

Crowd Cheers Welcome As Title-Bearers Return

Campbellville went wild on Saturday night, October 10 to welcome home the conquering heroes. The Campbellville ball team had brought the village its first provincial title, by defeating Bloomfield in Picton by a 10-5 score and winning the O.B.A. Intermediate C championship.

The victory climaxed a great play-off record for the Campbellville team as it marked the 12th consecutive game they played without meeting defeat. They swept through the O.B.A. playdowns without losing a single game.

Stan Henderson hurled the final victory and allowed last year's finalists' nine hits, one walk and struck out five. For Bloomfield, Greer and Hayden shared the pitching duties and the two southpaws gave up 15 hits, five walks and struck out five.

Campbellville built up a substantial lead in the first inning. Ken Moore opened the game by drawing a walk and beat the throw to second when Bloomfield tried to force him on Earl Cairn's grounder. Both men then pulled a double steal to put runners on second and third

with none out. Dowling singled both runners home, then promptly stole second. Henderson filed out to left and Early singled, scoring Dowling. Early stole second and scored on McPhail's single. Score: Campbellville, 4, Bloomfield 0.

In the first of the fourth, McPhail opened with a double, and went to third as Bill Cairns was being thrown out and beat the throw to the plate on Bill Robert's grounder. Score: Campbellville 5, Bloomfield 0.

In the last half of the fourth, the

Bloomfield team opened up. McDonald singled and so did Perry and when Jack Laking erred on the hit the runners went to third and second. Storey struck out but Hayden doubled scoring both runners. Dutta struck out but Hamilton singled scoring Hayden. Hamilton went out stealing. McPhail to Dowling. Score: Campbellville 5, Bloomfield 3.

In the last of the fifth, Bloomfield added another. Plattford singled, went to second as Greer was being the throw out, stole third, and scored on McDonald's single. Campbellville 5, Bloomfield 4.

In the sixth, Campbellville came to life again. McPhail and Bill Cairns hit consecutive singles and Bill Roberts walked to load the bases with none out. Ken Moore's single scored McPhail. Bill Cairns came in on a passed ball, and Roberts crossed the plate as Earl Cairns grounded out to first base. Campbellville 8, Bloomfield 4.

In the eighth, Ken Moore walked and was driven across the plate by Earl Cairn's long triple. Jack Laking's single scored Cairns. Campbellville 10, Bloomfield 4.

In the last half of the eighth successive doubles by Stacey and Hayden produced the final run of the game.

Bob McPhail was the big gun in the Campbellville attack as he blasted out a double and three singles. Jack Laking had a double and a single and Dowling and Bill Cairns each contributed two singles.

For Bloomfield, McDonald, and Hayden, each had two hits while Perry, Stacey, Hamilton, Plattford and Greer had one each.

The Campbellville infield played great defensive ball as they chalked up 14 assists and 19 put-outs without making a single error.

Heroes Welcome
At the "Campbellville ball park" at 11:45 p.m. Saturday night the chartered Victory bus bearing the 1953 champions and about 20 fans pulled up in front of a giant bonfire. It was surrounded by crowds of people and the players were showered with confetti as they emerged at the Masonic hall. Cheers, back claps, songs, speeches, hot dogs and coffee greeted the victors.

Rams Win Crucial Game To Deadlock Final Series

After losing a 14-9 decision to Bradford in the fifth game of the lacrosse finals, Acton came back to tie up the best-of-seven series at three games each by shading the Bradford club 13-12 here last Saturday night in a thrill-packed contest that had the fans on the edge of their seats over most of the 60 minutes. It was Jack Mann and Gordie Burton who showed the Rams how to win again after dropping three straight games. Mann pumped in five goals and collected an assist while Burton chalked up three goals over a Bradford team that made a tremendous last period bid in an effort to wrap up the championship which was within their grasp at the end of the first half.

The visitors came within a whisker of tying the game after Acton rang up an 11-7 third quarter margin. Three straight goals in the first seven minutes of the fourth quarter put them on the short end by only one goal and it took two electrifying plays by Jack Mann at the crucial stages to cool the visitors out. They were rewarded with another in the last minute and a furious assault on Norm Young was relieved only by the sound of the final bell.

New Home and Home Series
Since the teams couldn't seem to agree on a site for the venue of the seventh and final game of this hard fought series, the Ontario Lacrosse Association ruled that a two game total-goal series be played on a home and home basis. First game will be in Acton this Saturday night, the series returning to Bradford the following Saturday for the wind-up.

The Rams will go into the series with a new lift after winning Saturday's game. They haven't been playing up to par in their last few appearances. Last Thursday night in Bradford they threw away a comfortable lead they ran up in the first half as Bradford rammed in nine goals in the third quarter.

Close to the Vest
On Saturday the teams played it close to the vest in the first half. Both teams registered only one goal in the initial stanza: Ken Collings scoring for Bradford while Bill Bennett blasted Watkin's pass in to tie it up. Bradford seemed to have more chances in that chapter but poor shooting cost them goals.

Ken Collings put Bradford ahead again at the three minute mark of the second quarter but Rev. Bennett shook loose from his check and beat Bullfit, the visitor's netminder with a shot to the corner to tie it up. Jack Mann retrieved a loose ball at centre and with a clear break to the goal put Acton ahead at 8:10 and then Gordie Burton blasted Krpek's pass in to give Acton a two goal lead. But Bradford took heart when Rowntree finished off a three way play with Alexander and Collings and within 10 seconds B. Collings had another, tying it up until Rowntree hit the target with only a little over a minute left in the half. That gave Bradford a 5-4 lead at the end of the first half and as someone said "put them only 30 minutes away from a championship."

Seven Goal Third Quarter
Obviously, the Rams hadn't heard the news because they came out like a ball of fire in the third quarter. It took Joe Gerrie only one minute to tie the score on a solo run from one end of the floor to the other, and then Mann and Burton fired goals to put Acton ahead before Bray reduced the margin when he was left uncovered. Harold Avery and then Jack Mann from Rev Bennett and Lloyd Smith respectively, scored two more for Acton while Norm Young took up the slack with some nice saves. Burton lit the lamp again at the 11 minute mark before Bray got his second of the period for Bradford's seventh. Cliff Bennett made R 11-7 for Acton on a pass from Jack Mann 25 seconds later and that's the lead the Rams took into the final quarter.

Bradford started the final quarter with an assault on Norm Young that netted them two goals in the seven minute mark bringing them to within one goal of the Rams. Then Norm Young threw Jack Mann a pass that clicked from way back and Mann took some of the pressure off with a neat goal. But two minutes later Tyers fired a low shot to beat Young and it took another goal by Mann, this time on a pass from Lloyd Smith, to ease the pressure again. Then with only 45 seconds left in the game, the Rams ahead 13-11, Tyers scored his second of the period to precipitate another brief Bradford attack that fell short just by the proverbial whisker.

"It was a great win and a hard one to lose since Bradford came prepared to wrap it all up. Acton was without Doug Smith and Ken Woods who were unable to make the game. Doug Smith suffered from a sprained ankle, an injury which he incurred in the previous game.

The most astounding thing about the entire game, however, was the fact that no penalties were issued. After the first two games in the series you can only interpret that as meaning both teams are sticking strictly to lacrosse.

Saturday's game here ought to be a thriller!

Lack of Apprentices Is Felt in Canada
Canada needs 30,000 apprentices, has 10,000, reports the Financial Post.

The country right now needs some 20,000 young men as apprentices in the various trades. A year ago it was estimated Canada was falling behind in her apprentice-training at the rate of 5,000 per year.

Reasons they aren't being trained—reluctance of teenage boys to train for four or five years for less pay than they could earn in other work on a job in which they got their hands dirty and reluctance of the employer to spend money and time training a boy who may leave him at any time or who he feels he may have to pay even during a no-work period.

Canadian industry produces some 815,000,000 paper drinking cups each year.

An exhibition game of rugby was played between Acton and Orangeville in Orangeville on Friday, October 9. It was a warm, sunny day and the game started at 4:00 p.m. Orangeville took Acton 20-20. Only one of the converts out of the nine touchdowns was completed.

During the first quarter, Acton's Paul Lawson scored the first touchdown with a forward pass from Don Dawkins. Using "fake plays," Orangeville pulled ahead of Acton and scored two touchdowns. Only one of their converts was complete. The score board at the end of the first—Orangeville 11, Acton 5.

During the second quarter, Acton's Wayne Arbie shot Acton's score up to 10 by scoring a well-played touchdown. Richard Mason did some professional blocking in this quarter. Paul Lawson scored another touchdown in the lead 15 to 11. Near the end of the second, Orangeville scored a touchdown.

At the start of the third quarter, the score board read Orangeville 16, Acton 15. During this quarter, both teams were extremely good, blocking was excellent and no touchdowns were scored. Many different plays were used but at the end of the third, Orangeville still led 16-15.

With the start of the last quarter, Orangeville drove a long forward pass, touchdown in making the score 20-15. The convert was no good.

As there were only five minutes left in the game, this was the most exciting part of the game. Paul Lawson was awarded a conditional touchdown because Orangeville interfered on a long forward pass to Paul Lawson from Don Dawkins. Acton's convert was no good and that marked the end of the game. Orangeville won 20-20.

Both teams were clean players but I think Acton had the better team because their plays were clever and with a little polish, they can go back to Orangeville and beat them.

Acton's team is as follows: first line: right half, Wayne Arbie; left half, Paul Lawson; quarter back, Don Dawkins; left end, Ron Rolston; right end, Richard Mason; snap, Fred Gordon.

Second line: right half, Dave McVey; left half, Bill Skilling; quarter back, Ross Morton; left end, Bob Cox; right end, Gary Dawkins; snap, Des O'Rourke.

On Thursday of this week, Acton is playing Georgetown in a series for a cup to be given to the best team. Milton is also included in this series and from the game I saw Acton play in Orangeville. I'm sure Acton will get the cup this year.

We are very proud of our field day cup and now we are aiming our sights at the rugby cup.

On Friday, October 9, assembly was held in the public school auditorium with the student council in charge. The main purpose of the assembly was to practice cheers with the cheer leaders.

Don Dawkins presented the field day cup to Dennis Papillon, the president of the student council.

Our field day dance on Friday night was very successful and we were glad to see those out from Georgetown, Milton and Erin. We hope to have more dances in the future.

From general appearances, everyone seemed just a peu fatigued on Tuesday after the long week-end of doing homework till midnight. Ha!

The various grades have been having their form parties and they are reported to be a lot of fun.

On Tuesday, October 13, the student council held their regular meeting. Various matters were discussed and it was decided that the student council would conduct a regular meeting in assembly for the benefit of the students.

Canada is assumed to need a population of 30,000,000 by 1975 to absorb her own industrial production, meet responsibilities of defense and to fill a framework of government four times too large for the country.

Temperance Tople
Rev. Allan Vair of Erin and Ospringe was guest speaker at the monthly meeting of the Women's Institute held Wednesday afternoon at the home of Mrs. F. Fisher, his topic being "Temperance". A splendid film on the subject was shown by the speaker, following which Rev. Vair delivered a timely message.

Holl call was answered by "My idea of Temperance"

The leaders chosen for the project, "Cotton accessories for club girls' bedrooms" were Miss Doris Fines and Mrs. K. Stubbington. It was decided not to apply for the Legislative grant. The motto, "He only as a well made man who has a good determination," was very ably taken by Mrs. Howard.

Mrs. A. McKinney gave an interesting report on the Area Convention held recently at Guelph.

Mrs. Robert Taylor moved a vote of thanks to Rev. Vair, the hostess and all who had participated in the program.

The meeting closed with The Queen and a delicious lunch was served by the hostess and assistants, Mrs. Stubbington and Mrs. McKinney.
