the town's legal liability in renting the hall for bingo was raised. Reeve J. Stewart maintained the town should require permits to be obtained before renting the hall to any organization for bingo playing.

It was decided to have the parks committee supervise repairs to the screen at the park's ball diamond. Councillor Focitt revealed a complaint that chickens were penned above a local store. This was a matter for the Health Unit to investigate, he advised. Councillor R. Langford was given an affirmative answer to his query if lights had been checked near a Mill Street residence.

Inspection at Arena

Before Monday night's meeting, council as a body inspected the local arena where it was discovered locks off or broken on several doors, light control box open and water running in a dressing room. Councillor Lindsay, Reeve Stewart and Mayor Tyler urged the parks committee chairman to take immediate steps to insure all doors are locked, with new locks where necessary, the leaking pipes fixed and the light switch box locked.

Before council adjourned at 12:20 a.m., Councillor Lindsay deplored dogs running loose in town. Mayor Tyler added that two dead trees in the park should be replaced.

ANDERSON—In loving memory of Connie Anderson, taken May 25, 1941.

ANDERSON—In loving memory of our dear niece, Connie Anderson, who passed away May 25, 1941.

We little knew, when we awoke, that morning, The sorrow that the day would bring.

For the call was sudden, the shock severe, To part with one we loved so dear, We wonder why she had to die, Without a chance to say good-bye.

Ever remembered by Aunt Helen, Uncle Titch and cousins Bobby and Garry Bristow, Hamilton, Ont.
