... Brand new calendars of all types and sizes have been given out by local merchants and are being put up this week.

-The Christmas holidays are comparatively short this year for students and teachers. They all return to echool next Monday.

_The "Personal" column longer than usual this week. Don't General Hospital forget that short items of news for this column are welcome every week of the year.

-Quite a few here attended the A. V Roe Christmas party at Malton on Seturday, December 18. A bus went from the district to the plant for the annual event.

The last Cub meeting of the year was held last Thursday night in the

form of a Christmas party. The usual cubbing program was dispensed with for the evening as the boys enjoyed an evening of games, songs skits, exchange of gifts, and lunch.

Numerous badges were awarded during the night, six boys receiving their pack neckerchiefs and tenderpad badges. Bob Hinton received his second proficiency star and two proficiency badges, Toymakers and House Orderly. Robert Parker was presented with his Collector's Badge and Peter Newton his Guide Badge.

Around the camp fire a sing song of Christmas carols and the distribution of gifts highlighted the evening's program.

Before leaving the Scout Hall the pack was served a lunch and presented with a bag of candy.

Six competition was cancelled for the evening, the Yellow Six remaining ahead but by only one point. Winners of the last competition were the Yellow Six, who in the last week sprinted ahead of the rest of the Sixes to clinch the free theatre party.

In order to accommodate more boys into Cubbing, another Cub pack will be formed next Tuesday night. The pack will carry on as the "Ist Acton B Pack". Both Cub packs will be under the same Cubmaster (Akela).

At present all 36 boys in the "1st Acton 'A' Pack" are invested and It is now hoped they will make the new year one of great progress in Cubbing.
