OBITUARY
Born in England Farmed Near Acton

William Fryer, who was a prosperous farmer in this district from 1899 until his retirement in 1915, passed away in Guelph General Hospital on Sunday, July 4. Mr. Fryer, who lived on Main St., Acton, had been ill only a short time.

He was born in 1868 in Kent county, England, the son of the late Thomas Fryer and Elizabeth Anne Court. He came to Canada in 1888, and was married in 1890 at Siltville to Mary Ann Hodgins, who predeceased him in 1931.

He was a member of St. Alban's Anglican church, and was church warden for seven years.

Rev. Ralph Price conducted the funeral service at the Victor Rumley and Son funeral home on Tuesday, July 6. Pallbearers were: grandsons, Wilmer Fryer, Jack Fryer, Kenneth Fryer, Norman Fryer, Robert Kerr and Charles Shultis. Flower bearers were eight granddaughters, Irene McLeod, Ida Heveran, Fern Shultis, Marion McDermott, Joan Kerr, Elda Fryer, Doreen Fryer and Shirley Fryer.

Mr. Fryer is survived by six sons, Walter, George, Edward and Alfred of Acton, William of Toronto and Herbert of Guelph. Two brothers also remain, Thomas Fryer of Hagersville and Harry Fryer of Georgetown.

Floral tributes were received from: the family; neighbors; Local 479, Beardmore's; the Hodgins family (Guelph); Public Works, City Hall (Guelph); Mr. and Mrs. Lionel Allen, Guelph; Mr. and Mrs. John Tracy, Montreal; Civic Employees Union, Local 241, Guelph; Directors and Staff, Beardmore and Co.; Mr. and Mrs. C. Shultis; Mr. and Mrs. Ken Fryer; Harry Fryer, Louisa and Jessie, Georgetown; Great grand-daughters, Anne, Brenda and Wendy Fryer, Guelph; Grandchildren, Ida and Joe Heveran, Edna and Wally Gordon, Wilmer, Jack and Elda Fryer; Grandchildren, Guelph: Norman and Glenn, Jim and Marion, Henry and Mae, Doreen, Billy, Betty, Jimmie and Judy; Elda, Jack and Wilmer Fryer.

RECTOR OF ST. ALBAN'S church, Acton, and St. John's church, Rockwood, Rev. Ralph E. Price has accepted the appointment as rector of the parish of Fonthill and Port Robinson. The new appointment is effective Sept. 15.

Acton 6, Dundas 1 Two Fluke Goals Game's Highlights

Agon Soccer Club continued its winning streak last Saturday when Dundas Rangers visited Acton and lost by six goals to one.

Play in the opening minutes of the game was erratic. Acton's forwards did plenty of attacking but their shots either went wide of the posts or high over the bar. The only shot that really tried McPhail in the first 15 minutes was one from L. Nolan, which the goalie just managed to push past the upright for a corner, one of seven taken by Acton in the first half.

Dundas opened the scoring after 20 minutes when the ball bounced awkwardly inside the penalty area and struck Skipper's hand. Casson took the kick and scored into the bottom left corner. This seemed to settle the Acton players. Two minutes later Allen received a pass right in front of Dundas' goal, hooked the ball over his shoulder and evened the score before the surprised goalie could even move.

Two Fluke Goals

Shortly after, Fish put the home team ahead when he brought the ball up himself and scored with a long lob that just dropped under the bar.

Acton kicked off in the second half and with a well-planned move got the ball up the field to Nolan who scored.

The next two goals could be described as "flukes." The first one came during a long scramble in front of Dundas' goal, during which every attacker had at least one shot at goal without getting the ball through the mass of defenders. Sutton shot from an impossible angle; the ball hit Allen's chest and rebounded into the net yards away from the goalie. Fish again brought the ball up the field, centred straight to Gunson, the opposing left back, who seemed sure of clearing it. However, he mistimed it and instead of heading the ball out, put it into his own net.

Beat Guelph 3-2

Just before the final whistle Allen got the last one with a "net-buster" from quite close.

Despite the score, the game was not one-sided. Dundas has improved over the season. Casson and Singer were about the best they had. But Davies and Hall kept them well covered. Fish seemed glad to be back in the forward line for Acton again after his spell with the half backs although he played his usual dependable game in that position when Acton beat Guelph City 3-2 last Thursday evening.

After the game the referee, W. Divorski of Guelph, congratulated the teams on a good clean game. Acton's scorer, Skipper, Hall Nolan A. Davies, Wilson, Bottomley, Nolan L., Allen, Fish, Sutton, Soike, Smedema, Taylor.

—A row of evergreens is being planted down the centre of Acton Boulevard by the town this week. The trees, dividing the two lanes on the street in front of the new high school, will be an attractive addition to the site.

Present Diplomas To Over 150 Children At Vacation School Parents' Night

The sixth annual vacation Bible school, with an attendance more than double any of the five previous years, was climaxed Friday evening by the parents' night held in Knox church. Over 150 certificates were presented to children from two to 14 who had attended four or more sessions.

Parents and friends joined the youngsters after their week of classes to see and hear what they had learned. A short worship service led by Rev. R. E. Price opened the program. Ted Hanson played the organ during the opening.

Rev. R. H. Armstrong, who was in charge of the vacation school with Rev. Price, Rev. E. A. Curry and Pastor R. Costerus, welcomed the group and thanked particularly the 14 ladies who had helped the ministers during the session. They were Mrs. D. Cook, Mrs. L. Simpson, Mrs. Little, Miss Lottie Moore, Miss Lynda Mann, Mrs. R. Robbins, Miss Beryl Flynn, Mrs. William Toth, Mrs. R. E. Costerus, Mrs. Gordon, Mrs. R. E. Price, Mrs. Neil Patrick, Mrs. E. A. Curry and Mrs. R. H. Armstrong.

Three classes were held, the beginners, primary and juniors. The largest group was in the primary division. The beginners were divided into two groups, the two and three year old tots and those four and five.

Continuing the program, the junior and primary classes recited memory work. After everyone sang When Mothers of Salem, the kindergarten pupils, many of them having their first experience of school, sang Jesus Loves Me. The primary group sang Praise Him and the juniors, Fairest Lord Jesus in two parts, and Holy Spirit Hear Us. Mrs. R. Price accompanied the children on the organ.

Two film strips were shown, one for the children and one for adults, on home life.

Diplomas were presented to each child who attended four or more classes. Each also received an illustrated religious booklet. Special gifts were given to Judy Morton and Allan Fetterly who brought the largest number of cents to the school. After a hymn, benediction by Rev. Armstrong concluded the program.

The children were taught singing, Bible reading, memory work and handicrafts, with special times for flannelgraph stories by Miss Beryl Flynn and recreation.

The school, under the direction of the Ministerial Association, was highly successful, registration far surpassing that of the previous five years.

76TH ORANGE WALK FOR C. K. BROWNE

C. K. Browne of Acton, marching in his 76th Orange parade, was among those who observed the anniversary of the Battle of the Boyne in Hamilton Saturday. Orange and blue predominated there as 6,000 Orangemen from southwestern Ontario and the United States marched to the music of the fife and drum.

Mr. Browne first marched in a Twelfth of July parade at the age of eight, in Simcoe county. He is 84.

The colorful parade, including local representatives, forged at the Orange Hall, Park St., Hamilton, and marched to the cenotaph. The Lament was played by a member of the Argyle and Sutherland Highlanders of Canada.

Some of the marchers wore orange lilies and sweet william from Belfast, Ireland, for the event.

A wreath of orange lilies, chrysanthemums and snapdragons was laid at the cenotaph. Officiating were William Shannon, Wentworth County Grand Master, and Margaret Crockett, past Grand Mistress of the LOBA in North America.

Setting Of Flowers At Summer Nuptials

Fletcher Haven, R.R. 1, Campbellville, was the scene of the wedding of Miss Frances Mary Fletcher and Donald Edwin Dean. The bride is the youngest daughter of Mr. and Mrs. Austin Fletcher, Campbellville and the groom, the only son of Mr. and Mrs. Norman Dean of Cooksville. Rev. Mr. Dilts of Rockwood performed the five o'clock double ring ceremony, assisted by W. Slinn of Ebenezer United church. A bank of pink and white peonies and orange blossoms made an attractive setting.

Given in marriage by her father, the bride wore a floor length gown of white French lace over net featuring a bouffant skirt. The sleeves were long with puffs and coming to lily points over her hands and she wore cultured pearls, the gift of the groom. A crown of pearlized flowers held her fingertip veil and she carried red roses and Stephanotis.

The maid of honor, Miss Patricia Beattie of Timmins, was her cousin's only attendant and wore yellow nylon chiffon and net over taffeta, with matching accessories. She carried a shower bouquet of yellow chrysanthemums, gladioli and Stephanotis.

Donald Rayner of Toronto was the best man.

Mrs. Noreen Schmidt of Detroit played the wedding music, accompanied by her daughter, Mary Lou, and Maxine and Glenna Dyer on violins. Mrs. Kay Slinn sang Love You Truly during the signing of the register.

A reception for 85 guests was held in the Sunday school room of Ebenezer church where the tables were beautiful with summer flowers and the four-tiered cake was flanked with four white tapers.

Mrs. Fletcher received her guests in blue lace with navy accessories. She was assisted by the mother of the groom who wore a pink taffeta dress with matching accessories.

For travelling north, the bride chose a turquoise suit with beige accessories. Her corsage was of pink roses.

Guests were present from Detroit and Pontiac, Michigan; Timmins, Toronto, Cooksville, Guelph, Sutton, Dunnville, Fergus, Campbellville, Rockwood and Arkel.

Score Six Runs In First Inning

With the whole line-up at bat in the first inning, Acton juvenile baseball team scored six runs and went on to defeat Georgetown 10-7 last Thursday evening in Georgetown.

Righthander John Cunningham went the distance on the mound for the victors, tossing a neat five hitter. He never gave more than one hit up in an inning except for the bottom half of the seventh when the Georgetown club knocked him for two singles.

Georgetown used two pitchers in an effort to stem the Acton bats. Timleck started on the hill but was relieved by Harrington in the early innings. Acton collected eight hits from both Georgetown pitchers.

Bill Skilling paced the Acton batters with two hits in four trips while Hentley, Paul Lawson, Cunningham, Coon, Tucker and Mason each contributed one. Lawson's blow was the game's longest; it was a bases empty home run in the top half of the third.

Harrington and Timleck with two hits apiece and Gibbs with one got all the Georgetown safeties.

Acton booted three balls while the losers made only one miscue but the nine free passes issued by the Georgetown battery kept the bases busy. Cunningham walked only two batters.

New Process Keeps Vegetables Fresh

BRADFORD, Ont. (CP) — Limp lettuce may soon be a thing of the past. The first vacuum cooling plant for leafy vegetables is expected to be in operation soon near this market garden centre 25 miles north of Toronto.

Developed six years ago in the United States, the vacuum cooling process increases the edible life of the lettuce to three weeks from 48 hours. It also eliminates wastage for the retailer and brings to the table lettuce that has lost little of its nutritive value or original taste.

Lettuce at present is prepared for long haulage by being packed in ice, which preserves it for a maximum of 72 hours.

Under the new cooling system the water is boiled off the lettuce under pressure which prepares the lettuce for loading in refrigerated cars or trucks.

At the Bradford plant, two 50 foot long evacuation tanks, 7 1/2 feet in diameter, will process two carloads of lettuce an hour and 30 carloads a day at the season's peak.

Canadians use more milk products per capita than any other people in the world, according to recent statistics.
