

On Tuesday morning Grade and Mr. Heron drove to Hamilton for an inspection tour of the Stelco Steel plant. Although the weather was dull and it had rained the night before, the mud was not too bad. In the afternoon, they inspected the British America Oil Refinery, at

Clarkson. The rifle club boys and Mr. Caddick would like to thank Mr. M. M. Coles for the use of his sand pit for their competitions this winter and spring. The final competition, between the different schools, took place a few weeks ago and in a class of 84. Acton stood 80th with 77 points. But this is not bad, for a first try. Better luck next year.

Buy peanuts! We would like to send some lucky girl to New York. Peanuts can be bought from any member of the Rotary club and in most of the district stores. Be sure

The dates have not been set for our field day or the inter-school field meet, but they will be in the near future.

class, gave an interesting explanation of the beginning of the Friendly Circle. Everyone thoroughly enjoyed talk given by Mrs. G. Ringler.

Mrs. Ringler and her husband have spent three years in Ethiopia and she told how they, as foreigners, were treated in that country. The meeting closed with a lunch of sandwiches, cake and tea provided by the group in charge.

Plans were made for redecorating the hall at the regular monthly meeting of the Catholic Women's League in St. Joseph's Church Hall on Tuesday evening.

Father Morgan opened the meeting with prayer and Mrs. Heffernan, president, presided for the business session. - Arrangements were discussed for catering to a wedding and for the Holy Name Men's communion breakfast to be held in May. Lunch was served at the close of the meeting. .
