**HALTON CENTENNIAL MANOR Students Hold Last Meeting**

(Intended for last week)

On Tuesday evening, May 31, a small group of Lorne Park College students motored to the Manor to hold the last meeting of the current college year, with the residents of the Manor. They were accompanied by one of their teachers, Mr. Kay.

Don Snider was chairman of the meeting. The devotional part of the meeting began with a prayer by Mrs. A. T. Brown. The scripture reading, the 21st chapter of the Book of Revelation, was given by Mr. Kay.

Misses Ruth Shantz and Lina Skolding delighted the audience with two duets. Hear our Prayer and Be Thou Near. Miss Shantz sang by special request. His Eye is on the Sparrow. The duets and the solo were accompanied by Don Snider at the piano.

Miss Pickett, one of the teachers of the College, spoke very earnestly and sincerely on the subject, Citizens of Heaven, basing her talk on the 15th Psalm. The singing of the hymn, Bless be the Tie that Binds, brought the meeting to a close.

The residents of the Manor hope that the Lorne College students will arrange to come to the Manor for similar meetings during the next school year.

Extending Congratulations

The regular Sunday afternoon church service on Sunday, June 5, was conducted by Rev. R. F. Snyder, who delivered a very eloquent sermon based on the first three verses of the 40th Psalm.

The residents of the Manor wish to extend congratulations and best wishes to Mr. Snyder and his congregation upon the opening of his new church on Sunday, June 12.

Shut-In's Day

Many visitors came to the Manor during the week-end of June 4-5 in observance of Shut-In's Day.

**SILVER-WOOD**

**Rotary Clubs In 49 Countries**

Many have heard of Rotarians and have taken them for granted as just another service club. Ladies of the Silver-Wood Women's Institute enjoyed Mr. Jack Barber's talk on the Rotary Club at its meeting on Thursday, June 9. They were interested in hearing about the founding, something of the organization and the aims of the Rotary clubs in 49 countries throughout the world.

The meeting was at the home of Mrs. E. Miller; the roll call was answered by each member telling of a neighborly thing that has happened to her, and much appreciation was expressed for thoughtful and kindly happenings in the neighborhood.

The District Director, Mrs. R. Corbett, gave a report of the recent District Annual which was attended by eight of the Silver-Wood members. Further layettes are being made for the Children's Aid in Milton.

**Chronicles of Ginger Farm**

Written Specially for the Acton Free Press by Gwendolyn F. Clarke

Last week as I wrote this column we were still waiting for the truck to arrive for transporting the cows that Partner had sold. It was almost nine o'clock at night before the big tractor-trailer pulled into the yard. In about half-an-hour it was on its way again—with all our milking cows and three calves at foot.

We put in a long nerve-racking day waiting for that truck to come! And of course Partner had to milk the cows again. But now it all belongs to the past and we have already had the experience of one week without cows. But we are not without milk yet—I had plenty stacked away in the refrigerator to see us over for a little while. It will seem odd when we start getting our milk in buckets or cans or packets—according to what we want.

Wednesday morning, fate took an ironic twist. I was out in the kitchen at 6 a.m.—force of habit will continue to get us up early for a while yet. I expect. Looking out the window, what should I see but a number of cattle—all over the garden, of course. In a few minutes Partner, in his pyjamas, was out chasing them away from the house. We phoned our nearest neighbor but he was not the owner of the strays, which we found to be five two-year-old Holstein heifers.

**CAMPBELLVILLE Gordon Ringler Guest Speaker**

(Intended for last week)

The June meeting of the Campbellville W. I. was held at the village school with Mrs. James Wallace, second vice-president, in the chair. The meeting opened with the singing of the Institute Ode and all repeating the Mary Stewart Collect.

A few words of sympathy were extended to the bereaved Hartley family and the roll call was answered with Will Campbellville change with the advent of a new highway? The minutes of the last meeting and an executive meeting were read by the secretary, Mrs. Jack Wheelihan. The treasurer's report was given by Mrs. Leonard Andrews and cheer-lifter replies read by Mrs. Wheelihan.

Plans were made for the rummage and auction sale on Saturday, also a committee named to get information on new halls. They are Mrs. Lloyd Crawford, Mr. Frank Quinlan, Mr. and Mrs. Charles Mitchell and Mr. and Mrs. George Inglis. Mrs. George Inglis gave a report on the Halton county district annual convention held in Ashgrove church that day when several district ladies attended.

By this time guests arrived from the Bay and Mount Union branches. Mrs. Hardy Purdy then took the chair and introduced the guest speaker, Gordon Ringler of Acton, who has spent three years with his wife teaching in Ethiopia. He had many experiences with the Ethiopian people and their customs. He said his wife also had a display of many articles from Africa which helped make the meeting very interesting.

Mrs. George Black gave them a hearty vote of thanks. Mrs. Harry Phillips and Mrs. Hardy Purdy, convenors of public relations and community activity, planned an interesting meeting. Mrs. Campbell Agnew convened the lunch and the social half hour followed.

Old neighbors and relatives of No. 1 school section surprised Mr. and Mrs. Archie Cairns of Milton on Thursday evening to honor them on their 25th wedding anniversary. Progressive euchre was enjoyed and a happy couple were presented with a wall mirror.

Friends and relatives of Miss Gertrude Holmes met at No. 2 school on Friday evening to bid her farewell from this community. The Holmes farm is sold and Gertrude is working at Milton Private hospital and living in Milton. After progressive euchre was enjoyed, Gertrude was presented with a mantle radio.

The sympathy of this community goes to the Hartley family during their recent bereavement.

Four Ontario cities went through 1954 without a single fatal motor vehicle collision. They were Niagara Falls, North Bay, Sudbury and Woodstock.

beautiful berries—no waste—so to my surprise I put down 13 pints from 10 boxes of berries.

My goodness, I almost forgot to mention that important event that took place last week, The Provincial Election. However, we didn't forget to vote—which is more than some people can say. At the little country school where we cast our votes, there were 104 on the voters' list. We went along about four p.m. and at that time only 54 citizens had been to vote. How is it possible for so many to care so little for the privileges of a free democracy? No doubt there were more out before the polls closed but usually the country people get out early in the day.

Well, this chronicle is coming from Ginger Farm. The next one— if my plans hold good— may be written many miles from here— exact location unknown. I have been very busy laying in supplies for Partner—he says it looks as if I were preparing for a siege. However, he will not be alone for long at a time. The family are taking it in turns to come home and see that all is well. So... you'll be hearing from me again next week I hope.
