TO LIVE IN OTTAWA AFTER TRIP TO STATES

Acton United church was the scene of a candle light evening wedding on Saturday, November 28, when Rev. E. A. Currey, B.A., B.D., united in marriage Ethel Ray June Holmes, Ottawa, daughter of Mr. and Mrs. S. J. Holmes, Acton, and Cecil Robert Davidson, Ottawa, son of Mrs. D. Davidson and the late Mr. Davidson, of Petawawa. White mums and candelabra decorated the church.

A white ballerina length gown was worn by the bride, who was given in marriage by her father. Over the strapless nylon and satin gown she wore a redingote of broadened satin fashioned on princess lines, the skirt having gores of nylon net. Her bonnet-shaped head-dress was of broadened satin and net. She carried a white Bible with a mauve orchid.

Attending the bride were her two sisters, Mrs. Cranston Griese, Acton, wore bronze and yellow net over forest green satin, in ballerina length. She wore a tiara of gold sequins, and matching gold sandals. Her bouquet was of yellow mums.

Mrs. H. J. McAnley, Chicoutimi, Quebec, wore a ballerina length gown of orchid nylon net over satin, with silver sequin tiara and silver sandals. She carried yellow mums.

Cpl. Roy Davidson, Petawawa, brother of the groom, was groomsmen and ushers were Donald Davidson, Garson, brother of the groom and Clarke Holmes, brother of the bride.

Miss O. Lampard played the wedding music and accompanied Miss Donna Black, Garson, who sang "The Lord's Prayer and O Perfect Love."

The Sunday school room of the church was decorated with pink and white streamers and bells for the supper which followed. The tiered wedding cake centred the bride's table.

The bride's mother received the guests wearing a crepe and lace dress of French blue, with black and gold accessories and a corsage of sweetheart roses. The groom's mother chose a grey crepe and satin dress, with black accessories and sweetheart roses.

Guests were present from Chicoutimi, Quebec, Garson, Petawawa, Ottawa, Niagara Falls, Beachburg, Baden and Smith's Falls.

The bride and groom, who will live in Ottawa, left on a wedding trip to the northern United States. Leaving, the bride wore a dress of aquamarine corded silk with a brown coat, brown and white accessories, and orchid corsage.

Seek Agricultural Picture With Facts

The Dominion Bureau of Statistics is again distributing to farmers throughout Canada the forms for the annual December 1 survey of livestock, crops and farm labor. Toward the end of November each farmer received the green-colored form in use this year. Realizing the importance of an accurate measurement of agricultural resources and production, each farmer should make an effort to return his completed schedule without delay.

Each form is confidential, has no connection with taxation of any kind and is used only to obtain group totals and averages for making estimates. In this way each schedule helps to form the picture of agricultural conditions. The resulting statistics are widely used by farm organizations, government service branches and other interested agencies. They also form the basis for international comparisons and analysis so essential to world trading in agricultural products. Every schedule is important whether it covers large or small operations and gives each farmer the opportunity to participate in providing most useful information.

Canadian weather observers are in permanent residence at Alert, on Ellesmere Island, less than 500 miles from the North Pole.
