## Former Resident Buried Here Thurs.

Many friends and relatives of Acton and district gathered last Thursday at the Victor B. Rumley and Son funeral home and at Fairview cemetery in tribute and sympathy in the passing of George E. Anderson. He was an only son of the late James and Mary Anderson and spent his boyhood days here and attended Acton schools.

For a number of years he has resided in Wallaceburg and for the past four years has not enjoyed good health. Surviving are his wife, Dorothy Long, and one daughter, Donna. Three sisters also remain, Mayme (Mrs. Sherrington), Hamilton; Edna (Mrs. Malone), Toronto; and Beth (Mrs. Powell), Brampton. To all of the bereaved, sympathy of many friends here goes at this time. The service in Acton was conducted by Rev. R. H. Armstrong of Knox Presbyterian church.

## Acton High School News

STUDENTS OF THE WEEK  
Joe Brady

Joe is a brother of Elizabeth, whose life was second in this series. Joe was also born in Budapest, Hungary, and came to Canada with his family in 1947.

Out of school, Joe is a member of the local "Y", taking an active part in the activities offered there, and winning awards. He also plays hockey in the local junior leagues. He studies piano from a local teacher and Joe is doing well in it, too. In the plays presented at the commencements, he has taken part and is a natural actor.

In public school he came close to the top of his grades and now is doing just as well in Grade 11. In the Christmas examinations, just past came first, and also in the Easter examinations with 88.5 per cent. Joe, like Elizabeth, is bilingual. That is, he speaks more than one tongue fluently. (He speaks three!) He is now learning his fourth. He hopes to go to university and major in those languages and we hope he does.

**Barbara Turner**

Barbara is the only child of Mr. and Mrs. Nelson Turner who live at the Dr. Beatty farm, R.R. No. 4, Acton. She was born in 1936 in Hamilton and later lived in Toronto before moving to the Acton district.

Barbara attended Dufferin Public School, just below Speyside. Her grades were very good and she has done quite well in high school. In Grade 9 and 10 she came second, but in 11 and 12 came first. This year in Grade 13, Barb came first at Christmas and the same at Easter with 77.4 per cent.

Outside of school, she has served on the Students' Council and this year is Grade 13's representative on said body. Also, she plays the piano and sings. Glee club work has been one of her activities.

This fall, Barbara begins her studies at Weller College, Toronto, in Secretarial Sciences and we're all sure that she will be successful in her venture.

**Film on Tumbling**

The Grade 9A assembly was staged on Friday, May 28. Marjory McDonald accompanied at the piano for the opening exercises. Juanita DeForest led in the devotions. Leona Watson favored with a piano solo, "Peasant Dance." Wayne Spiars introduced the film, "Advanced Tumbling" which dealt with gymnastics at Cornell University. A short assembly, but good.

On Tuesday evening, the Students' Council, met to discuss plans for the coming month. It was decided that the S.C. would hold its last assembly of the year on Wednesday.

**Staff Changes**

At our new school next year, we will just have two of this year's teaching staff, Messrs. Hansen and Heron. Mr. Robbins has accepted a position as principal at Stouffville. Miss Harris will be teaching Guidance and some English and is Girls' Counsellor at Alliston High School with a former principal of Acton High, Mr. C. A. Stewart. Miss Snyder will teach languages at Tillsonburg High School, and Mrs. Hess Home Economics at Georgetown High School. We all wish them the best of luck in their new schools.

A number of spruce at the school were thinned out on Tuesday along the River Street bank of the creek.

Mr. Heron is ill with pneumonia and will not be back before June 14. We wish him a speedy recovery.

Exemption lists will be posted on Wednesday, June 9 and examinations begin on Thursday, June 10.

Diplomas were received by the graduating class of the Guelph General Hospital School for Nurses at the graduation ceremony held last Friday evening in the War Memorial Hall. Miss Joyce Greer of Acton was among the graduates and attending from town were Mr. and Mrs. J. Greer James and Bill, and Mr. and Mrs. Bentley Wilson.

## Glad About Ad

A gentleman reported to the Press from this week that a classified ad he had placed in the paper had resulted in a deluge of about 35 replies! His small ads proved so successful in results and sales that he now uses the columns regularly.

Another advertiser, this one from a town about 20 miles distant, didn't expect too many replies to an ad he placed in this paper. It proved so valuable, however, he has asked that the ad be continued for a month!

A small ad at small charge nets you the same response and profit!

## C.N.I.B. Campaign Hits Local Quota

Halt County has reached its quota of \$32,000 in the campaign to raise funds for the new rehabilitation center of the Canadian National Institute for the Blind, according to L. D. Maxwell, county chairman.

Mr. Maxwell said the response of the public and industry to the C.N.I.B. building fund was particularly gratifying in view of the number of requests being made by canvassers for other charitable organizations.

C.N.I.B. Building Fund Headquarters have announced receipt of close to \$3,000,000 toward a target of \$3,150,000. C.N.I.B. officials were confident the goal would be reached.

The first sod for the new C.N.I.B. rehabilitation centre was broken in Toronto on Monday.

## Guida & Brownie News

The Brownies held their regular meeting at the Scout Hall on Monday, May 31.

After the opening exercises the Brownies went outside for a game of ball. They then played another game called French tag.

The Brownies sang a few songs and then closed the meeting by singing Taps.

The regular meeting of the Girl Guides was held at the Scout Hall on Tuesday, June 1.

The meeting opened with the formation of our horshoe and the repeating of our Guide prayer. Each patrol then returned to their own corner. Cookie Day and Decoration Day were discussed with those who had not been present at last week's meeting.

Everyone enjoyed a sing song and a game. The meeting closed with the vesper hymn and taps.

## Attend Ordination Of Benson M. Jones

Members of Acton Baptist church were invited to attend the ordination service of Benson M. Jones at the Baptist church in Hillsburgh, Thursday, May 27. Mr. Jones came to Hillsburgh in 1951 while a student at McMaster University in Hamilton. He graduated from the Divinity School this spring.

Those from the Acton congregation serving on the ordination council were Pastor Ray Coster and Mr. and Mrs. Hugh M. Reid.

The council met in the afternoon and was very pleased with Mr. Jones' statements of faith. Following this meeting a fine meal was served by the ladies of the church. Other members of the congregation journeyed in the evening to Hillsburgh for the evening service.

Rev. Walter B. Fisher of New Hamburg presided over the service. The charge to the church was given by Rev. Harold Baldson of Kitchener; the charge to the candidate by Rev. J. C. Williamson of Preston. Prof. G. P. Albaugh of McMaster gave the ordination prayer while Mr. Jones knelt and all the ministers of the congregation carried out the scriptural injunction of the laying on of the hands of the church.

Rev. Arthur Loyner of Toronto, to whom Mr. Jones is indebted for his encouragement when he first began to consider entering the ministry, gave the main address emphasizing that a minister is called to preach Jesus above all else.

Rev. Jones has accepted a call to the Baptist church at Scotland, Ont., and preached his farewell address on Sunday. Archie Goldie will become Hillsburgh's new pastor. At present he is a student at McMaster University.

Benson Jones is well known in the district, where he has been active in Baptist Young People's work and the Junior Farmers organizations.

## St. Matthias Group Hosts To Acton Men

The Brotherhood of Anglican Churchmen, St. Alban's Chapter, were guests of the Men's Club of St. Matthias Church, Toronto, on Tuesday, May 25. Two car loads made the trip and enjoyed a social evening of carpet bowling, euchre, cribbage and good fellowship.

Refreshments were served by the men of St. Matthias Church.

It is hoped that the Brotherhood Chapter at St. Alban's will be able to play hosts to the Men's Club of St. Matthias' Church sometime in the fall. The invitation to the men of St. Alban's came through the kindness of Garnet Rose who was a member of St. Matthias' Church and of their Men's Club before moving to Acton.
