A CHARRED FOUNDATION remained following the destruction of a large bank barn on the farm of Thomas Watson by fire Sunday morning. Some equipment and animals were lost in the blaze, the cause of which remains unknown. The barn did not contain any new crops as the land was being rented. Within an hour the building was levelled. The farm is south of Campbellville.

## Campbellville Retain Position As League Leaders; Win 12-7

Campbellville retained their position as league leaders with a record of nine wins and two losses as they defeated fourth place Brampton 12-7 in Campbellville on Saturday afternoon.

Harry Hamilton in chalking up his fourth win of the campaign had things under control until the eighth inning when a streak of wildness got him in trouble and Jack Roberts came in to put out the fire. In seven and a third innings Hamilton gave up six runs off eight hits while walking four and hitting one batter and striking out three. In one and two-thirds innings Roberts allowed one run off two hits and struck out four.

Brampton used four pitchers in a futile attempt to keep the Campbellville bats in check. Vernor, Paton, Frankowski and Pullan worked in that order and gave up 16 hits, and eight walks while striking out two.

Brampton took an early lead in the first inning when Haynes singled and was sacrificed to second, stole third, and scored on a sacrifice fly. Campbellville tied it up in their half when Moore got to second as Vernor fumbled the first baseman's

loss to the bag, and scored on Henson's single. The team took a 2-1 lead in the second when Elliott walked, went to third on Hamilton's single and scored when Wingrove singled. In the third Brampton took a three to two lead. Vernor opened the inning with a triple and scored on Haynes single. Haynes was sacrificed to second and scored when McDonald doubled. Campbellville again took the lead with two runs in the last half of the third and this time never relinquished it. Laking walked and scored on Feeney's triple. Feeney romped home as Elliott doubled.

Campbellville picked up another in the fourth when Moore made a little tardy in fielding his grounder which had gone right through the second baseman. It was a neat bit of base running. He scored on Wingrove's single. The score was built up to 8-3 when Campbellville scored three in the sixth. Hamilton opened the inning with a walk and went to third on Moore's ground rule double and scored on Wingrove's fly. Paton then replaced Elliott on the hill for Brampton and Henderson greeted him with a home run over the left field fence. The league leaders produced three more tallies in the seventh to make it 11-3. Elliott walked and went to second on a wild hit. Moore singled and Henderson greeted him with a double steal but Moore scored. It Moore kept going all the way to third with Elliott scoring. Wingrove walked and Frankowski replaced Paton on the mound for Brampton. Wingrove was out at second on the double steal but Moore scored. Henderson walked and scored the third run of the inning when the right fielder let a routine single get away from him.

Hamilton hit a wild streak to start the eighth. He walked the first two men and hit the third to load the bases with one out. Hetherington then smashed what looked like a perfect double play ball to third, but at the last minute it took a bad hop and Moore had to make a fine recovery to get the man at second with one scoring. Deacon then smashed a long line drive to left that Elliott got his glove on but couldn't hold and two more runs scored. Roberts then replaced Hamilton, striking out Frankowski and forcing Haynes to ground out to end the inning with the score 11-6. Elmer Dredge opened the last of the eighth with a pinch hit home run for Campbellville and Ward hit a pinch hit double for Brampton to open the ninth and was singled home by McDonald to complete the scoring.

Stan Henderson hit a home run and a single for Campbellville. Ken Moore had a double and a single and Wingrove and Bill Cairns each hit two singles. Elmer Dredge smashed out a home run, Feeney hit a triple and Elliott doubled and Laking, Early, and Hamilton singled.

For Brampton, McDonald had a double and single and Haynes two singles. Vernor hit a triple, Ward and Deacon doubled and Merritt and T. Merritt singled.

## Presentation Made To Mrs. Norman Russ

The joint meeting of the associate members and members of the Ballinfad Women's Missionary Society was held in the church on Monday evening, the 27th, with the president presiding. After the opening hymn and prayer, the minutes of the May meeting were read by Mrs. Kirkwood and some business was discussed.

As the treasurer, Mrs. Russ, being moved to another appointment with her husband, Miss Maud was appointed to that office. Mrs. F. W. Shortill, the associate members' secretary, presided for the remainder of the meeting. The devotional was given by Mrs. Warner and Miss Hills. Mrs. Snow read a paper on mission work being done at Beila Bella hospital in British Columbia.

Shirley Kirkwood and Bonnie Cotton sang very nicely, two duets accompanied by Mrs. Cotton.

Miss Hills told about the mission work which had been done in Angola, Africa, during the past 7 1/2 years and was being celebrated there. Mrs. Starret gave a reading on Stewardship.

Mrs. Russ was presented with a gift from the missionary society and another gift from the Women's Association in remembrance of her many friends here. She expressed her appreciation to all.

The meeting closed by singing a hymn and prayer.

## Always Took Interest In Church Activities

A resident of Rockwood for the past seven years, Mrs. Carrie May Bingham passed away in Guelph General hospital after an illness of two days on June 22. She had lived in Eramosa for 49 years previously, and before that, for 18 years in Calgary, Alberta. It was in Alberta she was married to Robert L. Bingham, who survives her.

She was born in 1881 in Eramosa township, daughter of the late Walker Powers and Elizabeth Johnston.

Mrs. Bingham was the leader of a C.G.I.T. group while in Calgary, and was also a worker in the W.A. W.M.S. and Sunday School while she was there. While living in Eramosa township and Rockwood, she continued to be active in these same organizations.

A former Presbyterian, she was a member of the United Church for the past 25 years.

Surviving Mrs. Bingham are well as her husband are a daughter Elizabeth, Mrs. F. G. Oakes of Acton, four grandchildren, two sisters, Mrs. Alex Rae (Maudie) Guelph and Mrs. John Brown (Hattie), Forrest, a brother Percy died in 1926.

Rev. John Dilts officiated at the funeral service in Rockwood United church on Friday, June 24. Pallbearers were former neighbors of Eramosa township, J. J. McAninch, Lorne Allen, Stanley Parkinson, Cameron Lush, William Grievie and Herb Simmons. Nephews Wilf Bonner, Kelvin Howlett, Alex Rae, Herb Scott and Wesley Woods acted as flower bearers.

Interment was in Johnson's cemetery, Eramosa township.

## Business Activity Shows Improvement

After a disturbingly large degree of unemployment in the first quarter of the year, the general pace of business activity has shown a distinct improvement during the past three months, says the current survey of the Bank of Nova Scotia. Favorable spring weather came quite early in most parts of the country, and outdoor activity picked up much sooner than in the previous year. At the same time, there has already been a significant revival of expansionary influences in the economy.

The total volume of industrial production, which contracted noticeably during the first eight or nine months of 1954, has been rising strongly in recent months and by May was at a new all-time high for this time of year. The volume of building activity has also been running well ahead of the 1954 rate, and a record level of construction outlays is expected for the remainder of the year.

Urban incomes have in general continued to rise and the farm picture, though clouded by the marketing problems for grain and by the poor seeding conditions in some parts of the West, has benefited from larger livestock marketings and continued high rate of milk production.

There is little doubt, the Review says, that the main factor underlying the recent improvement in Canadian production and income has been the general strengthening in the external economic environment. In particular, the vigorous recovery in U.S. business from the recession low-point reached last summer has led both to a better demand for Canadian exports and to a widespread revival of business confidence.

## Harness Races Attract 600

A crowd of over 600 watched some excellent harness races at Georgetown park, Saturday, June 18.

The races were sponsored by the new Rotary club and it was the first public venture of the club. While they were disappointed that the crowd was only sufficient to cover expenses, members hope to continue this another year as an annual event and are confident that it will grow and become a big attraction as it is in Orangeville, New Hamburg and other towns where race meets have become established.

Wives of members operated a refreshment booth which was well patronized during the day. The club was greatly aided in arrangements by Cliff Chapman, who operated the betting concession. Judges were Dr. Heslop and W. Montgomery and Bill McDonnell was announcer.

## SELL CEMETERY LAND

Vancouver (CP).—City council will advertise for sale by tender on a cash-bid basis its 199 acres of cemetery land in suburban Burnaby. The site has been the subject of controversy since an eastern firm negotiated to buy it for \$1,000 an acre.
