Scout News

By Wayne Currie
Due to examinations, flu and other such ailments, there was no regular meeting Monday night. We are planning for a Christmas party next week and hope for a good turnout.

The photography has been getting along well. All in the group know the fundamentals of developing films, enlarging, printing and portrait work. They are under the instruction of Don Schroeder.

The woodworking class under Bob Robbins is repeating last year's effort to paint and rebuild toys for the less fortunate children. Any who would like to help make "Operation Santa Claus" a success should contact the scouts.
