## ROCKWOOD Films of Interest Shown Men's Club

The Men's Club of the United Church held their first monthly meeting of the fall and winter season last Wednesday evening with a fair attendance. Mr. Thos. Gellatly, president, opened the meeting with the singing of the National Anthem and Mr. George Day at the piano, followed by a hymn and Rev. John Dills led in prayer. Mr. Gellatly dealt in matters relative to club activities.

A feature of the evening was a number of films shown by Mr. John Stimpfle of Kitchener, which were interesting all through. The films shown dealt with scenes in Miami, Florida; Texas; California; Boulder Dam on Colorado River, and of great capacity, some 40 miles wide and 115 miles long and a height of 582 feet, concluding with a section of film devoted to Galt horse show.

At the conclusion of the film showing, refreshments were served by a committee and a social time enjoyed.

**Church Changes**  
Owing to anniversary services at the Stone church on Sunday, no services were held in the United Church in the village. A number of United church members joined with the Presbyterian congregation. In the absence of Mrs. John Freeman, organist, Miss Phyllis Gray very acceptably supplied the music for the service at the Hammond organ.

**Overflow Crowd**  
Large congregations attended anniversary services at the Stone church, and at the morning service, some were unable to gain admission. Rev. Glenn Taylor of Fergus was anniversary minister Monday evening, the annual supper was held and well attended.

Monday evening, Mr. Richard Harris was in Acton to see a film in connection with the Men's Club of St. Alban's church. Rev. R. E. Price was in charge of the projector, the film feature being "The Power Within", dealing with Church of England activities in missionary work in the Arctic regions, also Canadian Northwest and the Orient. The film all through was very interesting.

Regret was felt in town last week in connection with Ernie Sigsworth's fatal accident on Thanksgiving Day evening on No. 24 highway.

Sunday at St. John's church was Children's Day and Youth Sunday, with Rev. R. E. Price in charge of the service.

Mr. and Mrs. Sim McLean of Fergus were visitors in town Monday evening.

Quick action of a number of our menfolk quickly extinguished a fire believed set by children on the rocks, before it got beyond control on Sunday morning.

Township workmen are busy widening the crooked hill near the school, making it much less dangerous for both motorists and children.

**Deceit of Injuries**  
We extend the sympathy of the entire community to Mr. and Mrs. Harold Brown in the death of her brother, Keith Joyce, who, after a brave struggle to recover from a fractured spine and paralysis, passed away on Friday in Toronto General Hospital.

**Culture Discussed**  
Miss E. Collins of the W. I. branch, Department of Agriculture, Toronto conducted a most instructive lecture and discussion meeting on cultural activities in the community in Limehouse Memorial Hall on Wednesday.

**Church Anniversary**  
Services at the local Presbyterian church were withdrawn last Sunday in favor of Knox anniversary.

We regret losing Mr. and Mrs. Norman Lutz and small son to Georgetown but instead welcome Mr. and Mrs. Schulz and family from Guelph, who have bought Norm's farm.

Mr. and Mrs. Welbourne and small son of Toronto visited the Geary's last week-end.

Mr. James Wilson recently spent a few days in U.S.A.

Mrs. E. Sanford and Mrs. S. Kirkpatrick with their Sunday school classes enjoyed a winter

## BALLINAPAD Mission Groups Hear Mrs. Ziedman

The autumn Thanksgiving was held on Monday night for all the mission societies. Mrs. Ziedman, from the North Mission, Toronto, was guest speaker.

Miss Mary Jennings took the scripture study. Mr. Russ closed the meeting with prayer.

**W. A. Meets**  
The W.A. met last week at the home of Mrs. Edmunds. The president, Mrs. Marshall, presided. The meeting opened with the W. A. Creed, hymn, prayer and scripture reading. Roll call was answered by telling your grandparents' name and where they were born.

A number of items of business were discussed and the meeting closed with hymn and prayer. For recreation, all watched a program on television, after which a lovely lunch was served by the hostess assisted by Mrs. Russ.

Sorry to learn that Mrs. Bert Rodgers is quite seriously ill in Guelph hospital. Her many friends hope she may have a speedy recovery.
