

FARM NEWS

9881 Average at National
 9881 was the average figure realized for 47 head at the 1954 National Holstein Sale held at Hays Sales Arena, on Monday of last week. Highest figure of the day was \$1500 for a six months old bull calf consigned by J. M. Fraser of Streetsville. The calf in question was sired by A. B. C. Reflection Sovereign out of a McCaugherty bred 20,000 lb. daughter of Inka Supreme Reflection. F. O. Hunter, Norval, and Ashville Farms Ltd. were the only Halton consignors. Their two year old heifers each sold at a \$550 figure. To the best of our knowledge Sam Finnie of Hornby was the only Halton buyer, getting a nice under-estimated springing two year old granddaughter of Montvic Lochinvar 3rd out of a 600 lb. fat daughter of Woodland Payne Hello King. It is reported that 31 of the 47 head were purchased by buyers from U.S. and South America.

95% Seeding Completed
 Thanks to the fine weather of last week 90 to 95% of the cereal grain crop of last week in the ground at the end of last week. Some grain corn has been planted and preparation of land for the silage crop was under way. The cold nights and generally low temperature of last week retarded growth of meadows and pastures. Despite the fact that the new seedings and established meadows came through the winter in top condition, it is going to take some warm showers and higher temperatures to produce a normal crop of hay, that is judging by the condition of the meadows at the week-end.

Livestock men have most of their cattle on pasture which cut down to some extent on chores and enabled the tractors to roll longer hours and complete the seeding.

U.S. Corn Crop Key to Hog Situation

The following comments re the U.S. hog situation and outlook, from a recent issue of "The Livestock and Meat Situation", are of interest: "Hog production will likely continue upward. With the hog-corn price ratio above average the past year, the 1954 fall pig crop is expected to increase around 10 percent from last fall. A further increase next spring is probable. If these increases are moderate, the pork supply per person would be considerably below previous highs and prices for hogs next year, although substantially, below this spring, would probably provide average returns to producers. A greatly expanded production would bring sharper declines."

Bernice Wilson Awarded Championship Trip

The Halton District W.I. Award of a Championship Trip has been won by Bernice Wilson, of the Ashgrove club, states Mrs. Mabel Borgstrom, Halton Home Economist. While details for the trip have not as yet been completed, it is our understanding that Miss Wilson will accompany the bus party which will visit points of interest in Ottawa, New York and Washington.

Junior Farmers Stage Tenth Anniversary

The Junior Farmers' Association of Ontario is celebrating ten years of successful organization and activity on June 5 and 6. The anniversary will be held at the Ontario Agricultural College, Guelph.

Girls' Conference at O.A.C.

One hundred Junior Homemakers from all parts of the province will stage a Conference at the Ontario Agricultural College from June 22 to 25. Owing to the limited accommodation each county is limited to two delegates. Rumour has it that Margaret Bird of Ashgrove club and Marilyn Cleave, of the Norval club are to be the two "fortunate" delegates from Halton. We also understand from Mrs. Borgstrom, that Halton Junior Homemakers will be represented by a team of two girls in the National Club Week Programme next November. The young ladies who

have been selected are Ruth Featherstone and Helen Vivian, of the Nelson club. There is a possibility that these two young ladies will also have the opportunity to attend the Guelph Conference next month.

Youngest President of Fall Fair at 22

Ray Everdell, who at 22 tops Mac Sprawl's record as youngest president of Acton fall fair has ever had, has been on the fair board for the past four years. He has been vice-president of the fair for four months, and with the resignation of president John Moles last week was named his successor. Mr. Everdell, who is married with two children, is an employee of Masales Dairy in Acton. He lived in Hillsburgh before coming to Acton. He attended Acton schools. During his four years of experience on the fair board, he specialized in the supervision of light horse classes. Active in Junior Farmer work, he has been a member of Acton Juniors for six years. He has acted as secretary and president of the group, and on the Halton board representing the local club. For two years he was a member of the Halton Grain Club, one of them as president; for one year was president of the Halton calf club and was in the Tractor Maintenance Club. He is also a director of the Halton 4-H clubs. He has participated in two judging competitions at the Ontario Agricultural College.

At 2 o'clock the following: **COWS AND YOUNG CATTLE**—1 reg. Holstein cow, bred Nov. 23; 1 Holstein cow, bred Sept. 23; 2 Holstein cows, fresh 10 days; 1 Hereford cow, in full flow, not bred; 1 Jersey cow, bred Sept. 22; 1 Guernsey cow, bred Nov. 13; 1 Holstein heifer, bred Dec. 16; 1 Holstein heifer, bred March 9; 1 Holstein heifer, 2 years, not bred; 1 veal calf; 2 Holstein heifers, 6 mos. old; 4 Holstein steers, 4 mos. old. These cows and heifers all bred to Maple unit sires.

Eight Teams in Rural Softball League This Season; All Officers Re-Elected

At the annual meeting of the Halton Rural Softball League, all of last year's officers were returned to office as follows: president, Erwin Shepherd, R.R. 2, Burlington; vice-president, Walter Eves, Omagh; secretary-treasurer, Warren McNeven, Kilbride.

Eight teams comprise the league, Omagh, Hornby, Milton Heights, Palermo, Tansley, Lowville, Kilbride and Haltonville. The winner each year is awarded the Milton Milling Company Trophy. Last year's winner was Palermo.

Games were played on Tuesday and Friday nights at the various parks and all games start at 7.30 p.m. sharp except Lowville home games, which are played under lights.

The schedule follows:

May 28 — Tansley vs. Kilbride; Palermo vs. Omagh; Hornby vs. Milton Heights; Haltonville vs. Lowville.

June 1 — Kilbride vs. Palermo; Omagh vs. Tansley; Lowville vs. Hornby; Milton Heights vs. Haltonville.

June 4 — Hornby vs. Kilbride; Tansley vs. Milton Heights; Palermo vs. Lowville; Haltonville vs. Omagh.

June 8 — Kilbride vs. Haltonville; Lowville vs. Tansley; Milton Heights vs. Palermo; Omagh vs. Hornby.

June 11 — Tansley vs. Palermo; Hornby vs. Haltonville; Omagh vs. Kilbride; Milton Heights vs. Lowville.

June 15 — Haltonville vs. Tansley; Palermo vs. Hornby; Kilbride vs. Milton Heights; Lowville vs. Omagh.

June 18 — Tansley vs. Hornby; Haltonville vs. Palermo; Lowville vs. Kilbride; Omagh vs. Milton Heights.

June 22 — Kilbride vs. Tansley; Omagh vs. Palermo; Milton Heights vs. Hornby; Lowville vs. Haltonville.

June 25 — Palermo vs. Kilbride; Tansley vs. Omagh; Hornby vs. Lowville; Haltonville vs. Milton Heights.

June 29 — Kilbride vs. Hornby; Milton Heights vs. Tansley; Low-

POWER FROM THE ATOM

It has been estimated that by 1965 Britain may be deficient in coal by about 20 million tons. The stimulus that dwindling reserves of coal will give to the production of power from nuclear energy was referred to by Britain's chief atom scientist, Sir John Cockcroft recently to British members of Parliament. Nuclear power stations capable of developing 5,000 megawatts would have to be constructed.

AFTER 40 YEARS

Napier Moore writes in The Financial Post about a contractor and a passenger conversation on an Alberta train. The passenger looked at all the conductor's badges, was told each one counted for five years, for a total of 40. "Do you like the work?" the passenger asked. "I think I'll stay," snapped the conductor.

The United States is admitting immigrants at the rate of about 250,000 per year, Canada at the rate of about 134,000 per year.

ACTON MANAGER of the Bank of Montreal is William G. Davey, formerly of Hamilton, who succeeds Gordon A. Oder following his transfer to Amherstburg.

BOYS OF ACTON
Camping in Muskoka
 AT CAMP NAGIWA, JULY 4th to JULY 18th
 JULY 18th to AUGUST 1st
 Camp fees \$18.00 per week
 This camp is sponsored by the Acton Y's Men's Club in conjunction with the Guelph and Galt Y.M.C.A.'s
 We would like every boy in Acton to take advantage of this opportunity to attend camp. The Y's Men's Club will help financially in special cases, so let's have your enquiries or applications.
 Literature on the camp is available at the Acton Y.M.C.A.
 Act now as the enrolment is limited.
 Drop in and discuss the matter with Dick Schmill at the Y

HYDRO RESEARCH
 Saves You Dollars
 In Ontario Hydro's Research Division some 298 people, of whom 80 are Research Engineers, maintain a constant study of electrical, structural, mechanical and chemical problems, as well as the testing and quality control of all items used in the Commission's day-by-day activities. A close liaison between the Laboratories and all other Hydro Divisions results in high efficiency and maximum economy.
 DO YOU KNOW? Hydro was the first in Canada to adopt safety tests of electrical apparatus for the protection of the public. This a new record on by the Canadian Standards Association.
 ONTARIO HYDRO... AT WORK FOR YOU AND YOURS
 Information concerning Ontario Hydro can be obtained by writing your Hydro Chairman, 620 University Avenue, Toronto.

Test it your way!

TEST IT FOR LOOKS
 If you like sleek styling, you'll like Plymouth. It's lower than most cars in its field... over 3" longer than ever before. Inside, its two-tone fabrics and fine appointments rival those of expensive cars.

TEST ITS "GO" AND HANDLING EASE
 Pick a really steep hill to check Plymouth's lively, high-compression engine and reserve power. Then see how you can park with one hand with reliable Full-Time Power Steering, available at moderate extra cost.

TEST ITS SAFETY FEATURES
 Try the electric windshield wipers that never stall or slow down. Ask about such added safety features as Safety-Rim wheels that hold tires securely in case of a blowout. These items are of special interest during May, which is Safety Month.

TEST IT FOR EXTRA VALUE
 In Plymouth you get many quality "extras"... things like the oil-bath air cleaner and Oilite fuel filter. Ask about them. You'll see why "it's PLYMOUTH for VALUE."

Learn why the beautiful **PLYMOUTH** is Canada's BIG-VALUE buy!

A Plymouth is waiting for you! Come in and road-test it soon.

Manufactured in Canada by Chrysler Corporation of Canada, Limited
 Look to your CHRYSLER-PLYMOUTH-FARGO dealer for more value in used cars, too!

3rd VICTORY LOAN BONDS
 have been
CALLED FOR PAYMENT JUNE 1st
 IF YOU HOLD Third Victory Loan 3% Bonds (issued November, 1942 to mature November, 1955) they should be presented for payment on or after June 1st through any branch bank in Canada. AFTER THIS DATE NO FURTHER INTEREST WILL BE PAID. The interest coupon dated November 1st, 1954 and all coupons dated later than this must be attached to the bonds when they are presented for payment. Payment will be \$101.26 for a \$100 bond (and for other denominations accordingly). This payment includes a \$1 premium as required by the terms of the bond—plus 26¢ which is interest at 3% from May 1st to June 1st—the period since the last coupon became payable.
