From Halton's Farm Lands

Keen Interest in County Council Committee's Weed Conference

Keen interest was evident in the weed conference sponsored by the Agricultural Committee of the Halton County Council on Tuesday last week in the Farmers' Building, Milton. The meeting was chaired by Reeve A. R. Service, chairman of the Halton Agricultural Committee.

Co-ordinated co-operation, necessary in the control of weeds, was the subject of the address by Stanley Young of the Field Crops Branch, Ridgeway.

The part played by common barberry and buckthorn as hosts plants in life cycles of stem and crown rusts of oats, was ably handled by Douglas Kerr of Brantford. Other weeds which came in for special attention in his discussion were poison ivy, foxy spurge, yellow rocket and wild carrot.

Participating in the discussion were County Weed Inspector Thomas Bradley, John Kimmel of the Dept. of Highways; Messrs. Menary and Morgan, representing the Canadian National Railways; Mr. Cain of the Canadian Pacific;

Township Road Superintendents William Townsend of Eanesville, Harris-Bell of Nelson, and Stanley Fulton of Nasagawys; Reeves A. R. Service, Robert Marshall, Wilfred Bird and Deputy-Reeve Fred Walker of Nelson; Weed Inspectors C. Livingstone of Bronte and L. E. McManus of Burlington; County Engineer Roy Smith; Geo. Currie, chairman of the Halton Agricultural Committee and Agricultural Representative J. E. White-lock.

The program of the day included an inspection of the wild carrot control plots laid down on the 4th line of Trafalgar by the Halton Crop Improvement Association. At the conclusion of the day's program all were agreed that it was only by co-ordinated effort that satisfactory results can be secured.

In our opinion the effort of the members of the Agricultural Committee and County Weed Inspector Thomas Bradley in initiating the conference is a step in the right direction and should result in a marked improvement in the weed control program of Halton county.

Farm Pond Policy in Halton Will Continue, Said to be Paying Off

Farm ponds and dug-outs are definitely paying off in the County of Halton. Water from two such ponds is credited with saving two buildings which were on fire.

Aside from this, other constructed under the Halton policy are providing water for livestock and domestic purposes. Consequently the members of the Halton County Council did not hesitate in approving the recommendation of the Halton Conservation Committee that the Farm Pond Policy be continued in 1955.

Under the policy the Ontario Department of Agriculture contributes dollar for dollar with the county, up to a maximum of \$2,000, for approved ponds in 1955. Before constructing a pond, farm owners must first make application to the secretary of the Halton Conservation Committee, namely J. E. White-lock of the Ontario Department of Agriculture, Milton.

Once the proposed site has been approved by an Agricultural Engineering fieldman, the farm owner may secure whom he wishes to construct the pond. Once constructed and properly fenced to keep out livestock, providing the pond qualifies under the Halton policy, the owner is then eligible to receive a grant equal to one-

half of the cost but not to exceed \$100 on any one pond.

When discussing the matter, with George Currie, chairman of the County Conservation Committee, we learned that they have sufficient money to assist with the construction of approximately 30 ponds in 1955. Those who wish to take advantage of the policy in question, would be well advised to contact the Agricultural Office in Milton, where they can secure a copy of the policy and at the same time file their request for a farm pond survey.

Failure to make application prior to commencing construction of a pond nullifies any possibility of securing a grant or subsidy on the money already expended.

Money Talks in Britain
To further encourage quality production, a bonus of 10 shillings (\$1.37 in Canadian money) was instituted on all "Super Quality" baconers by the Fatstock Marketing Corporation last month. Recently published U.K. pig census figures indicate that a decline is in prospect. Some predictions indicate that within a year pig numbers may drop to four and a half million head from the five and a half million counted last December.

1954 World Meat Output High

Meat output of the world during 1954 reached a new record, according to estimates of the U. S. Foreign Agricultural Service. With the exception of the Far East, production is estimated at 83 billion pounds and exceeds previous production by 20 per cent. and last year by 3 per cent.

U.K. Hog Quality Improves
In the past 10 months the percentage of Grade A bacon pigs produced in the United Kingdom increased from 35 to 67 per cent. of the total. At the same time, Grade C pigs dropped from 25 per cent. to less than 10 per cent. and the percentage of undesirable pigs dropped from 30 per cent. to 10 per cent.

Chicago Hogs Top \$20
A recent opinion poll around the Chicago Stockyards, conducted by the Chicago Daily Drovers Journal, indicates a forecast that top hogs may bring \$25 (live basis) before the end of June and by late summer, may hit a \$23 peak. The week of June 6 saw hogs hit \$20.25 which incidentally is the best price on the Chicago market since the end of September, 1954.

Dairy Products' Disappearance
During the first quarter of the year, domestic disappearance of most dairy products rose. Leading the list were dried skim milk and ice cream which rose above last year by 27 per cent. and 10 per cent. respectively. Evaporated milk, butter, fluid milk and cheddar cheese also showed gains.

Dried whole milk disappearance dropped 49 per cent. while only slight drops were noted for process cheese and condensed milk. Margarine rose by 11 per cent. Cheese exports for the quarter, although 20 per cent. below the 1949-53 average, are more than three times as heavy as last year. Butter exports, also below the long time average, are 30 per cent. above a year ago.

Building Permits At All-Time High

Trafalgar Township Building Inspector Angus Stewart said that there have been more than 100 building permits issued in May of this year than the same month last year.

"We've had 148 permits taken out for May, as compared to 41. It was the highest figure we've ever had and will mean an estimated building value of \$1,514,468. Included in the 148 permits are 132 residential permits, two school permits, one garage permit and 13 miscellaneous permits."

May's permits swell the total number of permits issued to date this year to 432, only 137 permits short of the total number issued during 1954.

Leslie Clan Reunion Draws 193; Many from Acton, Georgetown

The 15th Leslie Reunion was held Saturday, June 11 at The Breezes, Acton, with an attendance of 193.

George S. Leslie, Guelph, president, presided at a short business session after the dinner hour. Mr. Leslie paid tribute to those who had passed away since the last reunion by two minutes silence and prayer by Harvey Leslie, Aylmer.

A letter, from Mrs. Mary Young of Westward Ho, Alberta, was read inviting Leslies to attend a reunion of the Leslie clan in Portage La Prairie, August 6.

It was decided to hold another reunion on June 18, 1957, place to be decided by the executive.

Attending the reunion were 12 persons 80 years or over. James H. Reed, Acton, got the prize for the oldest man, 89 years. Mrs. E. Shook, Toronto, won the prize for the lady, also 89 years. Sharon Leslie, daughter of Mr. and Mrs. Gordon Leslie, Acton, was the youngest child, 11 days old.

Harvey Leslie, Aylmer, came the longest distance. Mr. and Mrs. Calvin Aitken and Mr. and Mrs. Chester Allan tied for the largest family present, 3 children.

A program of sports was conducted by Mrs. Ernie Curry, Georgetown.

Wilfred Leslie presided for the election of officers, which were: past president, George S. Leslie; president, Oswald Johnson, Acton; first vice-president, Howard Shook, Mimico; second vice-president, La Verne Thompson, Georgetown; secretary-treasurer, Mrs. P. Dick, Brampton; assistant, Miss Elva Pearen, Acton.

A five singing Blest Be the Tie that Binds, continued to enjoy the get-together.

The following attended the reunion: Mr. and Mrs. George S. Leslie, Margaret, Jim, Donna Mae, Mr. and Mrs. Victor Mills, Mrs. George Leslie, Mrs. Will Gibson, Mrs. Rena Gibson, Mrs. W. Jessop, Miss Julia Williamson, Mr. and Mrs. John Gregory, Mr. James Adam, Doris, Harvey, Leslie, Mrs. Leonard Leslie, Miss Elsie Leslie, Mr. Dean Leslie, Brampton; Mr. and Mrs. Peter Dick, Mrs. McAlpine, Mrs. Hugh McCallum, Mr. T. F. Macdonald, Miss Eleanor Macdonald, Brampton.

Mr. and Mrs. Wilfred Leslie, Tommy, Keith, Mrs. Wilfred Bird, Mrs. Clure Dolson, Donna, Lenore, Helen, Mr. and Mrs. K. C. Lindsay, Mr. and Mrs. George H. Leslie, Mrs. T. I. Leslie, Miss Elizabeth Leslie, Mr. and Mrs. La Verne Thompson, Mrs. Geordie Leslie, Mr. and Mrs. W. Lyons, Mr. and Mrs. Eric Leslie, Mr. and Mrs. Hugh Leslie, Lynda, Sharon, Mr. and Mrs. James Fisher, Mrs. Basil Johnson, Mrs. Gerald Graham, Kent, Hugh, Faye, Sylvia, Neil, Mrs. Ernie Curry, Gordon, Donald, Georgetown.

Mrs. C. West, Mr. and Mrs. Tom Orr, St. Catharines; Mr. and Mrs. Hubert Comfort, Mr. and Mrs. Sam Cline, St. Ann's; Mr. George Leslie, Thamesford; Mrs. A. Capstick, Florence, Pearl, Mr. and Mrs. Roy Gordon, Tommy, Mr. Joel Leslie, Robert, Ingersoll; Mr. and Mrs. Harvey Leslie, Aylmer;

Mr. Ernest Near, Mr. and Mrs. Fred Stewart, Bonnie, Carol, Lynda, Mrs. T. Tricky, Mrs. E. A. Shook, Mr. and Mrs. Chester Strohm, Robert, Mary, Carol Anne, Mr. Leslie Stewart, Mr. and Mrs. Tom Smyth, Florence, Dianne, Mr. and Mrs. Harley Briggall, Mr. and Mrs. M. Yeats, Christopher, Mrs. M. Thornton, Mr. and Mrs. Ross Allan, John Allan, Toronto; Mr. and Mrs. Howard Shook, Charles, Mimico;

Mr. Robert Kelly, Miss May Kelly, Mr. and Mrs. Philip Leamon, Lorraine, Judith, Sheridan; Mrs. Annie Moore, Sophia Moore, Brantford; Mrs. Lloyd Crighton, Mrs. Art McKane, Dianne, Terra Cotta; Mrs. Uriah Jones, Oshawa; Mrs. Tom Hope, Susan, Marilyn, Hillsburgh; Mr. and Mrs. Andrew Smith, Mary Anne, Donald, Malcolm, Inglewood; Mr. and Mrs. Cecil Nellis, Jean, Rockwood; Mr. and Mrs. Albert Gamble, Mr. and Mrs. Harmon MacLean, Hespeler; Mr. Jack Humphrey, Mr. James Montgomery, Tommy, Nobleton; Mrs. Charlotte Macdonald, Hamilton.

Mr. and Mrs. Orwell Johnston, Mr. and Mrs. Gordon Johnston, Mr. and Mrs. James H. Reed, Mr. and Mrs. Wm. Gamble, Clarence, Mrs. Elwood Johnston, Marjorie, Mr. and Mrs. J. E. Pearen, Miss Elva Pearen, Mr. and Mrs. Calvin Aitken, Nancy, James, Janet, Wayne, Keith, Mr. and Mrs. Gordon Leslie, Robert, Norma, Leah, Sharon, Mr. and Mrs. Will Johnston, Lawrence Joyce, Dorothy, Helen, Mr. J. B. Leslie, Mrs. Marion Wardlaw, Leslie, Brian, Teddy, David, Mrs. Chester Allan, La Verne, Doris, Helen, Muriel, Gordon, Mrs. Clarence Denny, Verne, Ray, Joyce, Acton.

48 LOCAL LUMBER & BUILDING SUPPLIES

MORE DONE IN AN HOUR WHEN IT'S DONE WITH POWER

What one man can do on the farm in work output has been increased many times by the developments in power farming equipment in recent years.

Tractors and implements now available give control over the work the year 'round and on more and more farms there is less and less need to employ hard-to-get and high-cost farm labour.

Mechanization has meant more to the farm than relief from drudgery and freedom from heavy burdensome physical toil. Mechanization has brought a new concept

of farming and has given agriculture the greatest lift in years. And mechanization has contributed greatly to the more wide-spread sharing in higher standards of living.

In the advancement of their operations through mechanization farmers have found in Massey-Harris and Ferguson tractors and machines time and labour saving advantages that help them do their work easily, quickly and more profitably. Your local dealer will be glad to tell you about the latest developments.
