

# ROWLING

Mason Knit ladies took the foul line September 1st for the start of the official schedule and Alley Katz with two quick wins from the Hepkats landed in first place. After dropping the first onto to Cardinals, Bluebirds sang a song of happiness as they grabbed off the last two games to go into a top spot tie.

Jazzy Joe's bowed to the Weenies in the first two chuckers but came back strong to snaffle the last go by enough to make it one and totals.

On the individual records, Lois Turkosz racked up the high single with a 236 while Betty Dolphin took the triples honors with a 550 count. League standing—Alley Katz 5, Bluebirds 5, Weenies 4, Jazzy Joe's 3, Cardinals 2, Hep Katz 2.

High average: Betty Dolphin, 550, high triple, Betty Dolphin, 550, high single, Lois Turkosz, 236.

The quiet of Main Street was shattered Saturday a.m. when Acton teen-agers went into action on a pre-schedule bowling stint. This gave the beginners a chance to learn the fundamentals of the game before they start the official opening this coming Saturday. (The league is still open for members, both male and female.)

Off the cuff notes: Baxter Lab's league goes October 6th, 7 p.m. Joyce Masales, with a neat 263, walked off with last week's I.G.A. voucher.

The feverish activity around our fair town of Messrs. Dave Drysdale, Tinnie Masales, Gord Wagner, Bill Williams, Harold Townsley, Coon Varey et al is the hint for sharp shooting maple maulers to bolster their respective teams in the Acton Major League which swings into heavy action this date of issue.

The question has come up about left-handed bowlers reversing the count on the 4 and 5 pins and taking the right hand corner pin as the counter. To this we can only say that the O.B.A. makes no exception for left-handed bowlers. Of course, some leagues change this rule to suit themselves, but that is a matter for the league itself to decide.

Just about here, we want to thank all you kind hearts and gentle people who have put up with the inconvenience of our entrance. We hope the new entrance will soon be finished and the need to precariously balance yourself across a boardwalk, over.

## Local News

William Dobie is the new clerk at the post office.

Fire Prevention Week, this year from October 3 to October 9, is the oldest and most widely observed of all the special weeks. It usually includes the anniversary of the date of the great Chicago fire—October 9, 1871. Acton during Fire Prevention Week.

Warden J. J. Stewart, Acton, was one of the winners in a lucky draw sponsored at Milton Fair by the insurance committee of Halton Federation of Agriculture. Three valuable items of electrical equipment were prizes in the draw. Other winners were George Smith, Norval and Russ Harbottle, Campbellville.

With the aim of establishing teen-age groups for boys and girls in every Presbyterian church in Canada, the Guelph Presbytery held a training conference in Knox church, Guelph, Rev. R. H. Armstrong of Acton and Miss Ruby Walker of Toronto acted as a training team for the presbytery. Miss Walker is the regional secretary for the synod of Kingston, Toronto, Montreal and Ottawa.

## B.Y.P.U. Find Clues In Pond, Pit, Cave

A treasure hunt which led about 40 Baptist Young People to most unusual places climaxed with a winner and corn roast last Friday evening. Travelling in 5 cars, the group sought clues which were located in bottles in the pond, at a gravel pit at the Baptist church, where it was necessary to put on some pieces of clothing backwards before proceeding to a restaurant for a clue, to a cave at Rockwood complete with candles, ropes, and finally to Bill Garner's home at Crewson's Corners.

A prize was given there for the best skit. A brief devotional period was held.

There were about 150 visitors at Halton Centennial Manor on Sunday when the Oakville Citizen's Band, Oakville Legion Pipe Band and members of the Oakville Legion and Legion Auxiliary presented a program.
