Saturday is the Big Day in Acton, featuring a Colorful Parade with the Acton Citizen's Band and the Giant Planters Peanut Float complete with Peanut Queen and two dancing Mr. Peanuts. The Float will be here all day. During the day, Rotarians will be on the streets soliciting your support for this year's Peanut Day. Throughout this week a canvass is being made of all homes in the district. If you happen to be out when the canvasser calls, you may obtain Peanuts from any member of the Rotary Club. All proceeds will be used in the Rotary Club's Community Service Projects.

Each Donation to Rotary Club Work Saturday Entitles You to Estimate Number of Peanuts on the Planters Float in a Contest for Prizes
