Observe Rally Day At Church Saturday

(Intended for Last Week)

Rally Day was observed at the Presbyterian Church Sunday morning. Mr. John Freeman, superintendent of the Sunday School, had charge of the program. During the service a trio, consisting of Gertrude and Bernice Freeman and Shirley Dyer contributed a number, "Wonderful Love." Rev. Fred Williamson gave the Rally Day address, "Together for the Lord."

Attend Acton Fair
A number from Rockwood and vicinity attended Acton Fair Saturday. Considering inclement weather, there was a large attendance. Friday evening, the arena was well filled for the events, the Acton band leading off with "O Canada," followed with announcements. The 11th Field Regiment Band from Guelph was present and gave a good account of their marching and musical ability. Two sets of square dancing with four couples each provided some entertainment.

A couple of girls also contributed to the evening's program. Nicklin Brothers gave some daring exploits of their acrobatic performance. Mac Sprowl, president of the fair, reported to be the youngest fair president in Ontario, was in high spirits on behalf of this year's show and was appreciative of his assistants as well as expressing loyalty to Her Majesty, Queen Elizabeth.

During Saturday afternoon, the Acton Citizens' Band contributed several numbers, which were much enjoyed.

Of Local Interest
Miss Joan Pickering, music teacher for the community, is back again for another year of music instruction.

Dr. and Mrs. George Cairns and family have left for their home in Oakville. During their stay in Rockwood, they made many friends who regret their leaving. Mrs. Cairns was also interested in the welfare of the Community club.

Mr. and Mrs. Douglas Patterson of Midland were in town Friday evening on a brief visit with Mr. Stewart S. Royce.

Miss Pat Linfoot, who held the position of chief telephone operator, has resigned to take a course at MacDonald Institute, Guelph. Mrs. Roy Lovell is now acting as chief operator in the office.

FRIENDSHIP

Friendship is a beautiful thing,
That makes one feel like he is
king,
Of all the little birds that sing,
And all the little bells that ring.

Friendship is a glorious feeling,
That makes one feel like he is deal-
ing
With all the joys that now are
reeling
From happy little voices pealing.

Friendship is a wondrous link,
That one knows will never sink,
But will continue to be pink
No matter what the others think.

Friendship is not just fascination,
But it is a grand sensation,
That will make us all a nation,
Of all the very same relation.

Costumes Over 100 Years Old Paraded

A parade of old-fashioned costumes, some of them 100 years old, was the highlight of the grand-mothers' meeting of Dublin Women's Institute, held recently at the home of Mrs. G. Rognvaldson. The president, Mrs. Thompson, presided for the meeting which opened with the Institute Ode and Mary Stewart collect.

In keeping with the theme of the meeting, "The Old Oaken Bucket" was sung.

The delegates to the conference at Guelph were named. Historical research report was given by Mrs. Steele. Mrs. Ross and Mrs. McIntyre gave a reading. Lunch was served by the committee in charge.
