Maple Sugar Field Off in Nova Scotia

Halifax (CP) — Nova Scotia's sugar industry has declined so much that farmers soon may tap trees only for their own use.

Officials of the provincial department of agriculture say that day is coming closer, with the cutting of more and more sugar bush for lumber.

In the 10-year period from 1942, annual production of maple sugar dropped to \$25,000 from \$33,000.

LETTER TO EDITOR

Recalls Weather Of 50 Years Ago

West Flamboro, April 2, 1955.
Dear Editor:

I noticed a piece in your paper of this week in the "good old days" column about the fine weather we had 50 years ago. I can remember it as yesterday. I was 16 years of age on the farm. My brother John and I sowed oats on the 27th of March, 1905. We had seven acres in and then came a storm when it rained and snowed.

You could notice the difference; the grain that was put in before the storm was a lot better, both in seed and straw. It weighed bushel measure 42 lbs.

You could get a plug of McDonald's chewing tobacco for a dozen eggs. They tell me it takes two dozen for the same tobacco.

I enjoy your paper, especially "the good old days".

I remain, Yours truly,
Fred Crewson.

Hillsburgh Play Takes Drama Shield

The Acton and Hillsburgh Baptist Young People's Unions presented plays in the Disciples' Church, Hillsburgh Wednesday evening last week for the drama festival of the Baptist churches of the Guelph Association.

The Acton play, Simon the Leper, consisted of a cast of eight: Simon, Don Livingstone; Judith, his sister, Mary Reid; Amos, his brother, Frank Bean; Susanna, Simon's betrothed, Fay Garner; Lazarus, betrothed to Judith, Warren Warner; Mary and Martha sisters of Lazarus; Ruth and Helen Landsborough; Jalon, the leper. Bob Landsborough.

The play was set at the time of Christ's crucifixion, burial and resurrection, showing the deep feeling of sorrow and bereavement on the part of His friends, climaxing in their overwhelming joy at the news of His return to life. The group was highly commended for the work done in the presentation of this play.

The Hillsburgh play was A Certain Man Had Two Sons and retold in a modern setting the old story of the Prodigal Son. The cast included the father, mother, daughter, the jealous son, who had worked hard at the farm, and the son who returned after eight years of wayward squandering of the money gained from the sale of a portion of the family farm.

The Drama Shield was awarded to the Hillsburgh group for a fine piece of work.

Both plays will be presented in Acton Baptist Church in the near future.

Teen-Agers

Tiger Cats picked up insurance on first place when they shut out Dodgers. King Pins took both games and totals from Hot Shots, while Falcons kept the shut-out going when they met Lucky Strikers. Coming up with hot doubles were B. Skilling 495, R. Morton 405.

League standing April 9: Tiger Cats 92, Lucky Strikers 69, Falcons 67, Hot Shots 56, King Pins 55, Dodgers 51.

Dime and Data

The Gord McCutcheon haberdashery goes to Phil Le Sueur for his 800 triple last week. Gayle Hulford with 307 and 695 picked up the I.G.A. groceries and the Patricia Ann hairdo. Oakville's inter-county team picked up a 142 pin lead when they engaged with Acton here last Saturday. This Saturday Acton goes to Oakville for the final three games and the chips are down. Good luck gang, and no headpins. Picking up the hidden score awards from 7-Up, Coca Cola and Reinhart's were teen-agers B. Kirkness, G. Oakes, S. Magee, G. Hulford, B. Skidmore.

U.S. FLAGS

Vancouver (CP) Flying too many United States flags in this country doesn't do Canadians any credit says James B. Hughes, executive vice-president of the city tourist bureau. City council recently refused to allow the Stars and Stripes to be flown at the art gallery unless a Canadian flag was also flown.
