Local News

Election to-day. Exams start Friday at the high school. -A new spotlight has been in-

stalled to light the cenotaph. -There were quite a few visitors in town for Decoration Day. -Committees were appointed during the business session at the

Rotary club meeting Tuesday. -Miss Ena Jennings, who will be on the public school staff next fall, is at the school this week. -Sewers and water mains are being installed this week on the third line by the Glenlea subdivision.

-Church league ball games are being played every Monday, Wednesday and Friday at the public

school Quite a few have been attending political meetings in other parts of the county prior to the election.

-The new flags on the main, here. streets were particularly effective on Sunday during the Decoration Day parade.

-The first tournament of the inter-county tennis league was played Anna Smith. Tuesday night when Milton travelled to Hespeler.

-A new sign has been erected at the Ajax plant with the names of Ajax Engineering and Marley Canadian Co. Ltd. -Jim Baird of Durham, Ont. has been transferred to Grand Un-

of assistant manager. formed at the Y. The boys will be were also in the city.

selecting their officers and considering a name this week.

opening day. -Accounts of showers, presentations and weddings are of particular interest at this time of year The Free Press has special forms Hay Fever Conquered to assist in wedding write-ups. Call

or drop in. -In the absence of Rev. Currey who was attending a church annual meeting in Sudbury, the evening service was withdrawn last Sunday. The morning service was conducted by Rev. A. Hayward of Ospringe. Nancy Lambert sang a solo.

-Rehearsal has been held at St. Alban's church to prepare for the confirmation service next week. The bishop of the Niagara diocese. the Right Reverend W. E. Bagnall B.A., D.D., will lead the service and preach.

-Another fish story: two teenagers caught a 22 inch brown trout at Glen Williams - without the aid of pole or net! Spotting the fish swimming in the shallow rapids near the old Beaumont dam, they waded out up to their knees to nab it with their bare hands.

Bride-to-be Feted At Several Showers

Miss Dolores Sheehy, who was married last Saturday in Acton to Ted Tyler Jr., was honored at several showers attended by neighbors in Acton, fellow employees from Kitchener, and relatives of the On May 12 Mrs. L. MacSwain and

Mrs. F. Crump were joint hostesses at a miscellaneous shower at Mrs. MacSwain's home. A group of about 25 neighbors and friends attended. Mrs. Kay Forester of Guelph entertained the bride-to-be's fellow employees at the Income Tax office in Kitchener on May 16. On May 27 Mrs Robert Tyler and relatives feted Miss Sheehy.

Many beautiful gifts were received at each of these events, the pleasant evenings concluding with of Chiropractic in dealing with this bountiful refreshments.

is contributing \$1,000 to an \$8,000 civil defence program for the area. About \$1,500 is earmarked as salary for the zone director.

CONTROL OF THE PROPERTY OF THE

(ADVERTISEMENT) -By Chiropractic

The hay fever victim has constant sniffles, frequent sneezing, running nose, eyes and throat-all the typical symptoms of a heavy cold. Yet, it has been definitely established that hay fever is not contagious and is not "catching." It is commonly believed that hay fever is caused by proximity to weeds, grasses and trees, when in bloom. This is decidedly not the case. Something more is needed for the development of hay fever in a given patient than merely the contact with a pollen, and that is the sensitization of the tissues of the body to certain substances.

D. J. Armstrong, D.C. Therefore, the cause of hay fever is primarily within the body and not in the pollens carried about by the air. The sensible approach to solve this condition is to remove the cause of the hypersensitiveness of the body tissues rather than trying to escape from the offending substances. This is the approach condition. The Chiropractor finds that he can reach the nasal membranes through the branches of the PREDERICTON (CP)-This city nervous system which innervate these tissues. Through Chiropractic adjustments normal nerve supply and reflexes eradicates the hypersensitiveness of the body tissues. As a result allergic substance no longer affect the body and the pat-CHILLIWACK, B.C. (CP)-Twin lient can go about his normal business without having to go to a

pollen-free environment. This year see your Chiropractor. Office Hours: Tuesdays and Friheifer, the same as in 1962. Last days, 2 p.m. to 9 p.m. Other times by appointment. Phone 554.
