**CUB & SCOUT News**

The regular meeting of the Acton Scout Troop on June 7, started off with a ball game. Following this plans were made for the parade on Decoration Day.

The scouts then worked on the lawn at the front of the Scout Hall. This ended the meeting. Any scouts interested in scout camp should contact Dave Dills.

Again last week more Cubs were welcomed into the Pack as they renewed their pledges before Akela and the Pack. The boys were Jon Hurst, John Leatherland, Paul McGeechie, Ronald Mellon and Robert Parker.

Some carried on with their First Star test work and presently there are three boys who have almost completed these tests.

As six competitions progressed into the fourth week, the Red Six was successful in emerging as Pack victors for the second time with 72 points. Following closely were the Yellow with 66, White 6, and Tawny 50. The competitions will carry on for three more weeks, the winning Six to be rewarded for their efforts.

David Smith representing the Yellow Six, last week's winner, was honoured by being the Cub to lead the Pack in both the opening and closing Grand Howl.

During campfires, the Pack was told the story of St. Patrick. Patron Saint of Ireland. A song song closed the campfire programme.

Tonight the Pack will hold most of its meeting outside. Instruction will be given on hopping, somersault, leap frog, book balancing and ball throwing—all First Star tests. Games for the evening will be based on the instruction outlined with points being awarded to the Six most alert in each event.

—Murray Scoyne, Akela.

The Brownies held their regular meeting at the Scout Hall on Monday, June 7. After opening exercises the Brownies went to their corners for inspection.

Then they had test work and following this, they went outside for games. The Brownies closed the meeting by singing Taps.

**Film on Eskimos At Chapter Supper**
