Mr. Rawson created a precedent by requesting leave of the Conference to invite Mrs. Rawson to come to the rostrum to be received by the Conference with him. Mrs. Rawson is this year president of the Hamilton Ministers' Wives' Association.

Mr. Rawson informed the Conference that he intended to urge a return to the pre-war custom of Conference Sunday. For the next Conference, laymen should be requested to supply their own pulpit over Conference week-end in order that the business of Conference might be given fuller attention and so that on one day opportunity might be given to all delegates to share a deeper fellowship of worship.

**Picture News from C-I-L**

FIGURES of Annual Reports make fascinating reading when they come from the chemical industry. An interesting item from the record \$26½ million C-I-L spent on new construction last year is its new Coppercliff Plant. Here is control panel of this "push-button" plant where waste gases are turned into the liquid sulphur dioxide essential to pulp mills in the manufacture of paper.

Handy, thrifty, delicious!

CONGRATULATIONS to Donald Garrard—This year's Grand Award Winner on the popular, nation-wide radio program, "C-I-L Singing Stars of Tomorrow", receives his award from internationally known musical figure, Dr. Edward Johnson. Over \$4,000 in musical awards were recently awarded to eight talented young Canadian singers who topped the 44 contestants heard throughout the past season on "C-I-L Singing Stars of Tomorrow".

Now, more than ever YOU CAN RELY ON **RELIANCE**

**FOR YOUNG MEN OF 16**

**Trades Training for an Army Career Under the Soldier Apprentice Plan**

The Canadian Army Soldier Apprentice Plan offers a unique career opportunity for young men of 16 who want a good future. 3-way programme trains Soldier Apprentices for careers as skilled soldier tradesmen.

- Trades training under expert instructors in one of 16 skilled trades.
- Academic training in physics, chemistry, algebra, English, etc.
- Military training as a Canadian Soldier.

Soldier Apprentices follow a balanced programme of study, work and play; live in separate residence at Army Schools under supervision of military and civilian instructors. It's a healthy, beneficial course of training that prepares Soldier Apprentices for fine careers.

Soldier Apprentices are eligible for all Army benefits, pensions and the 30 days annual leave. They receive half pay while 16 but upon reaching their 17th birthday they receive full pay with extra group pay as they qualify.

The young man who is interested in the happy, healthy and purposeful life of the Soldier Apprentice should investigate immediately.

The coupon below will bring you full details without any obligation.

General Officer Commanding, Central Command, Ontario Barracks, Oakville, Ont.

Please send me the booklet on the Soldier Apprentice.
