Down Guelph 3-2
May Enter League

A significant triumph was earned by the Acton Soccer club when they succeeded in downing Guelph at the park last Saturday to the tune of three goals to two.

The fact that the Guelph eleven are holding down fourth place in the ten team Southern Ontario league is a high compliment to the locals for their win on Saturday.

Both teams appeared evenly matched at the outset and it was not long before Terry Slaven drove a hard shot past the Guelph netminder to put Acton ahead.

With new determination, the visitors appeared to take charge of the play for a period of time and enabled Guelph's J. Carere to tie it up.

Early in the second half after some action to and fro, Guelph took a 2-1 lead on a screened shot from J. Friel which Jock Calder could not quite get his hands on. Acton's defence stalled off several attempts by Guelph to increase their lead and at times it looked as if they would, until Tony Van Dam fired one home to even the score once more at two goals apiece.

With time running out, both teams waged an all-out effort to take the lead with Acton racking up what proved to be the winner off the foot of Tony Van Dam.

The game ended at a keen pitch with the Acton defence holding fast against Guelph's best efforts to draw even.

This Saturday, Acton will be at home again, this time against Brampton, who at present are leading Acton two wins to one. The kick-off will be at 4 p.m.

Recent developments strongly indicate that Acton will apply for entry in the Southern Ontario ten team league next spring, possibly replacing Galt, who are reported to be withdrawing from competition.

POUNDRING THE SPORTS BEAT
with A. Vengeance

O.L.A. OFFICIALS clamped suspensions on three Acton players over the fracas which occurred last week in the arena in the second game of the finals. Mann and Woods each received two game suspensions for their part in the fistic fracas while Bill Bennett was given a one game sentence. The game was awarded to Acton by virtue of their four goal lead.

Two Bradford players were also suspended: Smart for two games and Patton for one. The result of the donnybrook was that the Acton team, weakened by player losses, lost the next two games in the series and the finals are all tied up now at two games apiece.

The O.L.A. qualifies as the series eveners. They suspended three of the better Rams while Bradford's two game loss didn't mean much one way or the other as the Bradford team has 22 men ready to don uniform. To add to the inequality, Acton had two players unable to make the trip to Bradford Saturday and another valuable, Gordie Burton, wasn't able to be in livory for the Tuesday game here.

Tonight (Thursday) in Bradford the fifth game of the series should see the Acton team back at full strength but they'll have to play real lacrosse to come through with a win. The sixth and what could possibly be the deciding game will be played in Acton on Saturday. A win for Acton tonight would mean that Acton could wrap up the championship on Saturday.

Georgetown has already won the intermediate "B" title, defeating Brooklin 4 games to two. They clinched the crown in an overtime thriller in Georgetown with the N. & G.'s shading the Brooklin club 7-6 on a goal by, you guessed it, Len Caruso, with only a minute and a half left.

BOYS' SCHOOL CHAMPIONSHIPS TAKEN BY ACTON AT ERIN MEET

Acton high school swept track and field meet events to win decisively the school team championship cup at Erin on Tuesday. Acton entrants also won the boys' senior, intermediate, junior and bantam championships and led for the girls' bantam championship. Milton placed second, Erin third and Georgetown fourth.

Champions declared Tuesday are girls' senior, Edna Oates, Georgetown, 11 points; intermediate, Diane Harrison, Georgetown, 14 points; junior, Betty Anderson, Milton, 15 points; bantam, tied, Helen Agnew, Milton and Denise Wright, Erin and Beth Ritchie, Acton. Boys' senior, Don Dawkins, Acton, 20 points; intermediate, Wayne Arbie, Acton, 21 points; junior, Peter Hurst, Acton, 18 points; bantam, Emmerson Baxter, Acton, 13 points.

The T. Watson trophy for the 880 open was won by Paul Barber, Georgetown.

Points were calculated on a percentage basis on school enrolment and number of entrants did not effect the marks.

Following are the results in detail, with the school represented by A for Acton, E for Erin, G for Georgetown and M for Milton.

BRADFORD TIES UP LACROSSE FINALS WITH TWO VICTORIES OVER RAMS

Two wins in the week by the Bradford boxla club over an Acton team weakened by suspensions tied the intermediate lacrosse finals up at two games apiece. Bradford walked the Rams 28-11 on Saturday in Bradford and had a harder time collecting a 9-4 victory on Tuesday here in front of a large home crowd.

The series resumes tonight in Bradford with the sixth game of the best-of-seven scheduled to be played in Acton on Saturday night. The Rams expect to be back to full strength for both games and hope to cup that elusive championship with a win tonight and another here on Saturday.

With Woods, Mann and Bill Bennett suspended as the result of last week's donnybrook, and Krapek and Watkins unable to make the trip, Acton was an easy mark for Bradford on Saturday. They were never headed as they rang up 26 goals to Acton's 11.

Gordie Burton was top hand for Acton, scoring five goals and playing his best game since he was injured in the series with Streetsville. Joe Gerrie and Doug Smith each chalked up two goals in a losing cause while Cliff and Rev Bennett sniped one apiece.

Close Contest Here

Here on Tuesday, in a close checking contest, Bradford pulled away from the Rams with three last period goals to hang up a 9-4 decision. Mann and Woods scoring the last game of their suspension, and Gordie Burton absent, the Acton club couldn't seem to get organized under the incessant Bradford checking.

CONFERENCE ATTENDED BY PASTOR, MEMBERS

Members of Acton Baptist church attended both Friday and Saturday sessions of the 84th Annual meeting of the Guelph Association of Baptist churches in Guelph last week. Mr. Costerus, new pastor of the church, was also present.

One of the highlights was a splendid address by Rev. Frank Swackhamer, Temple Baptist church, Toronto, who spoke last year at Church Hill United church anniversary and is related to the local Swackhamer family.

He spoke during the young people's service Friday evening, which also included song service, devotions and reports. Ernest West gave a report about Camp Hermona.

A pastors' and laymen's conference and the annual meeting of women's mission circles were also held during the two days of meetings, activities, installation of officers and religious services.

Waxed paper sales in Canada amount to \$2,500,000 annually.
