### Acton High School News

By Neil Benton

All grades in the school now have desks and what a difference it makes! We had all become quite adept at balancing a pad on a knee upon which to write.

**Form Parties**

Two form parties were held over the week-end, grades 11 and 9B on Friday evening. Grade 11 went to the "Manes" farm in Nassagaweya township and grade 9B in the Beaver Meadows in the west end of town. Both forms came back to the school for dancing afterwards.

**Red Feather Games**

The boys' football games of 1954 are being held on Friday and Saturday, October 22 and 23 at the C.N.E. Stadium. A bus load from Acton High School is going.

**Intramural Volleyball**

The boys' intramural volleyball schedule has been posted on the bulletin board. The games will be held at noon hours. The first game was on Wednesday between T. Foutitt and B. Coon and the score was 23-15 for Foutitt. This is something new at Acton High School during my time, so we wish Mr. Heron the best of luck.

**First Rugby Match**

Acton's first rugby game is on Thursday in Acton between Acton and Milton. All home games for Acton will be held in the new rugby field on the school grounds. Anyone may come as no admission is charged. Ross Morton is captain of the rugby team for the 1954 season.

**Students' Council**

The first meeting of the Students' Council was held on Tuesday. The form representatives are: grade 13, Francis Heffernan; grade 12, Faye Garner; grade 11, Bill Skilling; grade 10B, Alan McIntosh; grade 10A, Margaret Early; grade 9B, Kalvin Kurn; grade 9A, Marjorie Gibson. Sylvia Magas is treasurer.

The literary committee will be headed by Beth Ritchie, the decorating and social committee by Sylvia Magas and the paper committee by Joe Jany.

### ROWLING

Acton Woodcraft's theme song might well be "When Johnny Comes Bowling Home", for on the strength of the Turkosz string of 199-248-246 (663), the woodmen swept all games from Dominion Hotel. The hotel boys figured they had the last go, but they dropped it by count 11-ONE. PINK! The three game sweep gives the Coonmen undisputed possession of first place. For the losers, "Stormy" Normie Morton's 066 tricount stood out.

President Mike Coxe was the big flame with 875 as Firemen A quenched Force Electric's hopes of hanging onto first place. Force Electric snuffed the second canto after dropping the first, but the smoke-eaters grabbed the third for two and totals.

Tiger Cats made a big gain at the expense of the Young Married Men when they deked the Drysdale lads out of all chukkers and the crying towels are out for the Y.M.C.A.

League standing: Acton Woodcraft 10, Firemen A 9, Tiger Cats 9, Force Electric 7, Dominion Hotel 5, Young Married Men 2.

**Industrial - Commercial**

Johnny Goy's Cartage boys got off to a fast three game win to lead the field and by the same token the Acton Free Press Ink Spots will probably print this edition with a black border as they were the unwilling victims. Even the august personage of league president John Black on the Ink Spots lineup failed to give the paper men a lift.

Firemen B took the Pin Tumbler's measure in the first spash but the DeForest clan got to cracking in the second and poured it on in the third to make it two and totals Carl DeForest's 877 and brother Harold's 313 single were the high spots of this episode.

Dodd's Demons devalued Lazenby's Rammers in the first two cantos, but the Rammers untracked themselves in the third spash to avert a whitewash. Frank Quinn's 469 triple was the top timber topping for the Demons.

League standing: Goy Cartage 7, Dodd's Demons 5, Pin Tumbler's 5, Firemen B 2, Rammers 2, Ink Spots 0.

**Teen-Agers**

Tiger Cats won both games from Dodgers and strengthened their hold on first place. Edna Jennings did a neat bit of maple mauling with a 215 in the second game for Tiger Cats.

Al Roach was the king pin for King Pins with his 224-209 (433) as his team mates stopped the Hot Shots cold for two and totals.

Falcons had the hex on Lucky Strikers for the first but dropped the equalizer. However, Falcons had enough in the total column to take the odd point.

League standing: Tiger Cats 10, Lucky Strikers 7, King Pins 5, Dodgers 5, Falcons 3, Hot Shots 0.

**Mason Knit**

Bluebirds still hang on to first place in the Mason Knit Ladies league. The "Happiness Gals" won the first, dropped the second and finished strong to make it two and totals. The victims? The Wrenies.

Alley Katz were on the prowl and sharpened their claws at the expense of the Jazzy Joe's. The Katz won the first two on the strength of Lois Turkosz' 227 and Edith "Ma" Jennings' 222. Jazzy Joe's averted a total loss when "Teeny" Jones sparked the Joe's with a 208 to take the singleton point.

Hepkats, while still on the bottom rung of the ladder, made a healthy gain at the expense of the second place Cardinals. Hepkats were in the groove in the first two stanzas but Marilyn Woods with 245 and Kitty McCrystal with 252 gave Cardinals the duke in the last go. Hepkats uncovered a sleeper in Pat Duval who uncocked a neat 222 for her Hepkat team mates.

Dess and data Joyce Macdonald with 277 won the I.G.A. award last week and will probably be the first gal in line when the new Super Market opens tomorrow. Hank Earle, the boxer who walks like a man with a 785 took over 5000 God McCutcheon for his award. Dot Emerson and Laine Roberts bowed to the nodding season and picked up the 7-Up award for the Teen-Agers.

### Wide Difference In Bowling Scores

Tuesday the Ladies' Auxiliary of the Y.M.C.A. played the first games of their bowling league series. Peggy Sutton led the group with her single of 229 and Mrs. Marion Paul looked after the other end of the scoring with her 39. Mrs. Paul's scores improved during the afternoon and she ended the day with a 100.

On the day's scores the Y's defeated the M's with a team average of 123 to the M's 96, and the A's bowed to the C's with the day's low average of 81 against the second 123 of the day. Duplicate averages by the M's and the C's would seem to indicate keen competition when these two teams meet next Tuesday.

Although the teams have started to play, the season's schedule has not yet been drawn and any other ladies, whether Y members or not, are invited to join in the season's bowling. Bob Brayshaw, the Y.M.C.A. secretary is accepting entries.

### Attended World Church Conference

Youth consultant from Canada at the recent World Conference of Churches held in Evanston, Illinois, Miss Margaret Near addressed the Women's Missionary Society of the United Church and their guests from other societies. The annual autumn Thankoffering meeting was held on Tuesday in the United church.

Miss Near gave a vivid illustrated talk on the conference. Representatives from all over the world were present. Rev. E. A. Curry showed the film and a number of interesting souvenirs were displayed.

Miss Near is presently doing deaconess work among Chinese in Toronto.

Miss M. Z. Bennett, the president, was in the chair for the meeting. Scripture reading was by Miss M. Manpreze and Mrs. F. Cleave. The offering was taken by Mrs. J. Lambert and Mrs. P. Veldhuis and dedicated by Mrs. P. Brudie.

Mrs. G. Robertson of Ebenezer gave a piano solo.

A plaque was observed in memory of the late Mrs. Edna Thomson, a very faithful member of the Society.

Guests were present from the Baptist and Presbyterian churches and Ebenezer church. Mrs. E. J. Hassard brought greetings from Knox church and Mrs. R. Costerus from the Baptist church. Mrs. G. Robertson spoke on behalf of the Ebenezer ladies.

Miss Near was introduced by Miss Bennett and thanked by Mrs. E. A. Curry. The meeting closed with prayer by Rev. Curry.

Refreshments were served; tea was poured by Mrs. P. A. Smith and Mrs. E. A. Curry.
