Juniors Near Finals With Points Close

Acton Junior Farmers' hockey team, in its first winning streak for the past few seasons, is just one point behind Milton in the league following Monday's games in Milton arena. Acton has nine points and Milton 10. Palermo leads the standings with 13 points, followed by Norval with 12.

The final games of the regular schedule will be played next Monday when Acton meets Palermo and Milton faces Norval. The top three teams will then enter the playoffs.

Last Monday Acton downed Norval 8-3 while Milton topped Palermo 4-3. Don McKenzie set a good example for his team mates with five goals for Acton with three assists from Wheeler and two from Currie and Scott. D. Currie followed his example with two more goals, one assisted by Hensley, and Scott scored a singleton, assisted by D. Currie.

Norval scores were Ross Cunningham (Richardson), Cunningham (Smith) and H. Wilson (Cunningham). Spike Scott's all-round play for Acton was outstanding. Only penalty of the game went to Cunningham.

Graham Gillies was the spark of the Milton team for their 4-3 victory over Palermo, while Eves' goal tending was top notch. For Palermo, Murray Tasker's defensive play attracted praise. This game saw more penalties, with the referees sending Joyce and Flippance off the ice before scoring began. Others cooling their heels were K. Vivian, Pegg and C. Gillies.

Milton goals were credited to Le Riche (G. Gillies), Willmott (McDonald), G. Gillies (G. Gillies), and Willmott. Palermo scorers were D. Vivian (K. Vivian, T. Tasker), Price and K. Vivian (Price).

Famous Trichologist Will Demonstrate How To Grow Thicker Hair ... And Guarantees It! DEMONSTRATION TO BE HELD HERE

This new method of home treatment for saving and growing thicker hair will be demonstrated in Acton, Ont. on Fri. ONLY Feb. 4. These private, individual demonstrations will be held at the Dominion Hotel, on Fri. ONLY Feb. 4, 12 noon to 9 p.m.

HALIFAX, Jan. 12 - In an interview here today, William L. Keele, internationally famous trichologist and Director of the Keele Hair and Scalp Specialists said, "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so called cure-all could correct all the disorders," he explained.

GUARANTEED
"The Keele firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offers a guarantee," Keele said. "Once a person avails themselves to the Keele treatment his skepticism immediately disappears. To insure this we offer this guarantee. If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

HOPELESS CASES DISCOURAGED
First, the trichologist is quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this lost category. If there is fuzz, no matter how light, thin, or colorless, the Keele treatment can perform wonders. A complete, private examination is given by a trichologist to determine the condition of his scalp, and cause of his hair trouble.

FREE EXAMINATIONS
This examination is very thorough and highly technical; it requires 20 to 30 minutes. The trichologist makes no charge for this examination and no appointment is necessary. After the examination the person is told the required length of treatment and how much it will cost.

HAIR FOR LIFETIME
"If clients follow our directions during treatment and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

HOW'S YOUR HAIR?
If it worries you call Trichologist M. Den Adel at the Dominion Hotel in Acton, Ont. on Fri. ONLY Feb. 4, 12 noon to 9 p.m. The public is invited. You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way. Both men and women are welcome. Adv.
